# Delaney Honored For A South Title

South Park coach Tim Delaney was named the Buffalo Bills / NY National Guard Coach of the Week after his Sparks beat West Seneca East 22-0 last weekend.

Entering the game, West Seneca East was the 13th-ranked Class A team in NYS while South Park was an Honorable Mention selection.

South Park opened the scoring in the second quarter when TJ Scott burst in from a yard out. A successful 2-point PAT gave South Park an 8-0 lead.

Late in the second quarter, another turnover led directly to a TD. Sparks' LB William Burgess hit the QB as he was trying to pass.

Austin Neal intercepted the pass and returned it 22 yards for a TD.

"That was huge," Delaney said. "We were expecting to go into the locker room up 8-0. It was just a huge turning point in the game."

In the third quarter, South Park QB Tyler Mascio threw a 25-yard TD pass to Brandon Jefferson giving the Sparks a 22-0 lead. The defense finished the shut out.

With the win, the Sparks clinched the A South Division championship for the first time since they joined Section 6 four seasons ago.

"I think the kids were very focused on winning the division," Delaney said. "There was a little bit of a different feel from the time we got on the bus until we kicked off. Everybody was a little more serious and focused."

Delaney says that his team played their best game of the season in the win over West Seneca East.

"We felt like we won the game in all phases," he said. "The kids were physical. If we play like that, we can play with anybody in our class."

This has been a difficult year for Delaney to get ready for. In March, he was informed that his team would be merging with Middle College for the upcoming football season.

Delaney was informed that his program was going to

be merging with Middle College High School, giving the Sparks an influx of new players to meet and work into the program. He also had to provide the South Park kids with a solid off-season program.

"We have a really good group of guys this year," he said. "They want to win. They are good football players and they put in the time and the effort to get better."

Delaney had solid attendance at his team's off-season functions - from both schools.

"These kids did the 7-on-7 tournament," he said, "they were in the weight room and went to the summer camps.

When the new kids came in, they saw the commitment from the South Park kids. They understood that we were serious about winning football games."

Delaney is hoping that the Sparks have started a new winning tradition at South Park.

"I think this is the start of something great," he said, "but it's been a long time coming. It's taken a lot of work from a lot of people.

Delaney was named the South Park the head coach before the 2008 season.

South Park had

lost 18 consecutive games and had scored all of 12 points in 2007.

"It was tough," he said. "We had minimal resources. I had one assistant that I didn't get to choose. At the time, I had no idea how much work being a head coach is. I had to find people that were willing to commit time and energy to these kids for no pay. It wasn't easy."

Delaney, who played football at South Park and won the Harvard Cup in 1998, says that his father, Tim Sr., has been his biggest supporter.

"My father doesn't coach," Delaney said, "but he does everything else. He makes sure our equipment is ready, he makes sure we have enough water, he gives kids rides if they need it. He does a million things that nobody sees but makes it easier for us to just coach football. He's really been incredible."

## Back To The Future

Friday, 7:00 pm, Canisius @ Bishop Timon

Everyone knows that Canisius and St. Joe's is the "big" rivalry in the Monsignor Martin Association. The rivalry has been featured as one of the Nation's Best Rivalry's and has been featured in countless articles.

But there was a time when Canisius and Bishop Timon were fierce competitors for MMA supremacy.

For most of the 1970s and 1980s, those two programs dominated the league... and for good reason. Both teams had a legendary coaches stalking the sidelines. Johnny Barnes led Canisius while Paul Fitzpatrick oversaw the Timon squad.

Barnes coached for an amazing 42 years and amassed a WNY-record 287 wins. Most

people are familiar with Canisius' record 42-0-1 unbeaten streak between 1972 and 1977, but most people don't realize Barnes actually retired in the middle of that streak. He had coached the Crusaders to undefeated 8-0 seasons in 1972 and 1973 and had his team ranked #2 in New York, then he walked away.

Timon coach Charlie Comerford.

The program he built would maintain its momentum winning titles for the next 5 seasons going 38-2-1 during that stretch.

Canisius' reign as MMA champs ended after 1978.

Timon had hired Fitzpatrick, a former player, to take over the program that same year.

"Coach Fitz" would lead the Tigers to a championship in 1979, and add 4 more titles in the 1980s ('83, '84, '85 and '88).

