This Week's Lineup:

8 Marshall of Lockport

Lockport fell behind 15-6 at the half and lost their Homecoming game to Kenmore West 34-12 last week. If the Lions are going to make the playoffs, they will need to get more big performances from Marshall Taylor.

9 The Doctor Is In for Vikings

Grand Island won a defensive struggle 14-6 over Starpoint last weekend to clinch a spot in the Class A playoffs. If Grand Island is going to make a deep run in the post-season, they will be relying on Tom Doctor to anchor the lines.

13 Rodney Runs to Record

Depew exploded for 4 TDs in the first quarter and beat Eden 45-16 last weekend. Rodney Turner had a huge night as he rushed for 198 yards and a school-record 5 TDs on 21 carries. He has rushed for 800 yards and 17 TDs this fall.

18 Big Time Talent

Canisius played to a 0-0 tie after one quarter but scored 17 points in the second frame and beat Timon 24-0 last weekend. If Canisius is going to beat Cardinal Mooney, they will need a big game from WR Josh Huffman.

Fatta Honored for B North title

Cheektowaga coach Mike Fatta was named the Buffalo Bills / NY National Guard Coach of the Week after his Cheektowaga Warriors beat Burgard 12-8 last week.

Cheektowaga won the B North Division championship with the win but it wasn't decided until the final seconds.

With just :34 to play, Burgard, which entered the game 5-0, led 8-6 and was looking to claim the B North title. The Warriors defense forced Burgard to punt. Preston Summers fielded the punt at his own 30, and then found a hole and raced down the sideline into the end zone for the game-winning TD.

"We told our kids that we needed a good enough return so we could reach the end zone with a Hail Mary pass," Fatta said. "Preston split two guys and started running down the sidelines. I thought we would be able to get a throw into the end zone. Then, he just kept going."

The wild scene unfolded in front of several former Cheektowaga players as the Warriors clinched their second straight division championship.

"It was really neat," Fatta said.

"It was our Alumni Game so all the older guys were there. It was a really cool atmosphere."

Fatta said that approximately 40 former players returned for the game, including Ron Moretuzzo, the captain of the 1955 Pine Hill team, which was the area's high school before Cheektowaga Central even existed.

"He came to the team dinner and talked to the kids," Fatta said. "We got him a Pine Hill jersey to wear at the game."

Moretuzzo, 78 years old, was at midfield for the game and called the coin toss, which he won. As he came off the field he looked at Fatta and said, "I did my job, coach."

The defenses dominated the game as each team struggled to muster any offense at all. Both teams were only able to record 130 yards of total offense.

"We knew going in that Burgard's defense is very good," Fatta said. "They have a great defensive line.

When you play them, there is a lot that you just aren't able to do because they can stop with you with all four guys up front."

Cheektowaga's defense matched Burgard as the teams played to a 0-0 tie at the half.

"Our kids are real disciplined," Fatta said. "We worked all week on where to be in the right spot. They were disciplined all day and trusted each other to not do too much. They did a great job."

The Warriors took a 6-0 lead in the 3rd quarter. They started at midfield and finished the drive when Marshawn Gibson ran 14 yards for a TD.

"We were finally able to sustain a drive," Fatta said. "Up until then, we just weren't able to go anywhere."

Burgard took the lead in the 4th quarter when they got a short field to work with.

The Warriors were forced to punt out of their own end zone and the Bulldogs took possession at the 35-yard line.

A few plays later, Burgard QB Rayshawn Jones scored on a 20-yard run. A 2-point PAT gave Burgard an 8-6 lead. The defenses then

tightened up again until Summers miraculous punt return.

Fatta thought his team would be good this season.

"We were very young last year and we fell apart at the end," he said. "We have 16 seniors this year and they really wanted to make up for the way the season ended. The chemistry on this team is 180 degrees from what it was last year."

Fatta is a second-year head coach but has been with the Cheektowaga program for 14 seasons. He worked as an assistant coach under Scott Zipp for 10 seasons.

After one year away from the program, Zipp is now on staff as Fatta's offensive coordinator.

Fatta played for Cheektowaga and graduated in 1995. He was named a 2nd-team All-WNY linebacker his senior year and then played football for four seasons at Canisius College.

The Biggest Little Rivalry in WNY

Saturday, 2:00 pm, JFK @ Cleve Hill

The last week of the regular-season schedule is usually reserved for Rivalry games and WNY has a nice collection of such games.

