Big Picture Students Volunteer

The Ken-Ton Closet was in need of help this fall preparing clothes for the colder weather that will inevitably be here. The students of Big Picture answered the call willingly to volunteer their time to help up this great cause! Students from the 401 and 001 Advisories took time to head over to the Closet and lend a hand. The students worked for about 3 hours on two different days to help prepare the inventory for the Ken-Ton Closet. This changeover in inventory will benefit the community that comes to the Closet to help take care of the family needs. We are so proud of our students for taking the time to be helpful and give back to the community!
