

Announcements for Wednesday, May 25, 2016 – Day 1

Any girl interested in playing JV field hockey next fall please see Mr. Badgley or Mrs Wolf-Rochford.

NJHS-there will be an NJHS meeting today at 3:30 in the gym. Please see Mrs. Wolf if you have any questions. Permission slips for our last trip to Schofield to play Bingo will be available by Friday outside of the girls locker room. The trip will be June 16. See Mrs. Wolf with any questions.

NJHS members should be turning in their service hours sheets. All sheets should be turned in by June 6th.

History of Skateboarding Club - Mr. McPhail will be running a short but fun club for the remainder of our days here at KMS. It's fitting seeing that he attended school here at KMS when he first started skating. You DO NOT have to be a skater to join skateboard club. Club is open to anybody wanting to start or who has an interested in learning more about skateboarding. We will meet Thursdays in room 311.

There will be no GSA meeting today.

Today begins the NYS Science 8 Performance Assessment for Mr. Krysty and Mrs. Redd's groups in room 331.

Any student NOT taking the test should plan to bring a book to read to their REGULAR Science classroom for the period they normally have Science. Reading quietly is the only allowable alternate activity during NYS Assessments for those students who are opting out.