Some are old, like Fredonia-Dunkirk (120 years) or Albion-Medina (started in 1893). Some are crosstown battles that bring the whole community out (Lancaster-Depew, Tonawanda-North Tonawanda, Kenmore East vs Kenmore West and West Seneca East vs. West Seneca West).

There is one rivalry that doesn't get as much high-profile press, but it doesn't change the fact that both schools circle the date on their calendars... Cleve Hill vs John F. Kennedy.

Both schools are located in Cheektowaga. Both schools are about the same size and play in the same division for most sports. Neither school has lights, so their games are always on Saturday afternoon.

Last year's Cleve Hill-JFK game was a classic in the series.

Both even have a Presidential reference, as one school notes former Buffalo Mayor and President Grover Cleveland, while the other was the first school in the nation to name its school after a sitting President in 1962.

JFK alumni always point to their magical 1975 season, when the Bears went 8-0 and finished the season ranked #2 in New York State. That team

still holds many school records... Most Points scored (327), Least Points Allowed (27), while RB Chuck Goettle has team records for TDs (24) and Rushing (1,363). Another JFK great was Rayshawn Bolden, who still holds the WNY record for Receiving Yards in a Game with 304 vs Springville in 2000.

Cleveland Hill also has a proud program. Since 2000, the Golden Eagles have been in 5 Section VI title games. RB Eric Everett ran for 2,195 yards in 2000, one of a handful in WNY history to eclipse the 2,000-yard mark. Notable alumni include Carl Kuras, who founded the Trench Trophy, recognizing WNY's Top Lineman each year, and Sal Capaccio, WGR radio host who played on the 1989 Cleve Hill team that beat Salamanca at Rich Stadium.

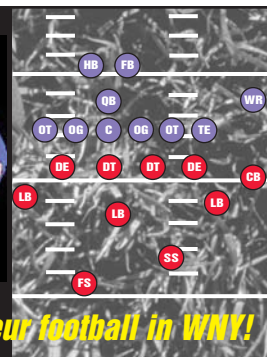

Last year saw one the most exciting games in the series between the schools, Cleve Hill raced out to a 28-14 lead before JFK scored 2 late TDs.

After the second TD pulled JFK within 28-27, the Bears opted to go for a 2-point conversion. QB Nick Anderson scrambled into the corner of the end zone for a 29-28 win and ultimately won the division title on a tie break.

However, Cleve Hill would rebound from the loss and go on to win the Class C title at The Ralph.

A Summers Day for Warriors

By Mark Adair

Things looked bleak for Cheektowaga.

The Warriors trailed Burgard 8-6 with just :34 left in the game and it looked like the Bulldogs would walk away with the B North title. Both teams had entered the game with 4-0 records in league games and a reputation for fierce defense.

The offenses had struggled to muster any sort of an attack all day long.

“Each team only had about 130 yards of offense,” Fatta said. “We knew going in that their defense was very good. Burgard has a great defensive line. When you play them there is a lot that you just aren’t able to do because they can stop with you with those four guys.”

Finally, Cheektowaga forced Burgard to punt with :34 left. Fatta was hoping for a miracle.

“I was just hoping that we could get a good enough punt return so we could at least reach the end zone with a pass,” he said.

Even with a pass, the Warriors would have been hoping for something to go right.

“We’re not a passing team,” Fatta said. “I think we completed one pass all day. It was on a 4th-and-11 but we missed a field goal on that drive.”

The Warriors run the ball almost exclusively and their quarterbacks are seen as running options.

“We run the Triple Option, a little Veer and some Wishbone,” Fatta said. “It’s mostly read option plays. It’s all predicated on reading a lineman or a linebacker. The quarterback has to see what the defense gives you and then we take what they give you.”

Preston Summers fielded the punt at his own 30 and head up the middle. He suddenly veered towards the sideline.

“He split two guys and then headed to the sideline,” Fatta said. “When he got to midfield all of a sudden everything opened up for him. When he got to the 30, I was thinking that we could at least reach the end zone with a Hail Mary pass. But he just kept going.”

Summers outran the coverage team and went into the end zone to give Cheektowaga a 12-8 lead with just :20 left in the

game. The play set off a wild celebration on the Cheektowaga sideline. After a kickoff and two plays, Cheektowaga was B North champions.

“That’s his first touchdown as a punt returner,” Fatta said. “We work a lot on punt and punt returns. As far as special teams go, we think those are the most important plays.”

Photo by Mark Adair

Preston Summers returned a punt 70 yards for a TD with just :20 left in the game to help Cheektowaga beat Burgard 12-8 last weekend.

