Dear Incoming Kenmore East Bulldogs and Families,

Hello and welcome to Kenmore East High School! We are very excited to welcome our new students, including our eighth grade students, for the 2021-2022 school year. We hope to see all parents and new students at the **Parent and New Student Meeting and Locker Move-In on Monday, August 30, from 6:30-8:30 p.m.** We would also like to invite any students who were fully virtual for the 2020-2021 school year who would like to join us for tours.

We are proud that Kenmore East is part of a multi-national high school transition program, Link Crew, which welcomes all new students, helping them to feel comfortable and connected throughout the first year of their high school experience. Link Crew is based upon the belief that students can help students succeed. The foundation of Link Crew began with the training of a group of Kenmore East upperclassmen as Link Crew Leaders. These leaders were hand selected from a large pool of applicants, and met the qualifications of being good role models and positive leaders on our campus.

Please stay tuned to our school and district website, as well as messages from our Superintendent, for information on masking or other COVID related protocols as we get closer to the end of August.

Mark your calendars for the events listed below. **Please note that these events are for all incoming 8th graders, as well as transfer, new students, and anyone who was fully virtual for 2020-2021!**