The 1985 team went undefeated and was ranked #2 in New York State. While he didn't coach as long as Barnes Barnes, Fitzpatrick still won 161 games, which places him 13th in WNY history.

Canisius has returned to the top of the Monsignor Martin Association, winning titles in 2009 and 2012. Coach Rich Robbins, led the Crusaders to the state's top ranking after an undefeated season in 2012.

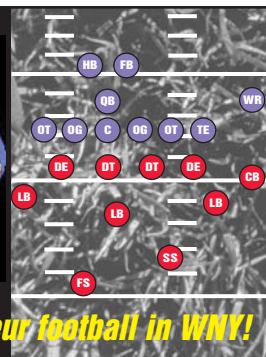

In a strange twist, Timon is once again trying to regain past glory by hiring a former player.

Charlie Comerford led Timon to the MMA championship game last fall where the Tigers lost to Canisius 28-20.

This will be the teams' first meeting since last fall's championship game.

# Panthers Try for A North Title

By Mark Adair

Sweet Home won a hard-fought battle 19-7 over Grand Island last weekend to clinch at least a tie for the A North Division title. The Panthers will try and win the division outright when they play at Kenmore East this weekend.

"We'll enjoy this one," Sweet Home coach John Fallner said, "but we have another big game next week. As we go along now, all the games are going to be tough."

The Panthers win over Grand Island was hard hitting and fiercely contested throughout.

"There wasn't a lot of scoring but there was a lot of big plays," Fallner said. "Both teams had turnovers, fumbles, interceptions. Both teams had some good drives and big plays. We saw some good defense on both sides of the ball, too."

Sweet Home scored with :14 left in the first half to take a 13-7 lead at the break. The Panthers scored again in the third quarter to take a 19-7 lead.

"It definitely wasn't a runaway," Fallner said. "Grand Island gave us some pressure. We bent a little bit but we shut them out in the second half."

Fallner also said that his team would have to improve if they were going to win a 7th straight Section 6 Class A title.

"We've won by some big scores this year," he said, "but now these games are going to get tighter. We can't afford the mistakes and the penalties."

Fallner said that, despite the public perception, this Panthers squad is not a veteran unit.

"We have a lot of young kids," Fallner said. "We have a lot of juniors and a few sophomores, in the lineup, too. This is a different team than we had last year. This was our first game where we were pushed really hard. That experience will make a big difference in how far we go this year."

One first-time starter who played well in a tough game was junior QB Kevin Torrillo, the younger brother of last year's All-WNY quarterback Mike Torrillo.

"Kevin is not his brother," Fallner said. "They are different kids and different quarterbacks. But Kevin is getting better and

better each week and he's helping us out."

Torrillo completed 15 of 24 passes for 210 yards and 3 touchdowns in the win at Grand Island. He threw an early interception but a stout defensive stand held Grand Island out of the end zone.

"I think that interception right away got him rattled a bit,"

Fallner said, "but he came back and played well. That's one of the things he has to learn. Things aren't always going to go our way and the question is how we handle it."

Torrillo tossed scoring passes of 29, 20 and 12 yards.

The junior QB hit Jordan Evert with a 20-yard TD pass on fourth down in the second quarter. He hit Brandon Smiley with a TD pass on 4th-and-12 with :14 left in the half.

The TD to Smiley came after Torrillo's previous two passes were dropped in the end zone.

"Those were pretty big plays," Fallner said. "Especially the one right before the half. That gave us a lead and made things a bit easier in the second half."

Torrillo may be the most experienced first-time starting QB ever. His father is a Sweet Home assistant coach and he has been around

Sweet Home football since he was about 7 years old.

"He was a ball boy for a while," Fallner said. "He's very familiar with the state

championship teams. He watched what his brother did last year. He knows our offense as well as anyone."

Torrillo also started at QB for the Sweet Home modified and JV teams before being called up to the varsity for the playoffs in 2012. He certainly learned something in all that time.

"He is a cerebral quarterback," Fallner said. "He understands the offense when you explain things to him. He picks it up quick. He's a smart kid. He's a very good student in school, too."

So far, Fallner says, he is happy with his QB's play.

"He has some things to work on," he said, "but he will get better each week, too. Kevin is very accurate with his throws. Now it's just a matter of working on his timing and getting his reads down. He's done really well for us with just 5 varsity games under his belt. He's done a great job."

# Clarence Gets First Win

Clarence beat Lockport 31-21 last weekend to earn the Red Devils' first win.