Fatta actually designs a different punt return each week, depending on how that week’s opponent lines up.

“There is such a big difference from one week to another,” Fatta said. “Some teams go with a 4 or 5 receivers on their punt formation. Some go with a double tight end.”

The Warriors, whose only loss this season was to a Class A school in the Carrier Dome for the Kickoff Classic, will be the #1-seed from the B North.

Summers is a 2-year starter for the Warriors. The senior (5-6, 140) is a serious weapon who is asked to fill a lot of roles.

“He is one of our best athletes,” Fatta said. “He is our best ball carrier and on any other team he is a running back. We put him out in the slot because he can catch the ball.”

Summers presence at wide receiver forces opposing defenses to pay attention to him.

“He’s a big reason that we run the ball so well,” Fatta said. “Other teams

have to cover him and respect him or you are giving us easy throws. Because of that, some other guys get more carries and he doesn’t care. If he wasn’t such an unselfish player, our offense would not work.”

Summers is second on the Warriors in rushing but leads the team with 12 TDs. Marshawn Gibson leads Cheektowaga with 827 rushing yards.

“Marshawn has the majority of the carries and the yards,” Fatta said, “but Preston gets the points. He’s fast enough to play Division III football after high school. He’s small but he can play.”

Fatta says that Summers is an enjoyable player to have on the team.

“He is a phenomenal kid,” Fatta said. “He’s always smiling and good to have around. He’s an easy kid to root for.”

The Marshall of Lockport

Lockport fell behind 15-6 at the half and lost their Homecoming game to Kenmore West 34-12 last week.

“All of our problems stem from mistakes in execution or even awareness,”

Lockport coach Greg Bronson said. “Ken West scored two touchdowns on long passes where we just completely didn’t cover kids.”

Right before the half, the Lions hit a 70-yard pass play, giving them the ball on the West 10-yard line.

“We lost a fumble on the next play,” Bronson said. “We also had a 1st-and-goal on the one and we had a procedure penalty before we even snapped the ball.

This kind of stuff has happened three weeks in a row now.”

As a result, Lockport now faces a must-win game against West Seneca West.

“If we win, we’ll get the 7th seed,” Bronson said. “But until we focus enough to eliminate mistakes, we’ll lose games we are perfectly capable of winning.”

If the Lions are going to make the playoffs, they will need to get more big performances from Marshall Taylor.

The senior made 7 tackles, including 4 QB sacks in the loss to Ken West.

“Marshall is a very hard worker,” Bronson said. “He is in the weight room all year long.”

Taylor is a 3-year starter at DE. He was also the Section 6 champion in the 215-pound weight class for the wrestling team.

“He’s one of the strongest players we have ever had here,” Bronson said.

Taylor is a fierce competitor.

“He’s a very intense player,” Bronson said, “He has been more disciplined this year.”

Taylor has spoken

with UB about wrestling for the Bulls in college.

“He could also play college football,” Bronson said. “I know he has spoken with Albany about playing for them. There are a lot of smaller colleges that will want him to play for them.”

The Doctor Is In for Vikings

Grand Island won a defensive struggle 14-6 over Starpoint last weekend to clinch a spot in the Class A playoffs.

"If people look at scores they might think we didn't play well," Grand Island coach Dean Santorio said. "But scores don't mean a whole lot. At the varsity level, any team can beat you."

After losing an emotional, hard-hitting game to Sweet Home the week before, the Vikings struggled to focus again.

"We found a way to win the game," Santorio said. "The kids did the job."

Grand Island will enter the playoffs as the 5th- or 6th-seeded team in Class A, despite having a solid 5-1 record.

"There still could be some movement with the seedings," Santorio said. "The goal is always to finish in the top four and get a home game but our point differential wasn't good enough."

The Vikings will close the regular sea-

son with a non-league game against Williamsville North.

"North has a good ball club," Santorio said. "It's a chance to play a quality team right before the playoffs."

If Grand Island is going to make a deep run in the post-season, they will be relying on Tom Doctor to anchor the lines.

"He has really good size," Santorio said, "and he's an athlete. He's been fantastic on both sides of the ball."

Doctor (6-3, 240) is a team captain.

"He's a hard worker and a smart kid," Santorio said. "He's respected by the kids on our team and by the faculty in school."

Doctor is a solid student and main-

tains a 3.4 GPA.

"He's got a good head on his shoulders," Santorio said. "He's a hard worker in the class room, too."

Doctor also plays basketball for GI.

"There is no question that he could play football at any D-3 school," Santorio said.

