Dear Bulldog Families,

I am honored to introduce myself to you as the Kenmore East High School Principal. My identity as a Kenmore East Bulldog runs deep and began when I was a student at KE. I also taught social studies here for many years and was an assistant principal not too long ago. I am now coming home to Kenmore East as we will continue to do great work for you, your children, and our community.

We are ready to start another wonderful year here at Kenmore East. Listed below you will find some information that we hope you find useful.

We are very excited to be offering our annual open house next month and I am truly looking forward to meeting you. I would also encourage you to take an opportunity to join our Parent Teacher Student Association (PTSA) or become involved in a committee, event, or even a sports booster club if possible. I look forward to seeing you at the many events that we have this year.

Thank you so much for your kind welcome. I look forward to serving you and your children in support of their success at Kenmore East. Go Bulldogs!

Trevor Brown

Principal, Kenmore East High School