"When you are looking for the first one, any win is important," coach Mark Layer said. "This was Homecoming for us so it was important to the kids, especially the seniors."

The Devils also remembered losing to Lockport in the playoffs in 2012.

"We had a 27-0 lead and ended up losing in OT," he said. "That was a game we felt we had and it got away from us. The kids wanted to make amends this week."

Despite the 0-4 start to the season, Clarence has not been a bad team. All four losses were to very good teams.

"You never really know what's going to happen throughout the season," Layer said, "especially in AA. The team that starts slow may throw a wrench into things at the end. We have two games left. We want to get into the playoffs because you never know what can happen."

If Clarence is going to make a run in the playoffs, the Devils will need big games from senior RB Emaure Williams.

"Emaure set the school record for scoring last year," Layer said. "He also had just under 2,000 all-purpose yards."

In the win over Lockport, Williams rushed 20 times for 116 yards and three TDs. He caught 2 passes for 77 yards and had 120 yards in kick and punt returns. He also intercepted a pass.

"All-purpose yardage is an important stat for us," Layer said. "Emaure is a talented runner but his greatest talent is returning kicks. He has a knack for running in the open field. He sets his base, and sets up

blocks. It's a huge advantage to have someone like that back there."

Williams is a team captain and also plays basketball at Clarence.

"He's an excellent basketball player," Layer said. "He's a good athlete and a good leader."

# Woodard Leading NT

North Tonawanda led 21-0 after three quarters as the Lumberjacks beat Starpoint 35-12 last weekend.

The Lumberjacks kept their Class A playoff hopes alive with the win.

"I wish I could say we are 100% in the playoffs," NT coach Tony Truilizio said. "However, we will need a lot of help to get in."

North Tonawanda will play at Niagara Wheatfield this weekend and must win to have any chance of a playoff berth at all.

"Niagara Wheatfield has a great defense," Truilizio said. "Teams have a difficult time running on them. Every game we've played this season has been close. We beat Starpoint because we finally played an entire game and we played as a team."

If North Tonawanda is going to make a playoff push, the Lumberjacks will be relying on QB Chris Woodard to lead the charge.

"Chris is quickly becoming the total package," Truilizio said. "He has deceptively good speed. He has a great pocket presence.. He has a strong arm and a high GPA, too. He's everything a high school coach dreams of."

Woodard (6-3, 200) is a strong runner. He rushed for 162 yards in the win over Starpoint.

"Physically, I would put him up against any QB in the state," Truilizio said. "He's still just a junior and he's still growing."

Truilizio also said that Woodard is becoming a solid leader for NT.

"Chris is vocal when he has to be," Truilizio said. "He always leads with his actions. He has punted for us, he's kicked PATs and

played free safety on defense. That demonstrates that he is willing to play any position to help the team win."

Woodard also plays basketball at NT. "He appears to be a natural athlete," Truilizio said. "He also played a little lacrosse in the past."

# Jacobs Anchors Billies Line

Williamsville South beat crosstown rival Williamsville East 28-7 last weekend. The win gave the Billies a sweep of their two rivals from Williamsville.

“Both East and North happen to be in our league this year,” South coach Kraig Kurzanski said. “So the games meant a little more. Some of our kids went to elementary school with their kids, so they all know each other. These games are important to our guys.”

The Billies scored on their first drive of the game and led 6-0. Then the offense sputtered and South fell behind 7-6 in the third quarter.

“We have such a young group of guys this year,” Kurzanski said. “We have 21 new starters. This was the first time we had been down in a league game.”

Kurzanski settled his team and the Billies scored on three straight drives to take control of the game.

The Billies will now play for the

Division title when they face McKinley on Friday.

“I really didn’t expect to be where we are at this point,” Kurzanski said.

If Williamsville South is going to

make a run in the Class A playoffs, they will be relying on senior captain Erik Jacobs.

“He’s our only returning starter,” Kurzanski said. “He was our best lineman last year and he came back in great shape.”

Jacobs also wrestles for Williamsville South and placed at the Section 6 tournament last winter.

“He’s a great athlete,” Kurzanski said. “He’s a big anchor for our line. He plays with great leverage and that comes from his wrestling.”

Williamsville South senior Erik Jacobs.

Jacobs (6-4, 255) starts at LT and DE.

