Absences

Please contact the school's main office with all absences and medical excuses! When your child returns to school, please send in a written excuse for their absence.

ELA Curriculum: Scholastic Literacy

Reading & Writing Workshop

Read Alouds, Shared Close Readings
Phonics, Reading & Writing Micro Lessons, Independent
Reading & Writing, Conferring

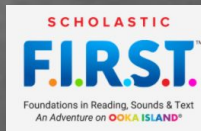

Small Groups

Guided Reading Groups
Flexible Groups
Strategy Groups

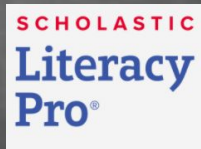

ELA Apps through Clever

F.I.R.S.T
(Ooka Island)
Interactive phonics program

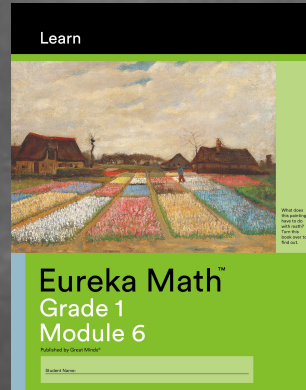

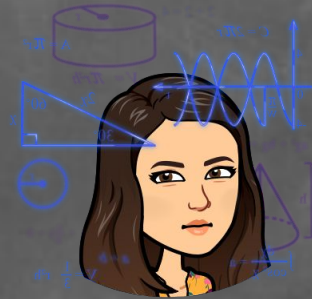

WORD
Designed to deepen vocabulary
knowledge and comprehension

Literacy Pro
Gives access to over 2,300 high
quality and engaging texts

Math Curriculum: Eureka

We will use Eureka Math as the framework for mathematics instruction. The Eureka Math *Succeed* journals have been sent home. Use for extra practice!

Math Apps through Clever

IXL

IXL is a personalized learning platform for mathematics practice independent of Eureka Math. Students can complete teacher assigned skills or explore recommended skills generated by IXL's diagnostic and adaptive software.

Zearn

Zearn provides independent digital lessons and activities as a companion to Eureka Math. Each independent digital lesson includes 4 parts: two digital fluency activities, an interactive video for learning new concepts, and a check for understanding.

Elementary Math Parent Resources

Check out *Parent Resources* on the KTUFSD Elementary Math Website. Access via the KTUFSD Home Page under Curriculum Departments.

Access the webpage directly at:

<https://sites.google.com/ktufsd.org/elementarymathematics/home>

Social Studies Curriculum

Savvas is our new Social Studies Program. We are excited to explore the following topics using technology as well as texts.

- My Family and Other Families, Now and Long Ago
- Individual Development and Cultural Identity
- Civic Ideals and Practices
- Geography, Humans, and the Environment
- Time, Continuity, and Change
- Economic Systems

Science Curriculum

We follow the NGSS-NYSSLS Standards
In Grade 1 we explore:

Physical Science: Light & Sound

Earth & Space Science: Patterns &
Cycles

Life Science: Plants/Animals &
biomimicry

Our Science Lab presents investigations.
In the classroom we support vocabulary and
concepts through books, videos and extra
opportunities.

Birthdays

In school, students will get a birthday book from their classmates!

Birthday Treats: You may send in store-bought/pre-packaged snacks for the class, or party favor bags, if you wish. We currently have 18 students.