Macks Win Division Title

McKinley fell behind 14-0 but went on to beat Williamsville South 20-14 last weekend. The Macks won the school's first Class A Division title with the win.

"The kids were excited," coach Ed Wilson said. "South has beaten us the last two years and we felt we had something to prove."

The Macks had closed the gap to 14-6 by the half.

"We just told the guys to keep doing the same thing we have done all year," coach Ed Wilson said.

"Remain focused, disciplined and professional."

Wilson allowed his players to meet without the coaching staff before taking the field.

"The seniors had a little meeting," he said. "They knew we had to come out play McKinley football. There were two quarters left and we just had to let everything go and play football."

After a scoreless 3rd quarter, Mike Denton and Jeremy Kelley each scored a TD to give McKinley a 20-14 lead.

"Our defense got some 3-and-outs," Wilson said. "Our defense really stepped it up when we needed them too."

McKinley will finish the regular season with a non-league game at Sweet Home this weekend.

"Sweet Home is a great program," Wilson said. "John Faller is a great coach and I look up to him. But we look forward to seeing them on Saturday. We'll be there."

The McKinley defense has played well this fall. DB Terrell Wilson is a big reason why.

"This is his second year with us and he has stepped forward and given us leadership,"

coach Wilson said. "He is a shut down corner and he can

step back and play safety."

Wilson said that Tyrell calls the coverages for the Macks.

"He is very precise in making sure that the defenses we call are executed," Wilson said. "He's very fast, he's a smart kid and he has heart."

Watkins Sparks South Park

South Park jumped out to an 18-0 lead at the half and then held off a second-half rally to beat Hamburg 18-13 last week.

"Hamburg is a good football team and they played hard in the second half," South park coach Tim Delaney said. "We wanted to win but we were scoreboard watching, too. We saw that McKinley won which meant we jumped into the second seed."

South Park had to stop one final drive to secure the win over Hamburg.

The Bulldogs got the ball on their own 5-yard line in the late stages of the game. The drive to midfield but Robin Gilmore intercepted a pass to end the threat.

"William Burgess hit the QB as he was throwing," Delaney said.

South Park had already clinched the A South Division title the week before.

"The kids are very excited to be division champs," Delaney said. "We are really looking forward to post-season football. We have gotten a good amount of press

this year but the kids know there is more work to be done."

Delaney feels that South Park is overlooked in Class A.

"We want to prove we are the real deal," he said.

If the Sparks are going to advance in the A playoffs, they will need big performances from a small player.

Laron Watkins (5-6, 160) rushed for 76 yards in the win over Hamburg.

"He was our starting tailback," Delaney said, "but this year we have him doing a little bit of everything."

Watkins has played several positions this fall.

"He's in our 2-back set and he's also played some wide receiver,"

Delaney said. "He fills in at defensive back, linebacker and even defensive line."

Watkins, a senior, is also a dangerous kick returner.

"He has been the unsung hero," Delaney said. "Other guys are getting all sorts of stats and he plays all over the place."

Haight Reaches New Heights

Barker scored three touchdowns in the second quarter to take a 29-7 lead at the half and earned their first win of the season when they beat Wilson 44-26.

"It was nice to put it all together,"

Barker coach Bill Bruning said. "It was nice for the kids to see things come through."

Despite the 1-5 record, Bruning has continued to preach hard work to his players.

"We talk about finishing strong," he said. "We talk about preparation. We fell short every week but the kids never stopped working hard."

Bruning says that he is not disappointed with his team's record.

"Not at all," he said. "We graduated a lot of kids from last year so we understood we had a young team coming in. We focused on practice rather than winning. If you focus on getting better each week, winning takes care of itself."

Jake Haight had a huge game in the win over Wilson as he rushed for 203

yards and 2 TDs on 17 carries. He also caught 2 passes for 132 yards and another 2 touchdowns.

"I've been coaching for 21 years," Bruning said, "I have never seen one of

our kids have a spectacular night like that."

Haight also 4-for-4 on PAT kicks and ran in a 2-point conversion.

"He knew going into the season that a lot would be placed on his shoulders," Bruning said. "He's a senior and he needed to be a playmaker. He relishes the role."

Haight has started for the football and basketball teams since he was a freshman. He is also on the track team and advanced to the NY State

"He's such a unique young person," Bruning said. "He enjoys playing sports. He enjoys practice, he gets out there early to work on kicking. He has an academic average in the 90s. You couldn't ask for a better high school kid."