“He’ll play college football somewhere,” Kurzanski said. “We just don’t know where yet. UB came in last week. He’s fast enough to play at that level but he needs to get stronger.”

# Coyote Leading Chiefs

Iroquois dropped a tough 15-14 decision to Hamburg last weekend and fell to 1-4 on the season.

"It was a great high school football game," coach Keith Marshall said. "It was back-and-forth all night."

Iroquois also lost QB Josh Pieczynski to a shoulder injury in the game. It's not known how much time he'll miss.

"He was coming off a great game, too," Marshall said. "It's been that kind of year for us."

Marshall says that his players have had to overcome numerous injuries this fall.

"The thing I love about this team is that, despite all the injuries, other

guys have stepped up and played well," he said. "We have been in every game. We left the field with just two seniors on offense. We're learning lessons on the fly."

Marshall says that he has never questioned his players effort.

"This team plays so hard," he said,

"and we take pride in that. No matter what happens you can always play hard."

One player who has played hard all season is junior LB Coyote Sokolski.

"He has really matured and taken on a leadership role," Marshall said. "He's playing with much more confidence."

Sokolski, who also starts at WR, started on the varsity during his freshman year.

"We didn't have a lot of players three years ago," Marshall said. "I had coached him on the JV team and I thought he was ready. He has gotten better every year."

Sokolski, who also plays baseball and basketball at Iroquois, is third on the team with 39

tackles. He has also intercepted two passes and recorded a sack.

"He's a total athlete and very experienced at this level," Marshall said. "He has been a steady force for us. We have a lot of new guys and he has helped them out, too."

# Tigers Fight for Playoffs

Bennett played solid defense but lost to Attica 7-6 last weekend.

"I left that game in shock," Bennett coach Steve McDuffie said. "We had 15 penalties for 185 yards. We lost five scoring opportunities because of penalties. Every time we were in the red zone we got a flag."

The Tigers gave up a blocked punt for a TD with just three minutes left.

"Our defense didn't give up a single point," McDuffie said. "They played really well."

McDuffie also said that the trip to the small town in Section 5 was a great experience for his players.

"The kids got to see something outside the city," he said. "Attica is really Small Town America. They had photos of all the players in the store windows. They had banners and signs all over the place. It was nice for our kids to see how smaller towns celebrate the game of football. It was great high school atmosphere and I

was really proud with the way our kids played with class and showed good character."

If Bennett is going to win their final two games and qualify for the Class B playoffs, they will need big games from LB Joel Dean "He has the combination of speed and agility," McDuffie said. "He also is a hitter and a ball hawk."

Dean (5-10, 190) starts at MLB and is the team's 2nd-leading tackler.

"He is averaging 9 tackles a game," McDuffie said.

Dean has also returned a fumble 45 yards for a TD and returned an interception 50 yards for a TD.

"He knows how to get from sideline to sideline," McDuffie said. "He also has a knack for timing the ball."

Bennett linebacker Paul Dean.

Dean has become a team leader. "He speaks when he feels a need to speak," McDuffie said. "He's not going to speak too often but what he says is always very important."

# Shaw Paves Way for Eden

Eden jumped out to a 20-0 lead and survived a 4th-quarter rally as the Raiders beat Olean 20-14 last weekend.

"Our kids feel like they didn't win," Eden coach Chuck Tilley said. "They feel like they survived. We dominated the game until halfway through the fourth quarter."

Alex Smythe rushed for a pair of TDs in the first half and Eden led 12-0. Smythe scored his third TD of the night early in the 4th quarter and a 2-point PAT gave Eden a 20-0 lead.

It was at that point that Olean rallied.

"You could almost see it coming," Tilley said.

"Their QB was red-hot and they have a 6-5 receiver. We

stopped them for three quarters but then they started hitting everything."

After an Olean TD, an onside kick, a 70-yard punt return and another TD, the Raiders found themselves desperately hanging on.

Olean, in fact did score a third TD on

a play that was called back by a penalty.

"It was a close win," Tilley said. "The bus ride home was pretty quiet."

With two games left, the Raiders will qualify for the playoffs with one win.

Eden will host a playoff game with two wins.

If the Raiders are going to host a playoff game, they will be relying on OL Devin Shaw to pave the way.

"We ran over 50 times," Tilley said, "and almost every one of them was over him."

Tilley says that the Eden offense sputtered when Shaw missed the last two games.

