

The Ken-Ton School District

FAMILY SUPPORT CENTER

Students &
families need
your help!

Every year, the Family Support Center helps hundreds of Ken-Ton families address non-academic barriers to student learning.

For many families, transportation challenges make it difficult to take advantage of the resources available at the Family Support Center. But you can help!

PLEASE CONSIDER DESIGNATING SOME OR ALL OF YOUR UNITED WAY PLEDGE TO THE KEN-TON FAMILY SUPPORT CENTER.

Your donations allow the Family Support Center to arrange transportation to and from counseling appointments for families who need it, re-stock the food cupboard, and purchase supplies for children and family group work.

Please email jcerra@ktufsd.org for more information.
