Kraig Kurzanski Honored for Win

Williamsville South coach Kraig Kurzanski was named the Buffalo Bills-National Guard Coach of the Week after his team beat North Tonawanda 45-20 last weekend.

"That was a good win," Kurzanski said. "I'm feeling real confident about our team. We have a lot of good players and they are excited and focused."

The Billies improved to 4-0 with the win as they head into their annual Yom Kippur game that will be played this Thursday evening against crosstown rival Williamsville East.

"The East game is a big thing in our community," Kurzanski said. "It's the closest thing to a rivalry that we have. All the kids grow up together and they all know each other."

Kurzanski said that playing on Thursday makes the week difficult.

"We have to be careful that we don't wear our kids out," he said. "It limits what we can put in that week. It can be difficult."

In the win over North Tonawanda, the Billies jumped out to an early 14-0 lead.

"We started out pretty good," Kurzanski said, "but NT is a pretty good program and they fought back."

The Lumberjacks had scored to pull within 14-7. But South's Matt Foster returned the kickoff 99 yards for a touchdown and a 21-7 lead.

"We never really looked back after that," Kurzanski said. "They worked hard to score and cut into our lead and within 13 seconds we scored again. It's like a punch in the belly when that happens. It's pretty huge."

Williamsville South had won their previous three games by a total of 13 points - something that critics had pointed to as a sign that the Billies weren't that good.

"We had opportunities to score but didn't," Kurzanski said. "We sold our kids that we needed to

finish games. This time they did."

In addition to enjoying his team's 4-0 start, Kurzanski is also overcoming a scare.

On Labor Day, just 4 days before the season started, he was admitted to the hospital with a heart ailment.

"I was in the hospital for three days," Kurzanski said. "I'm blessed to have great assistant coaches and they really stepped up that week."

Defensive coordinator Brian Swatland assumed the role of head coach while Kurzanski was in the hospital. Offensive coordinator Tom Woodruff and Line

Coach Kevin Lester also assumed part of Kurzanski's normal duties.

"I think one of the most under appreciated people in high school sports are the assistant coaches," Kurzanski said. "I am fortunate to have good ones."

The Billies preparation for the season opener did not seem to be affected.

"Our kids were very good," Kurzanski said. "They understand that I'm just one

of the coaches, not the whole program."

Kurzanski's players stayed in contact with him throughout the week.

"They called and texted me," he said. "That meant a lot to me."

Kurzanski rejoined his team on Thursday.

"I got out of the hospital and my wife took me to practice," Kurzanski said. "The kids were waiting for me. The doctor says that I am allowed to coach so that's what I'm going to do."

Kurzanski says he will have to change a few things in order to continue coaching.

"I have to change my eating and stay off of caffeine," he said. "But, other than that, we're back and we are working on winning the next game."

Cheektowaga faces tough two weeks

Cheektowaga improved to 3-1 with a 46-23 win over Amherst last week. The Warriors led 20-17 in the third quarter before pulling away.

"The meat of our schedule is in front of us," coach Mike Fatta said. "We've won our first two league games, so we like what we are doing so far. We are just trying to improve our own team because the next two weeks will dictate our season."

Cheektowaga is 2-0 in B Central games and has two crucial contests coming up. The Warriors will play at Depew this Friday before playing Alden at home.

"Depew is the defending champions in Class B," Fatta said, "and we know Alden is a good team. We're trying to make the playoffs so these next two weeks are pretty big."

Fatta says that his team has been inconsistent this season.

"We have a young team this year," he said. "We have just one

Cheektowaga senior Robert Wilson #56.

returning starter from last year on defense. Getting the kids to play consistently for four quarters of football has been a challenge."

If the Warriors are going to emerge as the best team in the B Central Division, they will be relying on senior center Robert Wilson to lead the offense.

"He's an intense kid who never takes a play off," Fatta said. "He plays at a high level and is physically dominant."

Wilson, a 3-year starter at center, is a team captain.

"He's our true captain, the team leader," Fatta said.

"Most of the time, the spotlight gets shown on all the offensive weapons we have. But he is a dominant center and definitely one of the team leaders."

