

# Printing your Works Cited

## Step # 1

The screenshot shows the NoodleBib Bibliography page in Microsoft Internet Explorer. The browser address bar shows the URL <http://www.noodletools.com/noodlebib/mybib.php>. The page title is "NoodleBib : Bibliography". The navigation menu includes "My Lists", "Bibliography", "Notecards", and "Help". The user is logged in as "odonn247" and is welcomed to the site. The main heading is "Works Cited". Below this, there is a "Cite a:" dropdown menu and a "Create Citation" button. A toolbar contains several options: "Print" (circled in red), "Save As Word Doc", "Share", "Email", and "Analysis". A "Sort:" dropdown menu is set to "Alphabetic". The main content area displays a table of works cited with columns for "Media Type", "Citation", and "Description".

Media Type	Citation	Description

At the bottom of the table, there is a section for actions: "Select one or more items and perform an action: Duplicate Delete Description: Select an attribute... Apply".

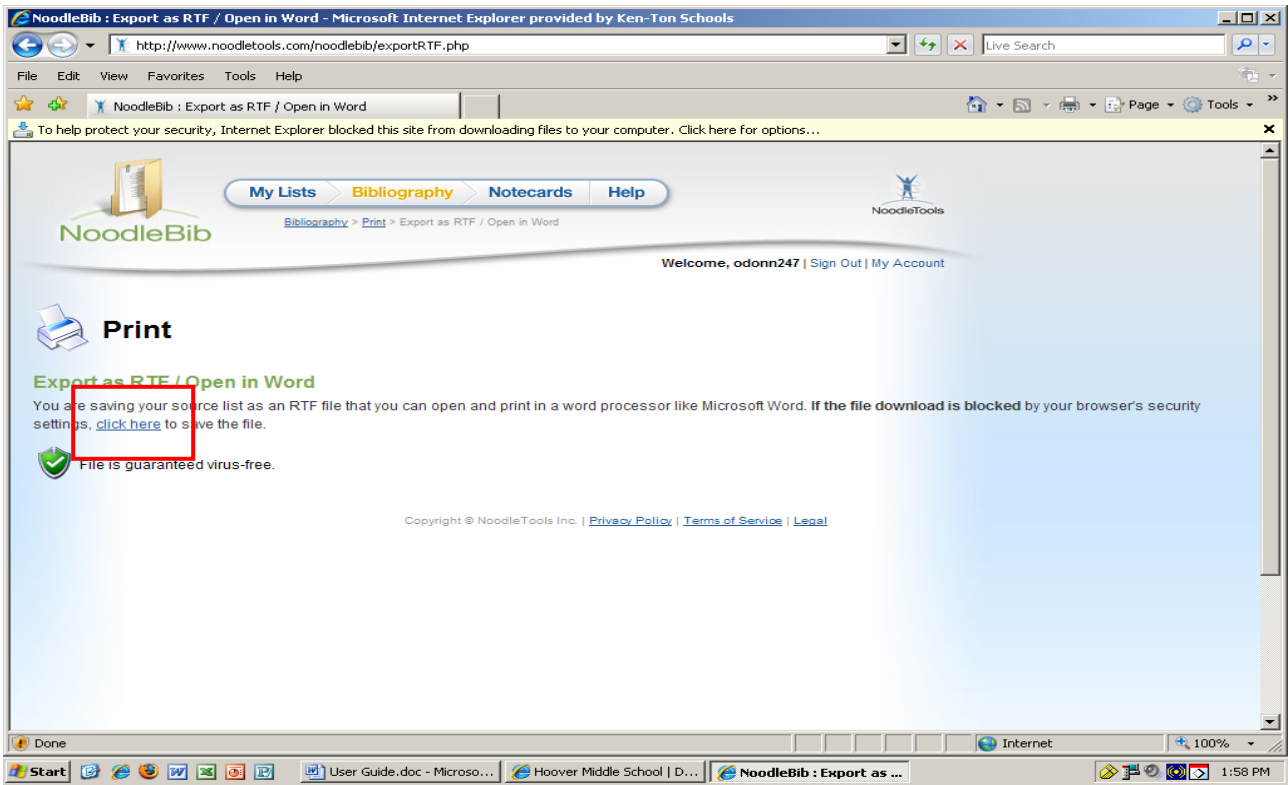

## Step # 2

The screenshot shows the NoodleBib Print page in Microsoft Internet Explorer. The browser address bar shows the URL <http://www.noodletools.com/noodlebib/print.php>. The page title is "NoodleBib : Print". The main heading is "Print". Below this, there is a "Formatting Options" section with a table of options and their current settings.

Option	Current Setting (click to edit)
List Title:	<a href="#">Works Cited</a>
Page Header:	<a href="#">None</a>
Italics/Underlining:	<a href="#">Underlining</a>
Annotation Spacing:	<a href="#">Annotation follows citation on the same line</a> (no extra space)
Include:	<a href="#">Citations and annotations</a>

Below the formatting options, there is a "Preview" section with a "Preview" button. Below that, there is an "Export and Print" section with an "Export and Print" button (circled in red). The page footer contains copyright information and links to "Privacy Policy", "Terms of Service", and "Legal".
