For Science Courses:

Only students who **failed the Regents exam** for Earth Science or Living Environment **but passed the class** may enroll in the Exam Review Course.

Students who **have not previously taken the Regents exam** must attend the Remedial Course.

Chemistry Lab is not available during summer school.

**APPROVAL
S**

I hereby certify that the student named is qualified to study the subjects requested. The student has a copy of his/her final report card and will show it to his/her summer school teachers.

(Signature of Home School Counselor or Administrator)

Home School:
Kenmore East _____ Kenmore West _____

Other _____ (please specify)

ATTENDANCE POLICY

Students must be on time and carry their home school I.D. while in attendance at summer school.

Students who miss more than 3 classes of instructional time will be denied credit for that course. Any student who is tardy for a summer class by more than 10 minutes will be charged with a 1/2 day absence.

Summer School does not distinguish between excused and unexcused absences.

CONDUCT

Standards in academics and behavior during the summer are governed by Ken-Ton School District Policy and are identical to those enforced during the regular school year. Each student is expected to demonstrate the self-discipline and positive attitude necessary to succeed. Students can and will be suspended by a summer school administrator for serious infractions of the district's student Code of Conduct.

EFFORT

Students are expected to participate in class, take notes, complete assignments, and prepare for quizzes and tests. Students whose effort in summer school is unsatisfactory can expect difficulty understanding course material, lower grades, and in extreme cases a loss of academic credit for the course.

ACADEMIC INFORMATION

Remedial Courses

Remedial courses are 123 minutes in length each day and are for students who have previously taken and failed a course. Students course failure grade will count towards 10% of their Summer School grade.

Exam Review Courses

Three-week Regents review, or "Exam Review Courses," are designed for students who have already taken a Regents exam and are preparing to retake the Regents exam in August. Exam Review Courses are available only to students who have previously taken that Regents course. Exam Review Courses begin on Monday, July 30 and end on Tuesday, August 15. Students will take the required Regents exam during the scheduled exam time.

"New" Courses

1/2 credit new courses are 123 minutes in length daily. These courses are for those students who have not yet taken the course.

Regents Examination Only

Students must receive remediation prior to re-taking any Regents examination.

GENERAL INFORMATION

Report Cards

Report Cards are issued twice during summer school, once in late July and again at the end of the summer school term. Report cards are mailed by the district technology center directly to students' parents or guardians.

Transportation

Transportation to and from summer school may be provided based on proximity of student to the designated building. Interested students should check yes on the application form. There will be two bus runs; one with a morning drop off at Kenmore West at 8:00 am and an afternoon pickup at Kenmore West at 12:20 pm

Bicycles and Skateboards

Bicycles and skateboards are not allowed inside the school building for any reason. Students should always lock their bicycles in the bike racks provided in front of and behind the building. The school is not responsible for bicycles left on campus.

Library

Students are encouraged to use the library for research, studying, or borrowing. The library is open during regular summer school hours.

Breakfast

Breakfast will be available Monday-Thursday,

Lunch

The summer school does not maintain a cafeteria or any facility for lunch. Water and juice vending machines are available.

Lockers

Lockers are not available for use by summer school students.

Medical Assistance

School Nurse Hours 8 am - 12 noon, Monday-Thursday

Cell Phones

Cell phones should be turned off during class.

SUMMER SCHOOL PROGRAM

The Kenmore-Town of Tonawanda Summer School Program is an opportunity for students to retake courses which they failed or were unable to take during the regular school year. The majority of courses are offered on a review or remedial basis. The Summer School Program is only available to district residents.

The Ken-Ton School District is registered by the New York State Education Department. Credits earned in summer school may be applied towards a high school diploma.

REGISTRATION DATES

June 1 – June 22: Students may pre-register for summer school in the Counseling Centers of Kenmore East or Kenmore West High School. Please contact your home school's Counseling Center for an appointment. Appointments are available during the regular school day.

Thursday June 21: Grades are posted for Ken-Ton High School students on Infinite Campus.

June 25 - June 27: 8:00 until 11:30 AM in their home school.

June 28: Walk in registration at Kenmore West, 8:00– 11:30 AM.

REQUIRED for Registration

Students without the appropriate documents will not be allowed to register for Summer School. To register, students must have the following:

- **Final report card or progress report from the home school. Completed registration card (attached) signed by the home school counselor or administrator.**
- **Students registering for Earth Science, Living Environment or Chemistry must provide proof of 1200 minutes of completed laboratory activities.**
- **Students attending private schools must provide two (2) proofs of district residency at the time of registration.**