Wilson (6-0, 215) has an academic average in the high 90s.

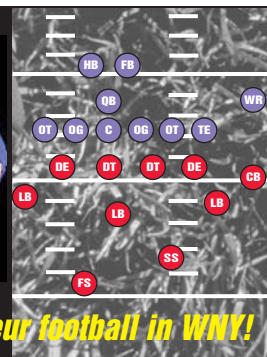

"We do a lot of zone blocking and he understands it," Fatta said. "He's an intelligent kid."

Wilson also plays baseball at Cheektowaga.

"He's a driven kid," Fatta said. "He's a very good athlete and he does great with his academics. He's pretty fiery out on the field and he's definitely the leader of our group."

Players of the Week

Offense

Marshawn Gibson simply exploded as he led Cvheektowaga to a 46-23 win over Amherst. Gibson ran 27 times for 333 yards and 6 touchdowns. Gibson scored on runs of 3, 67, 55, 23, 4 and 50 yards.

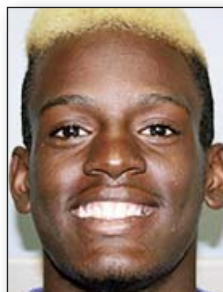

Defense

Darrell Sanders had a huge game as he led Burgard past Medina 36-6 last week. Sanders made 11 tackles and recorded a QB sack. In the third quarter, Sanders picked up a fumble and returned it 75 yards for a touchdown.

Special Teams

Terrell Ford took the second-half kickoff and returned it 87 yards for a TD as Kenmore West rallied from a 12-6 halftime deficit to beat Niagara Falls 30-26 last weekend. Ford also rushed 22 times for 196 yards and TDs of 9 and 63 yards.

QB Sparks South Park Offense

South Park beat West Seneca East 14-7 last week to improve 3-1 on the season, 3-0 in A South Division games.

What surprised most area fans is that the high-flying Sparks won a defensive battle.

"I know what the perception of our team is," South Park coach Tim Delaney said, "but we do play well on defense. Our kids usually execute the defensive game plan pretty well. And we have some tackling machines at linebacker."

The Sparks led just 6-0 at the half and trailed 7-6 entering the final quarter.

QB Tyree Brown snuck in from 1-yard out for the game-winning TD midway through the fourth quarter.

"West Seneca East did a great job keeping the ball away from us," Delaney said. "But our defense did a great job keeping us in it."

Brown completed two passes to DeAndre Brown on the game-winning drive.

"That put us in position to score," Delaney said. "Those were two nice passes at pretty critical times."

The Sparks only loss this season was to St. Francis. While South Park lost 34-12, they trailed just 13-12 entering the final quarter.

"We turned the ball over seven times that night," Delaney said. "You're not going to beat anyone doing that."

Delaney scheduled the game against St. Francis simply to get his team ready for the tougher competition they will face in the post-season.

"We are trying to play against good football programs," Delaney said. "Whether it's a private or public school doesn't matter to us. We think playing a team like St. Francis will help us when it comes to the post-season."

Delaney did a similar thing a year ago when he scheduled a game against Jamestown, the eventual Class AA champions.

"We want to be known as one of the top programs in the area," he said. "If you're going to do that, you have to play against other top programs."

While the Sparks have a reputation as a high-flying offensive scoring machine, Delaney says his team hasn't actually played that well on offense.

"We are slowly coming along," he said. "We're getting better each week. I think that once we find a rhythm on offense, we will be tough on that side of the ball, too."

South Park (3-1) will host Hamburg (4-0) this weekend in a game that will probably decide to the A South Division title.

"This is a huge game," Delaney said. "The Division title is very important to us."

In 2013, South Park won the A South title for the first time in school history. But the Sparks lost in the first round of the playoffs to eventual Class A champ Williamsville North.

"When you are chasing a title, it's a little easier to gear up to try and get one," Delaney said. "We want to hold on to what we won last year. Now we are getting everyone's best shot every week. And our goal is to go further this year."

If the Sparks are going to win the A South and advance in the playoffs, they will need a big performance from junior QB Tyree Brown.