"This was his first game back,"

Tilley said. "If he wasn't injured, I think he would be a

Trench Trophy finalist. He's that good."

Shaw is also dominating on defense.

"People have to double- and triple-team him," Tilley said. "He was just throwing linemen into the backfield on every play. He's just a good, hard-nosed kid who works hard on every play."

# Cam Smith Leading Steelers

Lackawanna lost to a much bigger Class A Williamsville North 41-12 last weekend.

"The Section was having some trouble filling the schedules of the bigger schools," coach Adam Tardif said. "We want to play better teams and playing a big school like that is a great experience."

Tardif said that he will always try to play a larger school if his team has an opening on the schedule.

"If our kids want to be a good football program," he said, "we should be able to play bigger schools and better teams. Losing like we did is humbling but now we know what to work on."

The Steelers will clinch a playoff spot with one win in their final two games. Lackawanna will get a home playoff game if they beat Akron this weekend.

"The kids are ready," Tardif said. "This is our last home game but after that, nothing is guaranteed. If we win, we will

earn another home game. That's important to the kids."

If the Steelers are going to qualify for the playoffs, they are going to need some big games from senior Cam Smith.

"He is one of our go-to guys," Tardif said. "He's one of the best players in our division. We try to get him the ball as much as possible."

Smith has rushed for 509 yards and 7 TDs, figures that are misleading, Tardif said.

Teams are trying to shut him down," he said. "Defenses are putting eight and nine men in the box just to stop him. That makes us do something else. We've thrown more this year than we have since I became the head coach."

### Lackawanna senior Cam Smith.

Smith, a team captain, also punts, returns kicks and punts and also starts at linebacker.

"He's getting more physical on defense," Tardif said. "Cam is a 3-year starter and he is much more mature now. He is much more of a leader now."

# Trojans Fighting for Wins

Southwestern lost to Salamanca 20-14 and dropped to 2-3 overall and 2-2 in C South games. It was the second straight close division loss for the Trojans, coming on the heels of a 7-point setback to Fredonia.

“We’re coming up on Week 6 and we still don’t know what our team’s potential is,” coach Jay Sirianni said. “In the last two games we went down by 3 touchdowns in first half and battled back.”

In the loss to Fredonia, the Trojans were driving for the game-tying TD but stopped in the red zone. Against Salamanca, they were stooped on a 4th-and-1 on the 9-yard line with 3 minutes left in the game.

“We’ve had 20 turnovers in the last 5 games,” Sirianni said, “and we’ve been outscored 47-0 in first quarter this year. All those stats mean I don’t sleep well at night.”

Sirianni did say he was pleased with

his young squad this season.

“There has been way more positive than negative this year,” he said. “We’ve battled back and been in position to win games. We start two seniors on both

offense and defense and we are still learning how to deal with adversity.”

One of the Trojans few veterans is 3-year starter Kevin Bellardo.

“He came up and started halfway through his sophomore season,” Sirianni said. “We saw a kid who played hard and played with everything he had.”

Bellardo was the Trojans 2nd-leading rusher in both 2011 and 2012.

“He plays with that little bit of toughness and nas-

tinness that we need,” Sirianni said. “He puts everything he has out on the field.”

Bellardo has rushed for 229 yards and 2 TDs this fall.

“He puts a lot of time into football,” Sirianni said, “and he’s become one of the leaders on the team this year.”

# Peterson Shines for Cougars

Cassadaga Valley lost to Panama 39-6 last weekend and dropped to 1-4 overall.

“Not much positive happened in that game,” coach Nick Spitzer said. “If I was going to point out something that went wrong, I’d have to point at everybody.”

Spitzer has struggled to get his young lineup to adjust to the varsity game this season.

“We have mostly sophomores and juniors on the field,” Spitzer said. “Some weeks we have been great. But we never know what we are going to get each week.”

Spitzer did say that his squad has improved sine the opening week.

“Their understanding of the game has improved,” he said.

“They understand their responsibilities on each play. But the physicality isn’t quite there yet. I’m sure they have it in them. I need to find a way to bring it out.”

Cassadaga Valley will make the Class D playoffs this season after the league was forced to change the format after Westfield

canceled their season.

“We’ll most likely make it as the 5th-seed,” Spitzer said. “But I’m mainly looking for improvement and an increase in intensity. If we increase our intensity, good things will fall in place.”

