

Welcome to a new year on Team 9!

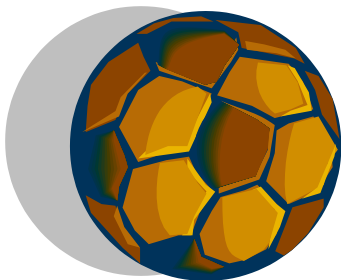

Summer 2014

Dear Students,

I hope that you are having a great summer! We have a lot of neat activities planned for the year so come back to school all charged up and ready to work. I am sure that we will have an awesome year!

One way to start the year off right is to come to school on the first day with all of your supplies. Here is a list of what you'll need:

- * One and one half inch wide binder with metal rings and a pocket inside the front cover
- * wide lined filler paper
- * zippered pencil pouch
- * 8 dividers without pockets
- * 10 sharpened pencils
- * erasers
- * box of colored pencils
- * 70 page spiral notebook

Thank you and I'll see you in September!
Sincerely,
Mr. LaVigne