"He did not play quarterback on the JV team last year," Delaney said. "He was a really good skill player. When we brought some kids up at the end of the season, he took some snaps at QB because we had an idea he would be the starter this year."

Delaney says he needs a play-maker at the QB spot.

"His athletic ability is outstanding," he said. "He

can throw the football but his running ability gives us an extra dimension at quarterback. He is a phenomenal athlete and has a chance to be an exceptional player."

Brown was timed at 4.55 in the 40-yard dash at the University at Buffalo's football camp this past summer.

"He's pretty quick," Delaney said. "And he's an excellent runner. He rushed for over 100 yards against West Seneca East."

Brown (5-9, 170) is not a powerful bruising runner.

"He's not a scrawny kid," Delaney said, "but we have other kids who can pound the ball inside."

Brown injured his ankle in the loss to St. Francis.

"He couldn't run that night," Delaney said. "We want him to carry the ball on a third of the carries. It really changed what we were trying to do that day. He's back to 100 percent now."

Delaney's past two QBs, Maurice Howie and Tyler Mascio, were Connolly Cup finalists.

"We've been lucky to have a kid that can play the QB position the last few years," Delaney said. "Tyree is still maturing in the offense and will do nothing but get better. As he continues to get better, we'll continue to get better."

Junior RB Leads Lockport

Lockport beat Starpoint 38-35 in the school's annual rivalry game last year.

While the rivalry is still new - this was just the 7th game between the teams - it is quickly growing in both communities.

"Our booster club made \$700 at the snack bar for the JV game that morning," Lockport coach Greg Bronson said. "It was a big crowd. And the varsity game over at Starpoint was pretty full, too."

The close proximity of the districts makes a "rivalry game" a natural for Bronson.

"A lot of our kids play with their kids in Little Loop football," he said. "Our kids know each other from way back."

Lockport is now 2-2 on the season, 1-1 in AA North Division games. The Lions lost 5 turnovers in their loss to Lancaster and 4 more in their loss to Kenmore West.

"We have been in position in both losses," Bronson said. "If we don't turn the ball over, we have been in the games."

The Lions trailed 27-26 at halftime of the win over Starpoint.

"It was quite entertaining for everyone who was there," Bronson said, "but it was a little hair-raising for the coaches."

Lockport junior Khalil James.

Lockport junior Khalil James rushed for 205 yards and 4 TDs in the win.

"This is his first year of high school football," Bronson said. "He didn't play JV or modified. We were hoping he would be a good back-up this season because he wasn't real familiar with our system."

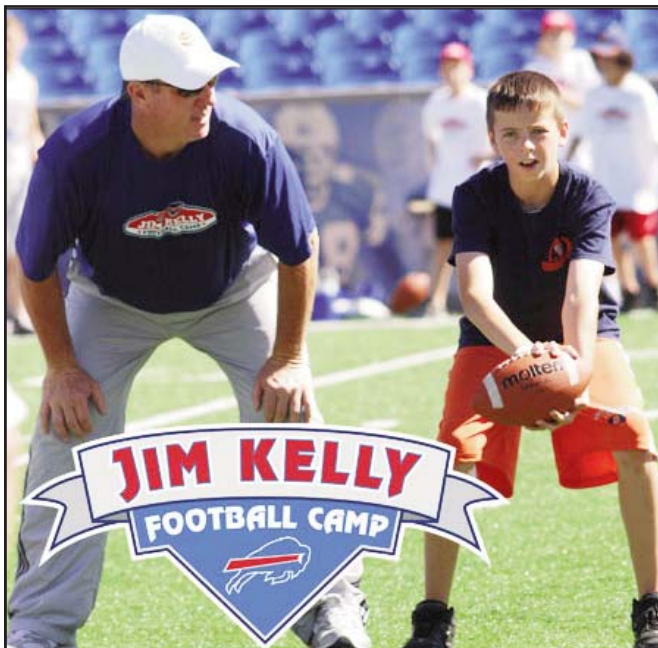

Instead, James (5-7, 145) has become the feature back in the offense.

"He had 128 yards on 9 carries against Niagara Wheatfield," Bronson said. "He's

a very talented athlete. He's not very big but he's tough, tenacious and very fast."

