

The House of My Dreams - An Introduction

You will describe the house of your dreams. If you had a lot of money, what would your home look like? Describe your Dream House "La Casa de Mis Sueños."

Create a **PowerPoint** presentation to describe your dream home. **Do not write sentences on your slides with exception of the first slide.** You may have several words on your slides that go along with your images. You may refer to your slides when presenting but may not bring any other papers with you. The presentation must include at least **6 slides**.

First slide:

- If I had (Si tuviera) a lot of money, I would build / buy / have (conditional tense) my dream house.
- In what city / country what would it be? My Dream House would be (conditional tense) in _____)
- The exterior of the house - the architectural style (colonial, victoriano, tudor, rústico y moderno ...) and building materials (The architectural style of my house would be _____ and it would be made of bricks (brick ... wood, stone).
- How much would the house cost? Give the price in dollars and euros.
- What is the size of your home? Give it in m² (square meters) and ft.² (square feet).

Second slide: You will have to memorize what you are going to say, use key words on your slide to help you. What would your yard be like? Would you have a terrace, pool, basketball court...? What would you do there?

3rd to 5th slide: You will have to memorize what you are going to say, use key words on your slide to help you. How many rooms would there be in your house? (There would be 20 rooms: 5 bedrooms, 4 bathrooms, a kitchen, a living room, a movie theater ... Be creative! Give any extra explanation about the rooms.

6th slide: Select a room and give a detailed description. (furniture, colors, floor ...) This might be your favorite room of the house!

YOU MAY ONLY HAVE KEY WORDS ON THE SLIDES! You must have pictures and images for each slide. Also you must use a variety of conditional verbs during the presentation, of course. You must say at least two sentences for each slide. You will have 4 days in the computer lab Rm.322. (Jan. 21, 22, 23, 24) 1 of the 4 days in the computer lab is to be used for writing the composition.