Rodney Runs to Record

Depew exploded for 4 TDs in the first quarter and beat Eden 45-16 last weekend. The win clinched a home game in the first round of the Class B playoffs.

"Our defense played really well," coach Brian Wilson said. "They executed exactly the way we wanted them to. Eden runs the double-wing offense and our kids did a great job shutting it down."

Wilson said playing against the double-wing offense requires wholesale changes to the defense.

"You basically have to change everyone's technique," he said. "We switched to an odd front. We don't normally play with a nose tackle and that changes everyone's responsibilities. It's a completely different style of play."

Eden returned a kickoff for a TD and scored another TD last in the game. The starting defense for Depew did not allow a point.

"We feel very good," Wilson said.

"Our offensive line has played great. Those kids are finishing blocks and executing very well."

Rodney Turner had a huge night against Eden as he rushed for 198 yards and a school-record 5 TDs on 21 carries.

"If you give Rodney a little bit of room he'll make you pay," Wilson said. "He's having a great year."

Turner (5-7, 190) has rushed for 800 yards and 17 TDs. He is also leading the team in tackles.

"In years past, Rodney would not have been able to do what he is doing this year," Wilson said. "We told him that we would need him to carry a load this year. He really got into condition and got ready to play both ways."

Turner has been difficult to bring down this season.

"He has a great jump cut and he can accelerate through the hole," Wilson said. "He's a strong kid and a very tough runner. He can punish you."

Longwell Leads Akron

Akron led 21-8 after three quarters and held off a fourth-quarter rally to beat Lackawanna 35-24 last weekend. The win clinched second place in the C North Division and ensured that the Tigers will play a first-round game at home for the playoffs.

"It's been a while since we've had a home game in the sectionals," coach Mike Dean said. "I think the last time Akron played a home playoff game was in 1999."

Dean said his players knew fully that a victory in Lackawanna would mean getting a home game.

"They did know," Dean said. "It's something we wanted before the season started. It

was definitely a fun ride home. All those hurts and aches don't mean anything on the ride home when you win."

The Tigers finished 2012 with a 6-3 record and may be the best team in WNY history to not qualify for the playoffs.

"Even though we had a very good

team," Dean said, "we didn't make the playoffs. That's motivated us all year. The kids weren't going to miss out again."

Senior CJay Longwell played a big role in the Tigers win. He intercepted a

pass and recovered a fumble on defense.

Longwell (6-1, 175) entered the summer as the Tigers starting QB.

"He was the back-up last year," Dean said. "We all thought he would be the starter this year."

But Brenden Weierheiser came up from the JV team and won the job.

"CJay made it a point to help him out," Dean said.

"We moved to WR and he's played really well there."

Weierheiser was

injured in the 3rd quarter at Lackawanna and Longwell stepped back in at QB. He completed 3 of 4 passes for 70 yards, including a crucial 27-yard TD pass.

"That was right in the middle of their comeback," Dean said. "CJay has been huge for us all year and he did it again."

Hinman Sets Warriors' Record

Salamanca led just 14-7 at the half but scored twice in the third quarter to beat Allegany-Limestone 26-7 last week. The Warriors locked up the 2nd-seed in Class C South and will host a first-round play-off game.

"We'll focus on getting a few guys healthy this week," Salamanca coach Jason Marsh said. "We want to get our back-ups more playing time and we everyone back to 100 percent before the playoffs."

This is the first season back on the sidelines for Marsh after he stepped away from the head varsity job last year.

"It was nice having the year away from being the head guy," he said. "It helped me rejuvenate a bit. I am really enjoying this year. We have a great bunch of kids and were having a lot of fun."

Marsh said that the Salamanca football program is as strong as it's ever been.

"The last three years have been pretty exciting for us," he said. "People in town

are excited and it's kind of how a lot of people used to remember it."

One player who has had a solid season is Joe Hinman.

The senior WR caught a 4-yard TD pass in the win over Allegany-Limestone.

"He's scored a touchdown the last two weeks," Marsh said.

Hinman (5-10, 170) also broke Salamanca's all-time receiving record earlier this year. The record of 614 yards was set by Ellicottville's new head coach Chad Bartoszek in 1997 and 1998.

Hinman now has 684 receiving yards in his career.

"He definitely has good speed," Marsh said, "and he runs good routes.

He's a smart football player."

Hinman has an academic average in the 90s and is a member of the National Honor Society.

"You know what you are going to get out of him every night," Marsh said. "He gives a great effort every time out there."

Waugh Leading Portville

Portville led 22-18 at the half and scored 3 TDs in the 4th quarter to win a wild, non-league shootout over Falconer 50-34 last weekend.