James is also getting the hang of varsity football, Bronson says.

"Khalil is a very astute kid with a good sense of humor," Bronson said. "He's learning the varsity game and doing well."

Sophomore QB Stars for OP

Orchard Park beat Erie (Pa.) McDowell 44-14 last week to improve to 4-0 on the season.

"I thought McDowell was very good," coach Gene Tundo said. "They have big kids, they are strong fast and have a big quarterback."

Tundo scheduled the game with the Pennsylvania school because both teams had an open date.

"We had played them in lacrosse," Tundo said. "We also played them in tennis and soccer. I thought it would be a great test for our kids."

The Quakers passed the test with flying colors.

"I thought our kids played great," Tundo said. "I

think we beat a very strong football team. Our kids played hard the whole game."

Orchard Park will play at Clarence this weekend - and return to the site of the famous "Yellow Jersey Game" that the Quakers lost four years ago.

"That 'Yellow Jersey Game' popped in

my mind more than once this week," Tundo said. "That was the craziest game I've ever I've ever been a part of."

If Orchard Park is going to contend for the Class AA title this fall, they will need

to get big games from their sophomore QB Dillon Janca.

"He has worked very hard ever since the end of last season," Tundo said. "He trains two or three times a week with Jim Kubiak's QB school. He came to every workout we had. He's done everything possible to win the job."

Janca has passed for 837 yards and 13 TDs this season.

"He has the right mentality," Tundo said. "We call four

plays at once and he picks the best option. He has so much poise that nothing bothers him."

Janca calmly faced a fierce pass rush in the win over McDowell.

"They sent seven players after him almost every play," Tundo said. "He doesn't get rattled. He's doing a great job."

Grand Island Stays in Race

Grand Island beat Kenmore East 31-20 last week and stayed in the race for the Class A division title.

The Vikings had to overcome a disaster at the end of the first half. With a 9-7 lead, Grand Island had the ball in Ken East territory. But a QB sack caused a fumble and Ken East returned it 65 yards for a TD and a 14-9 lead.

"We took too long to get rid of the football and we missed a block," coach Dean Santorio said. "We had a chance to come away with points and it turned in to that. Not a very good way to end the half."

Santorio said he did not make any adjustments during the break.

"We did not say one word of Xs or Os," he said. "We just felt that our kids were taking them for granted when they see the 0-3 record. Ken East is much better than their record."

Santorio said his team's intensity flagged and it showed with 6 turnovers.

"We need to make sure that we understand how important ball security is," he said. "If we play clean football, don't turn it over and don't take penalties, we can play with a lot of people and win some games."

If the Vikings are going to make the Class A playoffs they will need big games from senior Anthony Mosher.

"He covered the top receiver from Ken East," Santorio said. "He's is 6-foot tall, has good speed and does a good job in coverage."

Mosher starts at CB and WR for Grand Island.

"He's an extremely hard worker," Santorio said. "He's had two really nice games and has made our offense better."

Photo by Mark Adair

Grand Island senior Anthony Mosher.

Mosher, who maintains a GPA of 3.5, has caught 4 TD passes in the past two weeks.

"He's really quiet on the field," Santorio said. "He just goes about his business. He's never had a day where he didn't work hard."

Macks Rely on Keyon

McKinley beat Lake Shore 38-14 last week to improve to 2-2 and stay alive in the race for the Class A playoffs.

"We started a little slow like we have the last couple of games,' coach Ed Wilson said. "We were better in the first half than we have been but we still need to come out better."

Wilson says he needs his players to focus at the beginning of games.

"For whatever reason, we've come out flat in the first half," he said. "We were down 21 points at the half to Hamburg. We did better in the second half but we haven't played a full four quarters yet."

The win over Lake Shore was the best game the Macks have played.

"It started to come together for us," Wilson said. "Hopefully we can stay on that progression."

McKinley will play Iroquois this weekend in a game that may decide the final seed for the A playoffs.

"This is a big game and we need to start fast," Wilson said.

In the win over Lake Shore, QB Keyon Johnson rushed for 211 yards and scored a TD on a 71-yard run.

