In what ways does the textbook align with the New York State Learning Standards and District curriculum?

This text is designed to guide students through the IB Visual Arts Course and Assessments. It is aligned with the IB Visual Arts curriculum to help students develop their Comparative Studies, Process Portfolio’s, and Exhibition by giving them strategies to: research, develop ideas, learn to experiment with and master art medium, critically analyze artworks, understand the function and purpose of artworks, connect cultural context to the motivations and intentions of artists, and give students a personal voice in criticizing, finding meaning, and creating art. All of the aforementioned align with the New York State Learning Standards.