One player who has been a standout this fall is junior Nick Peterson, who is already a 3-year starter at RB and LB.

“He’s been with us on the varsity since he was a freshman,” Spitzer said. “He’s strong, he’s fast and has a good work ethic.”

Peterson is a compact 5-foot-8 and 175 pounds.

“He’s not overly big but he’s solid,” Spitzer said.

to Portville two weeks ago. He returned two kickoffs for TDs, racing 75 yards on the first one and 78 yards on the second.

“He reads the wedge real well,” Spitzer said. “As soon as the first hole opens up, he’s through it. He’s very fast so catching him is impossible.”

# Catt-LV Riding a Colt

Cattaraugus-Little Valley edged closer to the Class DD playoffs when they beat Franklinville 35-0 last weekend. The teams were tied 0-0 after one quarter.

"I was a little worried," coach Tim Miller said. "With kids, the longer you go without punching one in, the more your confidence drops."

Cattaraugus broke the tie when Kyle O'Donnell hit Colt Agnew with a 55-yard TD pass.

"It was a short pass," Miller said, "and Colt did a lot of running after the catch. We called a Split End Screen, he got a block and was gone."

The play gave Cattaraugus a jolt.

"It woke us up and got us going," Miller said. "It just seemed to fire us up."

One the next series, Catt-LV returned a fumble 55 yards for a TD. Then they recovered an accidental onside kick.

"When your confidence is up, things seem to go your way," Miller said.

Catt-LV now needs one win to clinch a

playoff berth and two wins to earn a first-round home game.

"We would love to get another home game," Miller said, "but our next 2 opponents will have something to say about it."

Photo by Tim Frank

## Cattaraugus-LV senior Colt Agnew.

Agnew, a 6-2, 185-pound senior, has been a big-play specialist all year.

"Colt is the fastest kid on our team," Miller said. "He can toy with our team in sprints. He has great speed."

Agnew provides a big target for the T-wolves QBs.

"He has great hands," Miller said, "and he has some wiggle. He can make people miss."

Agnew has caught 9 passes for 284 yards and 5

TDs this season.

"We are not a passing team,"

Miller said. "If he was on a passing team, he would be a super-star. He has had to put his skills in his back pocket and block."

Agnew has become a leader for C-LV.

"He has matured a great deal over the last two years," Miller said. "We needed leaders this year and he has been fantastic."

# Senior steadies Frannies OL

St. Francis lost to St. Joe's 27-20 last weekend to fall to 1-4 on the season, 0-2 in Msrgr. Martin Association games.

"We've had a string of injuries this year," St. Francis coach Jerry Smith said.

"From the scrimmage on, we've lost a lot of players."

Starting RB Manny Williams dislocated his hip in the scrimmage and was lost for the year. Starting QB Jake Dolegala tore his shoulder in the loss to Erie Cathedral Prep.

Elliott Buccieri stepped in at QB and finished the game for the Raiders but with Canisius and St. Joe's on the schedule, Smith had to find another QB.

"We brought up a freshman from

the JV team," Smith said. "Jerry Hickson has played well. He's improved tremendously but he's still a freshman."

With all the injuries, the Raiders have desperate for on-field leadership.

Senior lineman Ryan Zulawski has been a solid performer this season.

"Ryan has been a stalwart on the offensive line for us," Smith said. "He's the only returning starter on the line. He gives you a full, 100 percent effort in every practice, every game and every play."

Zulawski also starts on the DL.

"We have been able to move him around," Smith said. "We've played him on the line but we can move him to linebacker at different times."

Zulawski, a 2-year starter, has provided the Raiders some stability on the line.

"He is technical-sound," Smith said. "He positions himself correctly. When he makes a mistake, he knows why and corrects it. He's been a calming force on the field."

Photo by Mark Adair

### St. Francis senior Ryan Zulawski.

Zulawski (6-2, 230) maintains an academic average of 97.

"He's being looked at by the Ivy League and the Patriot League," Smith said. "He's hard-nosed, fair and honest. He's right on the cusp of being a player that can play in those leagues."

# CROSS TRAINING FOOTBALL

*Training the Heart of a Champion from the Inside Out*

The **Heart of a Champion Character Playbook** theme is

## Answer The Call!

*CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.*

"Here am I send me" - This week in ANSWER THE CALL:

**Respect** - honoring and valuing others through positive words and actions.

Why is **Respect important**? Simply put, it brings value to others. When people feel valued, there is a great chance of capturing their heart and developing team chemistry.

