Summer Session 2019 Application

Your Child must be invited to apply by your Elementary Principal

Dear Parents,

Your child has been recommended to participate in the district's "Summer Session" reading and writing improvement program for elementary students. Fifteen students from each grade level, at each elementary school, will be selected to participate in the summer session. Students are selected to participate based on their classwork, reading levels, and progress monitoring assessments. This program provides students the opportunity to improve reading and writing skills with hands-on-learning activities as they read, research, write, and illustrate a book on an interesting science, animal or sports topic.

The program dates for summer session are July 8, 2019 to August 1, 2019. Each daily session runs from 8:35 am to 11:35 am. The program runs four days per week (Monday, Tuesday, Wednesday, and Thursday) for four weeks (a total of 16 sessions). Students are strongly encouraged to attend all scheduled days to maximize their opportunities to make academic progress.

The program will be housed at Holmes Elementary which is located at 365 Dupont Avenue, Tonawanda, NY 14150. Bus transportation will be available between home and school for all students.

The summer session is designed to be both enjoyable and engaging, insuring that our children continue to develop their love for learning. Please complete the attached registration page and return to your child's teacher immediately. We will then be in contact with additional information after receiving your form.

Sincerely,

David W.King
Summer Session Principal
