| What is the overall deductible? | In-Network: \$0 Out-of-Network: \$1,000 Individual / \$2,800 Family | Generally, you must pay all of the costs from providers up to the deductible amount before the plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible? | Yes | Preventive care. This plan covers items and services even if you haven't met the deductible amount. But a copayment or coinsurance may apply. |
| Are there other deductibles for specific services? | No | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan? | In-Network & Out-of-Network: \$5,000 Individual / \$10,000 Family Pharmacy: \$1,600 Individual / \$3,200 Family | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit? | Cost Containment Penalties, Premiums, Balance-billed Charges (unless balance billing is prohibited), health care services this plan doesn't cover | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider? | Yes. See www.independenthealth.com for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
