Kenmore East Indoor Track & Field trip to Cornell
1/5/18-1/6/18
Introductory letter

We would like to take some members of the Kenmore East Indoor Track and Field team to the WATTS Open/High School Meet at Youngstown State University. The meet will be held at the Watson and Tressel Training Site (WATTS) on the Youngstown State campus on Saturday, January 6th.

We feel the site and the competition would offer a unique opportunity to our student athletes. The meet offers competition against many schools our athletes do not get to compete against on a normal basis. They would get an opportunity to compete against some of the better athletes in Ohio and Pennsylvania.

We would leave Kenmore East after school on Friday, January 5th and travel to Youngstown. Upon arrival, we would check into our motel and then eat dinner at a local restaurant. The next morning we would eat breakfast and travel to the campus for the meet (the meet starts at 10:00 am). Upon the completion of the meet, we would return to Kenmore East.

Cost to students:

Our plan is to use district transportation to and from the meet. Students would need to pay for their room and their meals: dinner on Friday night, lunch on Saturday, and dinner on the ride home. Students may want to purchase a souvenir at Youngstown State. At this time, we are negotiating with hotels and Saturday breakfast may be included. A more specific itinerary will follow. We plan to do some fundraising to alleviate the costs for all involved.

Student-athletes will be expected to abide by school rules as outlined in the agenda as well as Indoor Track team guidelines. Any disciplinary issues will be reported to the school administration and dealt with at Kenmore East. Student must sign the agreement below that they agree to follow district rules and policies.

Parents, please indicate your permission for your daughter/son to travel to Ithaca with the coaches to compete in the WATTS Open/High School Meet:

I give permission to my daughter or son to travel to and compete in the WATTS Open/High School Meet with the Kenmore East Indoor Track & Field team.
