

Are you interested in playing a high school sport this Fall?

All current 6th and 7th graders interested in competing at the high school level in the Fall of 2016 must follow the **NYSED ATHLETIC PLACEMENT PROCESS (APP)** (formerly known as the Selection Classification Process)

The New York State Education Department voted to revise the Selection Classification program in September, 2015.

The biggest differences?

OUT are the broad jump, 1.5 mile run, arm hang and the 50 yd. dash. The test will now include; sit-ups, shuttle run, 1 mile run, pull-ups, sit & reach (flexibility).

To pass the Fitness Component

Students must attain 85th percentile (from national norms for their age) in 4 of 5 tests.

The **tanner level** has been revised as well. In short, previously the highest tanner level student-athlete's needed to reach was a #4.

SED has now created a Tanner #5; to play at the varsity level a Tanner Level of #5 is now required in 17 boy's sports and 17 girl's sports.

*And a third change is that SED will **NO LONGER** consider any appeals.*