The toughest thing to do is to honor someone else above yourself. That's the reason we need to understand that everyone is fearfully and wonderfully made. Respect establishes a trusting relationship and is a foundational block of Love.

Respect is an outcome of kindness which is one of the two granites of rock combined with patience that love is built on.

Athletes respect is not only the foundation of team. It is the ticket to restoring someone when mistakes are made.

That is why this next truth is essential to developing a trusting environment. **Reckless words pierce like a sword but the tongue of the wise brings healing.** What do our tongues bring when mistakes are made? Anyone can criticize and speak death. It takes a **true leader** to honor those around you by the following these three demonstrations of respect: **Eye contact** when speaking, **physical contact** such as (hand shake) and **words** that Inspire.

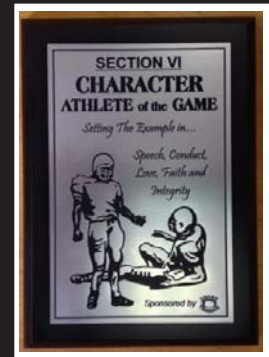

You will set yourself apart from the rest of the field and in life as you respect parents; coach's, those in authority and women. It is one foundation of all healthy teams, families and relationships.

Be the guy who honors others above himself and "ANSWER THE CALL "

# Hillbullies Storm C

*Fredonia RB Matt McCarthy leads a charge to the C South title*

By Mark Adair

Fredonia started fast and scored five times in the first quarter and beat Allegany-Limestone 49-17 last week. The Hillbullies led 35-0 in first quarter.

"We wanted to open up the passing game and we did," coach Mike Marshall said. "I want to see what we can do and see what our talent is with our wide outs."

Fredonia is now 5-0 on the season and has clinched the C South title. The Hillbullies will play their last C South game this week against Gowanda before their annual rivalry game with Dunkirk.

"We stress that we need to concentrate on just one game at a time," Marshall said. "No matter what our record is, we have to continue to improve every week."

Marshall said that Fredonia, despite the explosive offense the Hillbullies have used this season, still needs improvements before the Class C playoffs start.

"I want our team to play at a certain level," Marshall said. "I don't want to have a big swing from game to game. When we break down the game film, we look at areas that we have to get better at. That will improve our whole game and that's going to be really important in the next few weeks."

Marshall is a first-year head coach but he has been around the Fredonia program for 13 years. He took over the head job from Bob Ball this fall.

"Bob is really the one who built the program up," Marshall said. "I started in 2000 when he took over the varsity spot. He hired me as the head JV coach. He brought me up to the varsity 5 years ago."

Marshall says that Ball surprised everyone when he

announced that he was leaving the football program.

"It was a surprise to all of us," Marshall said, "but he has three young kids and his two boys were in the Midget League here in Fredonia. During his last year as head coach, he was only able to see one of their games. He was missing a part of their life that you never get back. I know it was a tough decision for him because he loves working with kids and he loves football."

Marshall was apprehensive about taking over for the coach that had won almost every season, made appearances at the Ralph, and was popular with the players.

"I was definitely nervous," Marshall said. "But Bob told me that if I applied for the job and got it, he would help out in any way he could."

Marshall says that Ball has followed

through with that promise.

"He has been in the background," Marshall said. "He's been very helpful. Because he handed it over the way he did, it's been a very easy transition."

Marshall says that most people were not completely surprised that Ball left, but they were surprised at the timing of his decision. Ball quietly resigned a short time after Fredonia lost the Class C championship game at Ralph Wilson Stadium last fall.

"Most coaches stay when they are on top," Marshall said, "and then they bow out when a downswing is coming. Bob left on top. I think that shows his commitment to his family and to our football program."

continued from page 22

Marshall says that he did not change very much when he stepped into the head coaching position.

"I've taken his offensive and defensive philosophy and put a few tweaks to it," he said. "I didn't have to teach the kids anything. We run the same things we've always run, just a bit differently."

Marshall's 'tweaking' has obviously worked. The Hillbillies offense has been explosive this season.

In the win over Allegany-Limestone, RB Matt McCarthy rushed for 197 yards and 5 TDs on just 11 carries. He scored on runs of 73, 10, 17, 6 and 25 yards. He also caught a 17-yard TD pass.

