Kenmore Town of Tonawanda UFSD

<u>At-Home COVID Test Result Verification</u>

In addition to completing the online link for reporting at-home COVID test results to Erie County Health Department, parents/guardians **must** complete this attestation form

Student:_____ Date of Birth:_____

Type or Brand of At-Home COVID test used: _____

Date test completed: _____ time: _____

Result (check one):   _____NEGATIVE   ____POSITIVE

Send a photo of the actual test result via email to the school nurse:
 {insert school nurse email here}

If test results are negative, students may return to school if symptoms are improving and no fever for 24 hours without the use of fever-reducing medication.

If test results are positive, students must stay home for 5 days, and must wear a mask at school if they are well enough to return on days 6 through 10.
