May 27, 2020

Dear Big Picture Families:

It is hard to believe that high school is coming to an end for your child. This is a time for celebration to acknowledge their hard work and perseverance. Unfortunately, we will not be able to do that together this year. We have put together a plan to help us celebrate in a different way that still honors our Big Picture traditions.

This year will include three components that we hope will honor our graduates appropriately and safely. Below you will find the details for each component of our graduation ceremony:

- On June 16, 2020 at 5:00 PM the Big Picture Graduation video will be posted on YouTube for students and families to watch. We post the link to the video that day on our web page (www.ktufsd.org/BP). This video will include:
 - Mr. Kruger's address to the graduates.
 - Mr. Bovino's address to the graduates.
 - Ms. Pritchard's address to the graduates.
 - The presentation of the Student of Distinction and Founding Father's Award.
 - A video montage of the graduates.
- On June 16, 2020 at 6:00 PM the Big Picture staff will begin delivering certificates to graduates using proper social distancing practices.
- On June 16, 2020 at 8:00 PM the Big Picture graduates are invited to a live video conference wearing their caps and tassels to officially confer their graduation and move their tassels.

Official diplomas will be available in late-June/early-July from Kenmore East and Kenmore West. We will communicate the procedure for diploma pick-up with students and families directly as soon as we know them.

Thank you for all of your help and support during this time.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kevin Kruger", with a long, sweeping underline.

Kevin Kruger, Principal
