

Comprehensive School Counseling Plan (CSCP)

"Today's school counselors are vital members of the education team. They help all students in the areas of academic achievement, personal/social development and career development, ensuring today's students become the productive, well-adjusted adults of tomorrow. Learn more about the school counselor's role."

American School Counselor Association

What is a Comprehensive School Counseling Plan?

- ❖ Based on ASCA (American School Counselor Association) National Model
- ❖ Aligns with NYSED (new recommendations are currently in front of the Board of Regents)
- ❖ Helps to evaluate programming through the use of data

The old question was ...

“What do School Counselors do?”

The new question is...

How do students benefit and grow from the school counseling program?”
