August 2023

Dear Bulldog Families,

Welcome back to a new school year! I hope you have had a restful and enjoyable summer. Our faculty, staff, and administrators are looking forward to seeing students very soon. This year, we will work to uphold our tradition of Excellence at KE and focus on continuing to make our school community a great place to be. As we look forward to a great year, please see below for everything you need to know as we get started.

Go Bulldogs!

Trevor Brown

Principal, Kenmore East High School

Student Schedules/Counseling Center

Schedules are now available on Infinite Campus. It can be accessed using their web access or phone app. If you need help accessing Infinite Campus see the links below.

Students should look for an email from the counselors with specific information. If there is an error in your schedule, students will be directed to fill out a Google form. There will be no schedule changes for teacher requests, lunch periods or requests to drop/add courses.

BOCES classes will start on September 5th.

Technology

Welcome to Canvas LMS! This year, all student's classes in grades 8-12 will transition to the Canvas Learning Management System (LMS). Canvas will be your one-stop shop for viewing your student's progress and assignments, streamlining communication about coursework, and extending learning beyond the school day. To gain access to Canvas, you must already have an Infinite Campus Portal account. Your username will be the same for Infinite Campus and Canvas. Directions on how to access Canvas and set up the Canvas Parent Mobile App are available on our [district website](#) or by scanning the QR code to the right. A brief Canvas presentation and opportunity to ask questions will also be available at New Student Orientation.

School Safety

All visitors **must** enter the school through the Single Point of Entry (SPOE) which is Door 1 on Fries Rd.

- **The Raptor System and our visitor procedures will require all school visitors to provide a valid, government-issued ID.** This system is designed to better protect our students, staff and visitors.
- All visitors who are approved to enter the building during school hours will be issued a visitor pass, which must be displayed at all times while in the building.
- Upon completion of the visit, the visitor must check out with and exit the building through the SPOE.

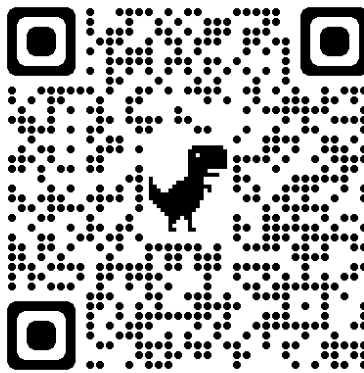

Please see our [Family Safety Brochure](#) for information about our protocols as well as what you can do before, during, and after emergency situations. Let's all work to keep Kenmore East safe and prepared!

Code of Conduct

Our District Code of Conduct can be found [here](#). More information can be located in our [Code of Conduct Information for Families](#) or [Code of Conduct Abbreviated Version for Students](#).

Survey

We want your feedback on the issues that matter to you. Please scan the QR Code below or go to <https://tinyurl.com/3kjsx3rz5> to sign up.

Please use the **school ID 869422** when prompted to join the school.

If you have children who attend different schools, you will have the option of adding other school's codes to your account using the + sign and "join another school."

Construction Updates

It was a light year for construction updates since we hosted summer school. The big news is that our library will soon be air conditioned. Summer of 2024 will be the time for some major updates, stay tuned in Spring for final details.

Please see these updates from our [Office of Accountability](#) which includes information on updating addresses, logging into Infinite Campus, bus information, and attendance.

Please see our district's [Back to School Toolkit](#) for other frequently asked questions including information about transportation, free and reduced lunches, and accessing Infinite Campus.
