

June 3, 2019

Dear Parent/Guardian,

The Ken-Ton School District is committed to providing the best educational opportunity for your child. After weighing all of the factors, it is our belief that some students will have a better chance for future success if they are given an extended opportunity to master the knowledge and skills needed to advance to the next grade. This summer we are excited to be able to offer a **Skill Building Program** for our current students. This program is designed to ensure students are as prepared as possible for success in their next grade level.

Students will work to increase their mastery of grade level standards in Literacy and Numeracy through appropriate hands-on applications and/or programs and coursework that is in alignment with the Common Core Learning Standards.

We strongly believe that your child will benefit from participating in this program. We feel your child will be more likely to experience success at the next grade level after attending the Summer Skill Building Program.

Please follow the directions below to register your child. Any student who lives more than .75 miles from Hoover Middle School will be eligible for transportation. Please make sure you indicate on your registration that you will be using the district's transportation. ***The deadline for applying for transportation is June 26th.***

Breakfast will also be made available to students participating in the Summer Skill Building Program. The cost is \$1.25. Reduced breakfast cost is \$0.25 or free to those who qualify.

To register for Summer School...

Please register your child now by completing the online registration form, which can be found on the District Website at www.ktufsd.org/summerschool, or by returning the attached form to your students home schools' counseling office. ***Registrations must be submitted by June 26th.***

You may refer to the enclosed Ken-Ton Middle Summer School brochure for further information. You may also contact your child's counselor for assistance.

Thank you for your partnership in your child's education.

Sincerely,

Michael B. Haggerty

Michael B. Haggerty, Principal