Photo by Dan Nesselbush

McKinley senior Keyon Johnson.

"He had a couple of long runs called back for holding," Wilson said. "He was lighting it up."

Johnson is one of the fastest players in WNY.

"He's very fast," Wilson said. "The only player I have seen faster was Stephon Johnson two years ago."

But, Wilson says, Johnson is a complete QB and not just a runner.

"He can do it with his feet,"

Wilson said, "but he can do it with his arm, too. He can

throw the football."

Johnson has rushed for 338 yards and thrown 3 TD passes this fall. He is also coming into his own as a team leader.

"If he needs to be vocal, Keyon can be vocal," Wilson said. "He's a very professional, well-mannered young man."

Mead Leads Barker to Win

Barker-Roy-Hart rallied to beat Newfane 24-21 last week and earned their first win of the season.

"It's been a tough couple of weeks," coach Bill Bruning said. "We lost a few starters with injuries and with all the adversity that the kids have been through, it was nice to come out on top."

Barker is now 1-3 on the season and is hoping to make a late run at a playoff spot.

"We're just talking about how we need to get better each week," Bruning said. "We can't rest on one victory. We need to compete in every practice and drill."

Bruning says his team has played hard this season.

"I like our kids a lot," he said. "They want to get better and they're improving every week. We've had to move a lot of kids around because of injuries but the kids are staying positive and they are working hard."

If Barker is going to make a late push,

they will need big games from senior Josh Mead.

"He'll play anywhere you ask him to," Bruning said. "He won't complain. He'll just step in and do the best he can."

Photo by Mark Adair

Barker-Roy-Hart senior Josh Mead.

Mead (6-0, 195) has seen time at running back, full-back, tight end, linebacker and defensive line this season.

"We had a our punter get injured and Josh had play that role, too," Bruning said.

Mead rushed for 136 yards and a TD in the win over Newfane.

"He's a power runner," Bruning said. "He has good lateral speed but mostly he just runs straight ahead."

Mead is also a top student, a team

captain and the Student Council President. He is also on the basketball and track teams at Barker.

"He's a quiet kid and a hard worker," Bruning said. "He just goes out and does his job. He's a great kid to have on the team."

Boling Leading Warriors

Tonawanda trailed Alden 21-14 after three quarters but surrendered a pair of TDs in the final frame and lost to Alden 33-14 last week.

The tough loss continued two weeks of frustration for the Warriors.

"The last weeks have been like this," coach Rob Gross said. "Our kids have played hard."

Tonawanda trailed undefeated Depew 21-14 late in the game but lost 35-14.

"We were right there, toe-to-toe with Depew," Gross said. "Depew and Alden made some big plays. We are competing and playing hard."

Tonawanda will face Amherst this week, hoping to climb back into the Class B playoff race.

"We are in a tough division and there is no week off," Gross said. "Amherst is a very good team. They beat East Aurora who leads the South Division. We need to play our best football this week."

Gross is not dwelling on the losses.

"The season is really a series of nine 7-day seasons," he said. "We need to correct some things and learn, but you need a short memory. We need to get better every week."

If the Warriors are going to make a late run in the standings, they will be relying on senior QB Tristan Boling.

"He's a natural athlete," Gross said. "He's made a lot of the plays over the last 3 years."

In 2012, Boling tied the school record for receptions in a season as a sophomore.

He was moved to QB before the 2013 season.

"We wanted to take our best athlete and make him the QB," Gross said.

"He can make moves and create things in space."

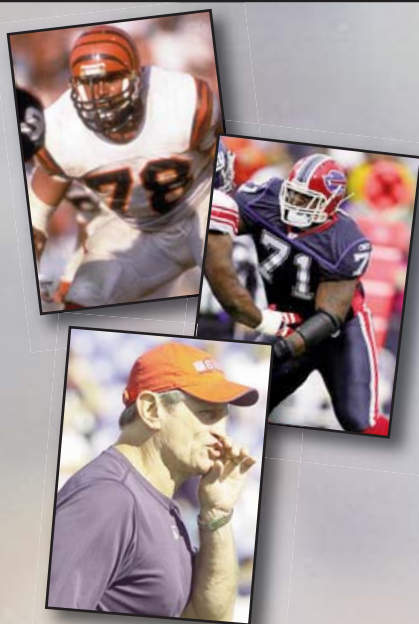

Boling (6-1, 180) is a team captain and is also a starter on the basketball team.

