**Part II:
Essay Question
'The Treaty of
Versailles'
40 points**

Identify **6 Clauses from the Treaty of Versailles** (Yes, numbers help). Once selected, you must Describe each clause with depth 2-3 sentences. World War II is a history course in which you need to write the facts. Save the 'fluff' and opinions for other courses.

Once you Identify and Describe 6 clauses explain in a **Minimum of 5 sentences** how this Treaty will impact the Political, Economic, and Social structures within Germany which would lead to one **Adolph Hitler** to assume power.

(Bonus) Upon taking power in **1934 Hitler** assessed the **Situation in Europe**. In your own words Discuss **Hitler's Economic, Geographic, Military, Population, and Social problems** and how he addressed the problems stated above in order to reach his Goals of making the **3rd Reich** or German Empire last 1000 years, gaining **Lebensraum**, and removing the unwanted from his boundaries once Hitler would assume power in **Germany**.