"We haven't played in a game like that for a while, thank God," Portville coach Gary Swetland said. "In fact, I don't remember Portville ever scoring 50 points."

Swetland says he watched in disbelief as the teams raced up and down the field all night.

"I'm pleased we were able to do that and win the game," he said. "However, it's really a tribute to the tremendous running game and the backs that Falconer has. That Cody Dustin is quite a player.

Fortunately, every time they scored, we were able to respond."

Falconer rushed for 439 yards in the game (244 by Dustin). Portville rushed for 236 yards but posted another 233 yards passing for a total of 469 yards of offense.

"Our offense is starting to click," Swetland said. "I'm very impressed with

our offense. Nobody wants to have to score 50 to get a victory. It was mainly because Falconer was a great running team. Our kids didn't do a bad job."

Portville will finish the regular season at Randolph this weekend. They'll have a bye in the first round of the Class D playoffs.

If the Panthers are going to advance in the playoffs, they will be relying on senior Ben Waugh.

"His coachability is superior and his work ethic is outstanding," Swetland said. "Ben has all the intangibles that you want in a player."

Waugh has rushed for 424 yards and 8 TDs this fall.

"He's a high-motor kid," Swetland said. "You

can get spoiled by having a player like Ben

Waugh (5-11, 175) also plays basketball and track at Portville. He's a solid student with an academic average in the low 90s.

"He's a three-sport athlete and a smart kid," Swetland said. "He has a high character, too."

Sherman 'Toys' with Title

Sherman scored once in every quarter as they beat Nichols 29-7 last weekend. The Wildcats agreed to play Nichols after an opening appeared on the schedule when Westfield cancelled their season.

"I thought the kids played real well," Sherman coach Bob Krenzer said. "It was a very hot day. It was an early game time and we had to drive an hour-and-a-half. I was hoping the guys would be ready to play and they didn't do too bad."

The Wildcats led 13-0 at the half and Krenzer said he saw no need to change anything during the break.

"We told them the same thing we always tell them," he said. "Go win the second half."

Sherman now has a chance to break the logjam at the top of the DD standings. Four teams are tied for first with 4-1 league records. Sherman will play Panama while Frewsburg will play Catt-LV. The winners will use the head-to-head

results to determine the league champion. "Panama is always a big game for us," Krenzer said. "It's our Senior Day and our last home game. Our kids don't get over-emotional so it won't be obvious but

that's all significant to them."

If the Wildcats are going to win the DD League title and advance to play in Ralph Wilson Stadium, they will be running behind senior Jake Toy to get there.

"He has good strength and size," Krenzer said. "He has speed and intelligence. He's a smart boy."

Toy (6-2, 240) is a 3-year starter for Sherman.

"He understands blocking schemes and adjustments," Krenzer said. "He

understands line calls. He makes all our line calls to pick up blitzes."

Toy has an academic average in the 90s.

"He's not a fiery leader," Krenzer said. "He's relaxed most of the time but he certainly knows when to focus."

Huffman is Big-Time Talent

Canisius played to a 0-0 tie after one quarter but scored 17 points in the second frame and beat Timon 24-0 last weekend. The Crusaders improved to 5-1 while Timon dropped to 2-4.

"Timon has lost to some great teams," Canisius coach Rich Robbins said. "They've lost to Aquinas and Glen Oak, Ohio. They are a lot better team than 2-4." Robbins said that he was very pleased that his defense played so well.

"To win a league game is always tough," he said. "And to get another shutout is a just a good effort by our guys."

Canisius will now play in Youngstown, Ohio against Cardinal Mooney.

"We've got our hands full," Robbins said. "They have won a lot of Ohio state championships and been a power program for a long time. Mooney is a storied program in Ohio."

Robbins says that playing programs like Cardinal Mooney benefits Canisius in the long run.

"We're excited about the challenge," he said. "Our kids see what kind of team we're playing.

Canisius junior Josh Huffman.

They're excited about getting out and playing a big-time program."

If Canisius is going to have any hope of beating Cardinal Mooney, they will need a big game from WR Josh Huffman.

"The best thing about Josh is his athleticism and his toughness," Robbins said. "He has started here since he was a freshman. He is super quick and can dunk basketballs."

Huffman, a junior, has caught 7 passes for 120 yards. He also has an interception on defense.

"We are getting a lot of Division 1 interest in Josh," Robbins said. "We've heard from UB, Pitt, Syracuse and Missouri. He's a quiet kid and very business like when it comes to football."

