Dear Parents and Students,

In September 2016, your son or daughter will be entering Kenmore East High School. In an effort to facilitate a smooth transition next fall, we would like to provide you with important information regarding program planning and showcase the multiple learning opportunities and programs at Kenmore East.

The Kenmore East Administrators and Counselors cordially invite you and your child to an evening orientation program on **Monday November 9, 2015** from **6:30-9:00p.m.**, beginning in the Kenmore East Auditorium.

Please note that this event has been moved from January 6, 2016 to November 9th, 2015.

Our program will include an overview of the high school curriculum including elective areas as well as graduation requirements and multiple pathways to success. There will be time in the evening to meet in small groups with teachers from each curricular area and the counselors who will be working with your son or daughter for the next five years.
