Gallery Visits

You will be required to visit (at least) one art gallery per 10 week marking period. At the end of each quarter I will collect this sheet from you. I feel it is absolutely essential that you learn:

1. where Buffalo's galleries are located,
2. the importance of supporting the arts,
3. to expose yourselves to fresh ideas and concepts,
4. and ultimately to expand your own work and ideas by seeing more shows.

Simply fill this out this sheet using full, descriptive sentences.
