

Springtime Reminders from the Principal

Parents and Guardians,

Students are reminded that to assure a positive and safe climate, Thomas Edison Elementary continues to follow the **Ken-Ton District Project SAVE School Conduct and Discipline Code.**

Student Appearance Code

1. **Appropriate soled footwear that does not pose a safety hazard must be worn at all times.**

(At the elementary level, particular consideration is made for footwear appropriate to the playground. Open-toed sandals, flip-flops and backless footwear can pose a safety hazard.)

2. **See-through and strapless garments are not to be worn.** Modest tanks are appropriate as long as the chest area is covered from the top of the armpit down. Midriffs are to be covered. Exposure of skin between the bottom of the shirt and the top of pants is prohibited

(At the elementary level, spaghetti straps on garments as well as tank tops for boys and girls should be avoided)

3. **Pants, shorts and skirts must be designed to be worn at waist level, and are to be worn as designed.** Undergarments must not be visible, and no visible writing, symbols, and/or emblems are to appear on the back-side.

4. **Pants, shorts, and skirts must be of a modest length**

(At the elementary level, We use a “finger length” reference: skirts should extend to finger-tips when hands are fully extended at sides).

Students in violation of the Student Appearance Code, at the discretion of school officials, will be required to cover, remove, or modify any inappropriate article, and if necessary or practical, replace it with an acceptable article of clothing.

Cell Phones / Electronic Devices

Cell Phones are not to be turned on during school hours (9:00am-3:30pm). Students should not be using or talking on phones during the school day. Operation of phones is hazardous when walking through halls and on the stairs. If a parent needs to contact a child, they should call the main office. Staff may confiscate phones that are used at inappropriate times or in a hazardous manner.

**Please call our office with questions
874-8416**