"We actually used him as a decoy," Marshall said. "He only had 11 carries. When we played Falconer he touched the ball four times and scored 3 touchdowns. I took him out of his position after that."

McCarthy has been the most visible player to benefit from Marshall's offensive tweaks this season.

The junior RB has rushed for 695 yards on just 45 carries - over 15 yards per carry. He has also scored 14 TDs.

"Matt he has been a surprise this year," Marshall said. "He was our starting cornerback last year and didn't play much offense. He came to all the summer practices and he brought 110 percent on everything. His performance this season is the results of his work ethic."

The junior is not only fast but opposing coaches around WNY say he runs incredibly hard.

"He can go up the middle and run through people," Marshall said. "You can't arm tackle him. He can also see a hole, get through it and run away from people. He'll see holes on the other side of the field and get there in a heart-beat."

McCarthy was named a team captain before the season started.

"I was extremely excited," McCarthy said. "It's an honor that my teammates thought of me as a leader like that."

McCarthy says that he is most pleased with the way that the Fredonia players have grown closer in the past year.

"We've been practicing together since the spring," he said. "It helped a lot with our team chemistry. We still go out once a week to dinner or something else. It's helped to bring us together. Our team is a lot closer this year."

McCarthy is also focused on making it back to Ralph Wilson Stadium this fall.

"That's all we've thought about since we lost to Cleve Hill," he said. "We wanted to get back to the Ralph right after we lost that game. We'd love to play Cleve Hill again but it really doesn't matter who we play. We just need to get back there and win this time."

So far, with a 5-0 record and eye-opening offensive totals, Marshall is pleased with the Hillbillies season.

"I guess I'm still going to wait for the final results," he said. "We might be all right in the C South. Southwestern gave us a real test but I want to see how we do against the C North teams in the playoffs. I'm pretty happy so far but the final results aren't in yet."

# 2013 FOCUS ON

## Hillis Anchors OP Line

Orchard Park beat Lancaster 14-7 last weekend to improve to 4-1 overall, 3-1 in league games. And while the Quakers are now in position to get a home game in the upcoming AA playoffs, many area fans have wondered if OP is actually suffering a down season.

"Everybody wants to see Orchard Park get beat," Orchard Park coach Gene Tundo said. "We've won a lot of games so people are going to cheer for the other teams."

When OP lost to Lockport at home, it made big news. The Quakers had not lost a home game since 2006.

"People made judgements about our team when we lost that game," Tundo said. "But no one knows our guys. We believe in our players. They have been fighting and doing what they have to do to be successful."

Tundo said that his players used the loss as a learning experience.

"They were upset," he said, "but I think the fans were more upset by it. The kids were pretty realistic. We learned about each other in that game. We came back and we fell a little short. No one gave Lockport any credit and they are the team that won the game."

Tundo says that he expected a but of a learning curve this season. He had just two starters returning to the

team.

"We had nine new starters on defense and a couple of them got hurt early on," Tundo said. "Our kids have been great. They are awesome to work with this year. They have been really easy to coach. Hopefully we can keep improving and get a chance to play with the big dogs."

One starter that has played a huge role this season is RT Dawson Hillis.

"He's a super kid," Tundo said. "He moved here from Missouri just a couple of weeks before the season last year. He started coming to our lifting sessions and ended up starting."

Hillis (6-3, 260) is a team captain.

"He's taken a leadership role on the team seriously," Tundo said.

"He's a no nonsense player. He works hard, he listens, he's respectful and he's a solid student."

Hillis has been one of the better linemen in WNY this season.

"He is so strong," Tundo said. "If he gets his hands on you he will block you. He has great feet and he can move really well."

Hillis is also a state-level athlete in the shot and discus at OP.

"He's smart, too," Tundo said. "He knows what we are doing at all times. Not too many people have known about him yet but I think he'll get a lot more interest as the season goes on and the games get more important."

**It's not the critic who counts.**

**Not the man who points out where  
the strong man stumbled or where  
the doer of deeds could have done  
them better.**

**The credit belongs  
to the man  
marred by the  
dust and the sweat  
and the blood;**

**who strives valiantly;  
who errs and comes  
short again and  
again and again...**

**...who at best knows,  
in the end, the triumph  
of high achievements  
and who, at the worst,  
if he fails at least fails  
while daring greatly,**

**so that his place will  
never be with those  
cold timid souls  
who know neither  
victory or defeat.**
