1	We need to see equity on the athletic fields between the high schools as there is huge disparity. One high school has state of the art fields that were suppose to be shared and the other high school has programs with no playing fields at all. This is not what I voted for and am very disappointed.	5/21/2019 9:00 PM

58	i grew up in the KenTon district, moved away for 19 years. My son attended other schools for awhile. When my husband left the military and we returned to WNY, the KenTon district was where I wanted my son to have his his education. To this day, i still feel that our children and my grandchildren, receive the individual, social and current educational needs that they require to prepare them for their future desires. both my so and I have loved the careers we chose and I believe it was the teachers and activities offered through Kenmore West that helped us active those dreams. I will always vote YES for the school budgets!	5/21/2019 2:33 PM
