Spirit Week

Big Picture Students Show Their School Spirit

Students in the Big Picture Program had the opportunity to show their school spirit by participating in a Spirit Week! Each day this past week, students were able to dress in different ways as part of the Spirit Week. Each day had a different theme including Crazy Socks Day, Superhero Day, Sportswear Day, Hat Day and Big Picture Day. Students had fun throughout the week wearing fun and interesting clothes as part of the theme for the day.

We ended the week with Big Picture Day with students and teachers dressed in their Big Picture attire or colors. Pictured above from left to right is Michelle Phillips (organizer of the Spirit Week), Matt Chimera, Kevin Kruger, Lincoln Law, Chris Watson (kneeling), Drake Heckmann, Gabriella Cavalleri, and Alivia Stump.

We had a fun week that allowed the students to come together in another way as part of our ongoing efforts to build relationships and community!

401 Student Visit NCCC

The 401 students took a trip to Niagara County Community College on Friday to learn more about what the college has to offer. The visit included a tour of the campus, an informational talk about the school and lunch on campus.

The 401 students were praised by the college tour guide as one of the best groups they have ever had visit the college. One specific compliment was how attentive the Big Picture students were throughout the visit as none of the students were using their cell phones! Great job, 401s, for being respectful during your visit!
