Will my 5-12 student have access to a Chromebook?

Based on the current return to school timeline, we anticipate that upon the return to hybrid instruction, grade 5-11 students will bring their chromebooks back and forth to school for instruction.

Students without an assigned district chromebook will be provided with a device on site upon their return to hybrid in our phase in plan.

This process is delayed for our Grade 12 students as devices should be ready a few weeks after the January 4th return date.

How do I access what cohort my child is in?

Under Documents -> Portal Schedule with Locker, the Group is listed at the bottom of the student's schedule:

The screenshot shows the Infinite Campus interface. On the left is a navigation menu with options: Message Center, Today, Calendar, Assignments, Grades, Grade Book Updates, Attendance, Schedule, Documents (highlighted in green), and More. The main content area is titled 'Documents' and features a 'School Year' dropdown menu set to '20-21'. Below this, there are three document entries: 'Schedule' (highlighted in yellow), 'Transcript', and 'Transcript 12th no gpa'. The 'Schedule' entry is expanded to show 'Portal Schedule with Locker' (highlighted in yellow) and '20-21 Kenmore West High School' with a right-pointing arrow.