"When he gets in the huddle there is a command to his voice," Gross said, "and the guys know he's in charge."

Olean Moves to 4-0

Olean led 7-6 early in the second quarter pulled away to beat Dunkirk 28-6 last weekend.

The win improves Olean to 4-0 for the first time in several years.

"The crowd was amazing," coach Mike Kane said. "The students are excited and the people in town are excited. The whole atmosphere has been fun."

Olean will play at East Aurora this weekend with first place division on the line.

"We've improved every game," Kane said. "That was our goal from the beginning of August. If we get better every week, we have a good shot at this."

If the Huskies can beat East Aurora and Fredonia over the next two weeks, they will virtually assure themselves of a home game in the first round of the Class B playoffs.

"Our goal is a home playoff game," Kane said, "but we need to take it one step at a time. We have East Aurora this

week and the kids know that they have to prepare. But every time we have raised the bar, the kids have stepped up and met the challenge."

If Olean is going to win the B South Division, they will need more big games from senior Jaryd Plaud.

"He runs real hard and he has incredible speed," Kane said. "He's a sprinter on the track team and he's qualified for the sectionals every year."

Plaud took a screen pass 79 yards for a TD in the win over Dunkirk. He also took an inside handoff 52 yards for another score.

"Earlier this year, Springville had us backed up inside the 3 and he

took it 97 yards," Kane said. "He really has incredible speed."

Plaud is a 3-year starter at Olean. "He's a good kid," Kane said. "He's a team player and he plays hard all the time. He's the kind of kid you want on your team."

Lackawanna's Man of Steel

Lackawanna trailed 6-0 after one quarter but exploded for 20 points in second frame and beat Akron 20-12 last week. The defense slammed the door in the second half to secure the win.

"Our defense played pretty well," coach Adam Tardiff said. "Our defense needed to get a little stronger and we've done that."

The Steelers recorded 7 QB sacks and two interceptions in the win over Akron.

"They played hard," Tardiff said. "We really limited the scoring opportunities."

Lackawanna improved to 2-2 with the win. The Steelers are 2-0 in league games and are fully in the thick of the C North Division title race.

"We have a very young team this year," Tardiff said. "We are starting a freshman, 3 sophomores and 5 juniors. It was our goal all along to play two tough non-league games to get our kids some experience and get better."

The Steelers have three C North games left on the schedule.

"We are continuing to get better each week," Tardiff said. "We want to win the division and that's still out there for us."

Photo by Mark Adair

Lackawanna senior Aseel Albaneh.

If Lackawanna is going to challenge for the title, they will be following the leadership of senior lineman Aseel Albaneh.

"He's a good kid and a great leader," Tardiff said. "He's our team captain for a reason."

Albaneh (5-11, 235) starts at OT and DT. He leads the Steelers with 22 tackles, 5 for loss.

"He's quick off the ball," Tardiff said, "and he's a strong, tough kid."

Albaneh is only in his second year of football.

"He was a soccer player," Tardiff said. "But he wanted to play football."

Albaneh is also a solid student with an academic average in the 90s.

"He's a good student and has good grades," Tardiff said. "He's a natural leader and the kids look up to him."

Salamanca Looks to Rebound

Salamanca fell behind early and lost to Southwestern 42-20 to fall to 2-2 on the season. The Warriors have lost to Southwestern and MGCLake this season. Both teams are undefeated.

"We've lost two games to the top Class C programs in Western New York," coach Jason Marsh said. "We just had too many mental mistakes."

Salamanca has a pair of league games remaining on the schedule. If the Warriors win both, they will qualify for the Class C playoffs.

"We still control our own destiny," Marsh said. "We need to play well against Allegany this week and get our feet under us." Allegany-

Limestone enters this week's game at 0-4.

