

PARENTAL OPT-OUT OF THE YOUTH TRUTH SURVEY

The Kenmore-Tonawanda UFSD is taking part in the Youth Truth Survey. The survey will ask research-based surveys questions on the topics that matter most to student outcomes. The overall school experience questions ask about school climate and culture, as well as students' academic experience. We will include questions about Social-Emotional Health and Student Motivation as well.

The survey will be administered to students in grades 5-12 who attend Hoover Middle School, Franklin Middle School, Kenmore East High School, and Kenmore West High School. The survey will be administered during the regular school day between Monday February 4th 2019 and Friday February 15th 2019. We anticipate students will only need one instructional period to complete the survey. If, however, a student needs additional time she/he will continue to answer the survey questions and will be sent to their next class without penalty after the survey is completed.

Some parents and/or students might find certain questions to be sensitive. The survey has been designed to protect your child's privacy. **Students will never have the opportunity to put their names on the survey.** Also, it will not be possible to ever mention a student or class by name in the report of results. No action will be taken against you, or your child, if your child does not participate. Students can skip any question that they do not wish to answer. In addition, students may stop participating in the survey at any point without penalty.

More information about the survey, may be found at www.ktufsd.org/YouthTruth or at www.youthtruthsurvey.org
