CURRICULUM OFFICE

Our commitment to education

We believe the best way to help students gain new perspectives and build skills for the future is through experiential learning.

Accreditation

EF is accredited, just like your school, and recognized by the following regional, national and international organizations: Middle States Association of Colleges and Schools (MSA-CES); Western Association of Schools and Colleges (WASC); Southern Association of Colleges and Schools (SACS-CASI); North Central Association (NCA-CASI); National Council for Private Schools Accreditation (NCPSA); and Accreditation International (AI).

A standard of excellence

Our educational travel programs bring to life the knowledge and skills that are called for in many education initiatives, including:

- Partnership for 21st Century Skills (P21)
- International Baccalaureate – PYP, MYP, Diploma, IBCC
- Common Core State Standards for English Language Arts and Literacy in History/Social Studies, Science and Technical Subjects
- Global Competence Criteria—defined by the Asia Society and Council of Chief State School Officers
- Global Connection Standards in the National Curriculum Standards for Social Studies
- Culture and Connections Standards in the Standards for Foreign Language Learning
- Standards of Professional Learning—defined by Learning Forward

weShare, a more engaging learning experience

Students learn on a deeper level when their lessons connect to their own lives. Our weShare platform makes sure that happens on tour. It taps into each student's strengths and passions, helping them put a more personal lens on their experience. Their post-tour presentations and videos give them a chance to reflect on and share what they've learned, and even earn high school or college credit.

Earning credit

Students can earn credit by traveling on an EF tour and completing required coursework. We offer choices, so you can find the credit option that best fits you and your students' needs.

- Students in grades 7-12 can earn elective credit for completing assignments before, during and after their EF tour, setting themselves apart from other college applicants.
- Students can earn college credit through our partnerships with accredited universities.

Accredited by:

Our commitment to safety

Our demonstrated commitment to safety and risk management is proven with our preventative procedures and extensive measures taken to ensure each traveler's safety.

Worldwide presence

As the largest international student travel organization, we have 500 schools and offices in more than 50 countries worldwide. With 37,000 EF staff and teachers around the globe, we're accessible wherever and whenever you need us.

Global Liability Insurance Plan

- All EF Group Leaders are covered for the duration of their EF educational tour.
- EF's Commercial General Liability Insurance is provided by nationally recognized insurance companies with A.M. Best Ratings of A-.
- Group Leaders and their schools are covered by our \$50 million liability policy and customer payments are protected by a \$1 million customer protection plan.
- EF's Global Liability Insurance Plan allows for schools and districts to be added to the policy by written agreement. EF can provide a certificate of insurance that details coverage.

Global Travel Protection Plan

Designed specifically with EF travelers in mind, teachers may add this comprehensive and affordable protection plan to their tours.

EF's Peace of Mind Program

At EF, we understand that plans can change due to unforeseen circumstances. EF's exclusive Peace of Mind Program ensures:

- Teachers can work with EF Educational Tours to change their tour's travel dates, modify their tour plans, find an all-new tour or cancel their tour up until 45 days prior to departure. When canceling in this time period, all travelers will receive a transferable travel voucher.
- With 44 days or less left until departure, teachers may still choose any of the above options if a formal Travel Warning is issued by the US Department of State for any country on your itinerary.

Highly respected in the industry by:

We'll handle the details

As your educational travel partner, we work with teachers, students and parents to ensure a seamless experience—before, during and after tour. In other words, we're with you every step of the way.

BEFORE TOUR

Support Team and resources

Dedicated Tour Consultants guide teachers through the planning process, while Local Representatives from your area work face-to-face to provide support. We give teachers their own personal tour website with helpful tools to share tour information, manage deadlines and more. In addition to online resources, we also provide an array of printed materials for teacher, students and parents.

International Training Tours

Ensuring teachers are fully prepared to lead an EF tour is our commitment to your school community. Through our blended learning model, all first-time EF Group Leaders receive complimentary international training. Conducted by EF personnel and experienced EF Group Leaders, the program includes online, classroom and experiential learning components. In the event a Group Leader cannot attend one of these complimentary tours, we offer live webinars to prepare them and answer questions before they travel.

Traveler account management

Our knowledgeable and friendly Customer Service Representatives help travelers and their parents with all billing transactions, protection plans and tour activity questions. We also offer flexible and convenient payment options that allow parents to choose when—and how—they want to pay.

WHILE ON TOUR

Everything is included

This all-inclusive global experience makes it easy for teachers and students to explore the world. From flights and hotels to most meals and experiential activities, we take care of every detail so travelers can focus on the experience.

Guided travel

A personal bilingual Tour Director stays with your group 24/7. They handle every on-tour detail to ensure a smooth travel experience while also providing unique local insight. Expert local guides, meanwhile, share their knowledge of history, art, architecture and more during guided tours.

AFTER TOUR

Program development

We'll work with you to build a travel program at your school so even more students have the opportunity to experience the world.

Cinque Terre

Anyone can see the world.

YOU'RE GOING TO EXPERIENCE IT.

As you can see, your EF tour includes visits to the places you've learned about in school. That's a given. But it's so much more than that. Immersing yourself in new cultures—surrounded by the people, the language, the food, the way of life—creates inspirational moments that can't be listed in an itinerary. They can only be experienced.

And the experience begins long before you get your passport stamped and meet your **Tour Director** in your arrival city. It begins the moment you decide to go. Whether it's connecting with other travelers on Facebook, Twitter or Instagram, or delving deeper into your destinations with our online learning platform, **weShare**, the excitement will hit you long before you pack your suitcase.

When your group arrives abroad, everything is taken care of so you can relax and enjoy the experience. Your full-time Tour Director is with your group around the clock, handling local transportation, hotels and meals while also providing their own insight into the local history and culture. **Expert local guides** will lead your group on sightseeing tours, providing detailed views of history, art, architecture or anything you may have a question about.

When your journey is over and you're unpacking your suitcase at home, you'll realize the benefits of your life-changing experience do not end. They have just begun.
