October 26, 2022

Dear Hoover Dragon Families:

With Halloween dress-up day on Monday, October 31, it is important that you note this message regarding your child's Halloween costume (if they choose to dress up).

While we annually invite all students and staff to dress up if they so choose, we have some special guidelines for all to follow to maintain a safe school environment that is conducive to learning. We are asking that all students and staff members refrain from wearing any costume that does not comply with the District Dress Code, i.e. inappropriate/denigrating messages, revealing clothing, etc.

Additionally, any props such as weapons (real or fake), full-face masks (anything that covers the face, making the student unrecognizable) are prohibited.

We look forward to enjoying the day with anyone who chooses to participate in a safe, respectful manner.

Thank you in advance for supporting our efforts!

Sincerely,

Miss Elaine M. Thomas
Principal
