WHAT: The Music Educator Award recognizes current educators who have made a significant and lasting contribution to the music education field and demonstrate a commitment to the broader cause of maintaining music education in the schools. The recipient will be recognized during GRAMMY® Week 2023.

The award is open to current U.S. music teachers, and anyone can nominate a teacher — students, parents, friends, colleagues, community members, school deans, and administrators.

Teachers are also able to nominate themselves, and nominated teachers are notified and invited to fill out an application.

Each year, one recipient is selected from 10 finalists and recognized for their remarkable impact on students' lives. They will receive a \$10,000 honorarium and matching grant for their school's

music program. The nine additional finalists will receive a \$1,000 honorarium and matching grants. The remaining 15 semifinalists will receive a \$500 honorarium with matching school grants.

The matching grants provided to the schools are made possible by the generosity and support of the GRAMMY Museum's Education Champion **Ford Motor Company Fund**. In addition, the American Choral Directors Association, National Association for Music Education, NAMM Foundation, and National Education Association support this program through outreach to their constituencies.

WHEN: The **recipient** will be announced during **GRAMMY Week**. For more information, please visit www.grammymusicteacher.com.
