- Older siblings will meet younger siblings in the classrooms on their way to Door #3. This is a new routine for our children. We will have to make tweaks along the way.
- Staff members will ensure safety as children get into cars. Parents will be stopping and attending to child-seats. Please be patient and courteous!
- Running Late? If you've missed your time bucket, you can join the pickup line in at any Time. Running Very Late? Call the Office (874-8416) and we will dismiss your children from door #1 (flagpole) after busses leave.
- Our parking-lot pick up line is a courtesy. This danger-prone area needs your full attention. For safety our routines must be followed. Confrontation and disrespect will not be tolerated, and you will be asked to pick-up in another zone.
