DIE CUTS

The “dies” can be used to create letters, shapes, animals, or three dimensional objects.

- Can be used to personalize a classroom or work area.
- Die cuts can be laminated and can be written on with erasable markers.
- Die cuts can be used to create photo frames, bags, and puzzle pieces.
- KSDC has a portable unit which can be borrowed.

LAMINATOR

Laminators create barriers that protect paper products such as posters and pictures.

- KSDC has cold and hot laminators
- Cold laminator provides a heavier laminate which increases durability of materials which will be repeatedly used and/or written on.