"They are trying to get back on their feet as well," Marsh said. "We still have questions about ourselves so there is no chance of taking them lightly. If we win this week, we'll have things going in the right direction."

If Salamanca is going to rebound and make the Class C playoffs, they will need some big games from senior QB Jared Fish.

"Jared has a good, strong arm," Marsh said. "In our read-option system, he runs the ball quite a bit."

Fish has passed for 405 yards and 6 TDs this season. He has also rushed for 190 yards.

"He has done a really good job reading the option," Marsh said. "He's a smart kid and really understands what we are trying to do."

Fish (6-7, 205) is the tallest QB in Western New York and also starts for the Salamanca basketball team.

"Basketball is his first love," Marsh

said. "but he's a competitor. He wants to be out there no matter what the sport is."

Fish is also a solid student and is becoming more of a team leader.

"He's a good student," Marsh said, "and he's becoming more vocal. In the last two years he's become a very good leader."

Randolph #88

Randolph jumped out of the gate early and beat Sherman-Clymer 42-0 last weekend. The Cardinals improved to 3-1 on the season, 3-0 in Class D games.

"It appears that we're getting healthy now," coach Brent Brown said. "We certainly have started to execute better each week."

Randolph has now won three straight games after opening the season with a loss to MGCLake.

"We've gotten better each week," Brown said. "That was our only goal... get better every week."

Randolph will now play a game that will probably determine the outcome of the Class D division race.

The new merged team of Franklinville-Ellicottville enters the game 4-0.

"They look very good," Brown said. "We just have to execute. We know what both teams were like last year but it's hard to tell what you'll face after a merger. They have some pretty good football

players added to the mix from each school. We'll have our hands full."

If Randolph is going to repeat as Class D champions, they will need more big games from junior Mason Bosley.

"He blocks well and he can catch the ball," Brown said. "He got hurt in the scrimmage and missed the first game. It was nothing major but it hurt us."

Bosley (6-2, 225) starts at MLB and TE for Randolph.

"He's rawboned and cagey," Brown said. "He's smart too. If you beat him one time, you won't beat him again. He'll get position on you the next time."

Bosley has caught 12 passes for 268 yards and 5

TDs this season. He also started for the varsity basketball team as a sophomore.

"Our offense revolves around a good blocking tight end," Brown said. "He moved to the district before his sophomore year and we knew right away he'd be a good one. We're lucky to have him."

Joe's Readies for Canisius

St. Joe's trailed 16-7 after one quarter but rallied to beat St. Francis 34-30 last week. Marauders' coach Dennis Gilbert said he talked to his players after the disastrous first quarter.

"It's not the mistake you make, it's how you respond," Gilbert said. "You can't let anything rattle you. We just kept telling them that we have to go win the next play and turn the momentum back our way."

St. Joe's trailed 30-28 with less than 3 minutes to play as St. Francis was trying to run out the clock.

Matt Jeffries caused a fumble with a QB sack and Josh Jackson scooped up the ball and ran 66 yards for the game-winning TD.

"We talked about being resilient," Gilbert said. "With a young team that's something you have to learn and I think we learned that against St. Francis."

The Marauders improved to 2-2 with the win and will now host arch-rival

Canisius, the top-ranked team in NYS.

We have not talked about Canisius at all," Gilbert said. "All the pomp that goes into Canisius Week is for the kids that don't play and the alums. We have a job to do."

If St. Joe's is going to pull off an upset, they will need more big plays from Jackson.

"He's an under-sized linebacker for us," Gilbert said, "but he's a big hitter and he has great foot speed."

In the win over St. Francis, Jackson (5-10, 165) made 7 tackles, 2 for loss, and intercepted a pass in addition to the TD return.

"He's a good kid," Gilbert said. "He's a hard-nosed player. He could play Division III football but they

would probably move him to safety. He runs a 4.6 in the 40 so he has the speed."

Jackson also runs track at St. Joe's and has an academic average in the 80s.

"He's a real quiet kid until he gets on the field," Gilbert said. "Then he's a handful."

Be Relentless!

CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.

It's week 4 of the football season and what a great time for this word in the "BE RELENTLESS" Character Playbook: LIKE-MINDED.

