

# 2019 Hoover Middle 5th/6th Grade Intramural Basketball

Dear Parents/Guardians,

Starting Monday, March 25 and running through April 16, all 5th and 6th-grade girls are welcome to participate in our intramural basketball program.

The program will begin Monday, March 25 and continue every Monday and Tuesday through April 16. Practices are from 3:15-4:30 pm. I will do my best to get to Hoover Middle as close to 3 pm as possible. We will play two games, one at home (Hoover MS) and one at Franklin MS. The schedule can be found below.

The goal of the program is to introduce the girls to basic skills involved in the game of basketball. We will do skill work, footwork and various types of games. As a basketball coach in the Kenmore West program, I feel character and proper conduct on the court are extremely important values. I expect all players participating to behave properly and uphold these values. If not, they will be asked to leave.

If interested, please fill out the bottom portion of this form and return to me by (Monday, April 1). If you have any questions, I can be emailed at [kcatalano@lockportschools.net](mailto:kcatalano@lockportschools.net), or call/text me at (716) 418-2332.