Answer The Call!

CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.

"Here am I send me" - This week in **ANSWER THE CALL: Toughness** - Why do we need to be tough?

Simple... **life is tough!** At this point in the season some of the dreams and visions of grandeur for your team may have quickly faded into the sunset. You might even be looking ahead to the next sport.

Let me encourage you that if you finish football strong it will make you even stronger for your next season. The reason is that you will be scratching and engraving the character attribute of perseverance by remaining tough. It is putting the following truth into practice which states...fight the good fight finish the race keep the faith.

Toughness is physical and mental strength while possessing great endurance under pressure. It is being strong,

courageous and not afraid or dismayed when things look bad.

When that pressure comes to give in or succumb to peer pressure, hang onto to these 4 thoughts.

Decide to **Believe, Think, Love** and **Work** with all your heart. These 4 attributes will make you complete.

Focus on doing the ordinary practice - extraordinarily. This will scratch and engrave the character trait of perseverance in you.

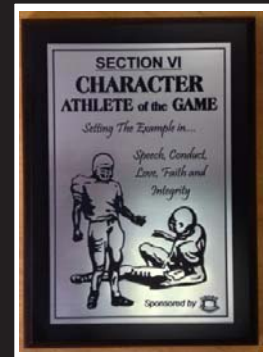

Family loves and does not quit on each other because of the bond of Love which sacrifices for the benefit of others. Finish is playing to the whistle with your head up.

Alden Bulldogs making last-minute wins a habit

By Mark Adair

For the fourth time in six games Alden fashioned a thrilling, last-minute victory when the Bulldogs beat Olean 29-20 last weekend.

Alden trailed 20-0 at the half and was looking at their 41-game winning streak against WNY opponents going up in flames.

"We just couldn't click offensively," Alden coach Rob Currin said. "Olean's defense was playing extremely well and we just couldn't do anything. We dropped passed, we missed blocks, we had blown coverages."

At the break, Currin addressed his players.

"Olean was doing everything we expected," he said. "We just were getting out-played. Character is not revealed when things go well, but when there is adversity."

He gave his players a choice.

"We told them that they could continue getting smacked in the mouth," he said, "or they could go down swinging. Every kid came out and turned it into a fight."

On the first play from scrimmage in the second half, QB Brian Stoldt hit Austin Hopicia with a 74-yard TD pass.

"That gave us a spark," Currin said. "Our kids started playing outstanding defense. We ended up with 8 sacks."

The offense, however, still couldn't get out of its own way. Eventually, the Bulldogs trailed 20-6 with just 4:34 left in the game.

Apparently, Alden had the Huskies right where they wanted them.

"I can't say that there was one certain thing that happened," Currin said. There was no magical moment. It was just the result of a group of people that have faith in

zone and Alden finally led 21-20... but it still wasn't over.

The Huskies started their own frantic drive to get into position to try a game-winning field goal.

Olean had actually reached inside the Alden 20-yard line but Lyle Grant stepped in front of a pass and took the interception 85 yards for a touchdown. Another 2-point conversion sealed the game with 1:05 left.

Three touchdowns, a pair of 2-point conversions in 3 minutes, 29 seconds of playing time.

"Our kids were amazing," Currin said. "What an effort on their part. It's been our story all year."

Alden is now 6-0 but this season has been anything but easy. Games against Eden, Hutch Tech, Pioneer and See "Cover Story" on page 23

each other."

Alden got a break when they turned a broken play in a TD. Stoldt tossed a pass to Tom Wideman who fought his way into the end zone to complete a 10-yard scoring play.

Alden had closed to within 20-13.

"The coaches, the players, everyone believes in each other," Currin said. "That mentality helps to make a 20-point deficit manageable."

Alden then stopped the Olean offense and forced a punt.

With the clock ticking away, the offense produced a frantic drive and Lyle Grant scored on a 20-yard run up the middle.

Alden still trailed 20-19.

"We decided to go for two," Currin said. "I figured we had all the momentum so we wanted to try and get the lead right then."

Stoldt ran into the end

now Olean have come down to the final minute. In three of those games, Alden trailed and needed to score to keep their streak alive. Only against Pioneer did the Bulldogs have a lead going into the final minute.

"This has shown us that this team has thrived in the face of adversity," Currin said. "These kids do not pack it in. They use their full 48 minutes and this is really something to be proud of."

Dylan Dussault finished with 5 of the Bulldogs 8 sacks. Stoldt completed 13 of 23 passes for 207 yards and 2 TDs.

