Re: Creditable Coverage Disclosure Notification

Dear Health Plan Participant:

Please note this notice is intended for those individuals eligible for Medicare and pertains to the Creditable Coverage Disclosure Notification requirement for Medicare Part D.

Starting January 1, 2006, prescription drug coverage was made available to everyone with Medicare. Because you are enrolled in a plan that includes prescription drug coverage, Kenmore-Town of Tonawanda Schools is sending you this letter with an important **notification of your creditable coverage status**. **Please keep the enclosed Notification of Creditable Coverage** in a safe place. You may need to show proof of this status at a later date.

Medicare requires that Medicare eligible individuals be notified whether their current prescription coverage is as good as or better than the standard Medicare prescription drug coverage. This is important because joining a plan that is determined to be creditable coverage ensures that you will pay the lowest possible premium for your Medicare prescription drug coverage.

Although your prescription coverage is expected to be as good as or better than the standard Medicare prescription drug coverage, the enclosed notice includes information regarding the fact that you have the option to join a Medicare Advantage prescription drug plan.

Your Kenmore-Town of Tonawanda Schools prescription drug plan is a creditable coverage plan. Therefore, if you decide not to enroll in a Medicare Advantage prescription drug plan, you will not need to pay a penalty if in the future you decide to enroll in a Medicare Advantage prescription drug plan.

We encourage you to learn more about Medicare Part D by visiting www.medicare.gov.

Important Notice from Kenmore-Town of Tonawanda Schools About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Kenmore-Town of Tonawanda Schools and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. Kenmore-Town of Tonawanda Schools has determined that the prescription drug coverage offered by the Independent Health and Highmark BCBSWNY plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Kenmore-Town of Tonawanda Schools coverage will not be affected. Enclosed with this notice you will find a list of the Medicare Advantage plans offered through the Kenmore-Town of Tonawanda Schools. This list shows a brief description of each plan offered including the prescription co-pay structures offered. It should be further noted that all plans do not contain a donut hole.

If you do decide to join a Medicare drug plan and drop your current Kenmore-Town of Tonawanda Schools coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Kenmore-Town of Tonawanda Schools and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
