Come See What Cub Scouting Is All About!

Big Smile; Build Bigger Futures;

When you're a kid, fun comes first. Final exams, driver's ed and summer jobs will arrive soon enough. Cub Scouts lets kids have fun while teaching them skills that will help them later on. From the thrill of shooting an arrow to learning how to transform a block of wood into a race car, Cub Scouts is one thrill after another. With a program expertly tailored to match each age in a young boy's life, Cub Scouts learn that even when fun isn't easy, it's always an adventure. In Scouting, everything has a purpose. And it shows kids that doing their best is the most fun of all.

CUB SCOUTS

Boys 7-10 years old or Grades 1-5

Scouting provides the opportunity for boys to build self-esteem and self-respect, to explore new horizons, to achieve recognition, to participate in personal and mental fitness programs, to work together in groups and to have fun learning and exploring new things.
