FINANCE OFFICE

Dear Friends,

We are writing today to ask for your assistance. We are committed to providing the best services to our community possible and to achieve this we train tirelessly to prepare for a variety of emergencies.

We are currently looking to host a New York State training course on school bus rescue. In order to host this class we need at least two buses. We are hoping you can help us by donating buses for use in this class. The class will benefit firefighters and communities throughout Erie county.

Any and all assistance is appreciated and we thank you for the support.

Sincerely,