Stoldt has also proven himself to be more than cool in desperate situations. He has engineered three game-winning drives in the final minutes this season.

"There is no stat for come-from-behind wins," Currin said. "Brian has the mind of a coordinator and the body of an athlete. His week of preparation for each game is as intense as any of our coaches."

Currin says that Stoldt works incredibly hard to make sure his team is ready by game time.

"He will watch film all weekend," Currin said. "On Monday, we talk about what he's seen in homeroom. If he has a break during the school day, he'll make sure everything is done academically and then he will be with me watching film."

But, Stoldt's studying is not confined to the school day.

"Every Monday or Tuesday night, he hosts a team film session at his house," Currin said. "He'll have the offensive line or the running backs meet at his house to watch more film. The kid watches as much film as the coaches do."

All throughout the week, the senior QB will give input to Currin on possible tweaks and changes to the offense.

"The coaches decide what we like," Currin said, "and then I'll meet with Brian. He has a lot of liberty to talk to me about what he likes or doesn't like."

Currin has full faith that what his QB thinks is as important - and maybe even more important - than what the coaches think.

"His greatest strength is his football mind," Currin said. "It's not normal. This is my first year as a head coach and to not utilize his brain would be incredibly stupid."

Stoldt said that the Bulldogs actually benefitted from the coaching change when legendary Dick Diminuco retired and Currin took over.

"With all the changes in our program, there were a lot of spots still open," he said. "A lot of young kids had a chance to move up and get starting jobs. As that happened through the summer, guys got that sense of battling and to keep fighting. That is really starting to carry over to the season. All that battling we did in the summer has paid off."

Stoldt (5-11, 185) has an academic average of 94 and is ranked 30th in his class of 159 students. He will play college football but is undecided about a major.

"I'd like to major in Psychology and Sports Studies," he said. "One day, I want to be a college coach. I want to go as far as I can with it. I love the game so much and that's a challenge I really look forward to."

2013 FOCUS ON

Fron Leads Kenmore West

Kenmore West clinched a home game in the first round of the Class AA playoffs with a 34-12 win at Lockport last weekend.

"We really wanted a home game," coach Rich Harris said. "It was important for the kids."

The Blue Devils will host Lancaster in the first round of the playoffs.

Kenmore West lost to the Redskins 22-7 in the season-opener.

"Lancaster beat us in the rain," Harris said. "We turned the ball over 6 times. When you turn it over 6 times, you are in trouble."

After losing to Lancaster, Kenmore West lost to Jamestown 50-28. The 0-2 start guaranteed that the Devils would be overlooked for much of the season.

"We've had a good team all year," Harris said.

"We were pretty good in Week 1 and again in Week 2. We were beating Jamestown with 4 minutes to go in the third quarter. We are the only team to give Jamestown a tussle this year."

If Kenmore West is going to advance in the playoffs, they will need a few big performances from QB Adam Fron.

"He spent a lot of time in the off-season preparing himself," Harris said. "He has spent time with personal trainers, quarterback coaches and he has worked on his strength and conditioning."

Fron completed 9 of 17 passes for 241 yards and 2 TDs in the win over Lockport last weekend.

"He has been a great leader all year long," Harris said. "He has been at everything we have done in the winter and the spring. He has played really well because of the work he put in during the off-season."

been fantastic this year," Harris said. "I couldn't ask for anything more from a quarterback."

Before the playoffs start, Kenmore West will play their crosstown rival Kenmore East in the annual regular-season finale.

"This game is exciting," Harris said. "This is just as big as everything else that happens during the season. This is a community event and it's for bragging rights. It's a game the kids remember all their lives. There are dress up days, pep rallies and concerts. We need to stay focused."

Fron, a team captain, is an outstanding student who will graduate from West's International Baccalaureate Program.

"Getting an IB Diploma is even more advanced than taking all the AP courses," Harris said. "Top colleges will take a look at that. I think Adam wants to play at Cornell."

Fron has passed for 962 yards and 6 TDs this season. He has a 120.2 QB Rating.

It's not the critic who counts.

**Not the man who points out where
the strong man stumbled or where
the doer of deeds could have done
them better.**

**The credit belongs
to the man
marred by the
dust and the sweat
and the blood;**

**who strives valiantly;
who errs and comes
short again and
again and again...**

**...who at best knows,
in the end, the triumph
of high achievements
and who, at the worst,
if he fails at least fails
while daring greatly,**

**so that his place will
never be with those
cold timid souls
who know neither
victory or defeat.**

- Theodore Roosevelt