We are almost halfway thru the season. Distraction, petty jealousy, bitterness or wounded hearts can start to creep in and cause tension. Make every effort to keep peace. That means sometimes you need to humble yourself and regard your teammates above yourself. This will keep an atmosphere of peace.

Like-minded is having the same love, being one in spirit and mind for the purpose of the team.

This means selfishness must be eliminated. When you're in school, attempt to do what is right. That means make every practice (show up). Remember it is not about your

touches or playing time, but what is best for the team. Some day you will need to be Like-Minded for your spouse when you are raising a family.

A word of advice... be swift to hear, slow to speak, and slow to get angry. This is wisdom that will produce more peaceful moments in any situation.

Winston Churchill said, "When there are no enemies within, then enemies outside cannot hurt you."

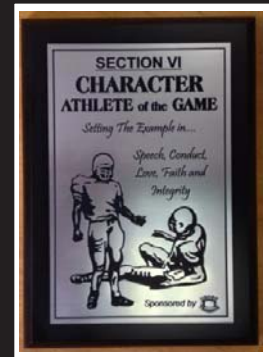

Love is not rude, self-seeking or envious, but Kind and Patient.

Have a great week, strap it up and get after it.

Love Never Fails!

The Gold Crush

LB Brad Zaffram leads a suffocating defense at Canisius

By Mark Adair

Canisius beat Jamestown 27-14 in the one of Western New York's most highly anticipated games in many years last weekend.

Canisius had entered the game ranked #1 in New York State in Class AA while Jamestown came in ranked #3.

Additionally, Canisius was ranked 48th in the nation by the *USAToday*.

"It was just an electric atmosphere," Canisius coach Rich Robbins said. "It was really a state-playoff setting with two great programs going at it. It was great for high school football."

The "Friday Night Lights" added to the excitement for Robbins and his players.

"We mostly play Saturday afternoon games," he said.

"Anytime we get an opportunity to play on Friday night under the lights, it's exciting."

Most estimates put the attendance at slightly more than 6,000 for the game - a figure that Robbins says is pretty close.

"I'd say that's about right," he said. "It's a small town and the stadium was just packed. It's a lot of fun to play in an atmosphere like that."

However, while this was exciting, it's nothing new for the Crusaders. It seems that every week this season has been a big deal.

In Week 3, Canisius traveled to the Cleveland area to play Catholic-school powerhouse Walsh Jesuit.

"There were 3 or 4 thousand people there that night," Robbins said. "They had close to 90 players. They had a 200-piece band at halftime. They had a big scoreboard. It was really Friday night Ohio football."

And the week before that, Canisius hosted Aquinas - a

team that entered the game as the defending NYS Class AA champions and ranked 48th in the nation.

"There were a couple thousand people at that game, too," Robbins said. "So, every week we have something that everyone gets excited about."

And, to top of the run of thrilling settings, here comes the Crusaders annual game against arch-rival St. Joe's. A game that attracts the biggest crowd of the season in Western New York every year.

"It's going to be exciting again," Robbins said. "I guess this is how high school football should be for everyone."

While the annual rivalry game is always anticipated, most area fans feel Canisius has a much stronger team than St. Joe's this season.

"If people are expecting a slaughter, they don't know what this

rivalry means," Robbins said. "They don't understand how hard St. Joe's is going to play. This game means everything to both programs. And we have to go to their house and play against a really good football team."

Robbins says that now, in the middle of Joe's Week, is no time to sit back and reflect on where his program sits.

Simply put, 10 years ago no one would have ever thought that Canisius would ever have a chance at cracking the national rankings in the *USAToday*.

"I think we got too wrapped up in all that stuff last year," Robbins said. "Our focus has been on practicing like a champion each day and playing like a champion every week. If we do that, those big-time goals will be out

continued from page 24

there at the end of the season.”

Robbins did admit to having one fleeting moment of satisfaction earlier this year. When his team took a 40-7 lead at halftime against Walsh Jesuit, he does admit to feeling a sense of pride.

“In 2010, we lost to Walsh Jesuit 58-0 on our home field,” he said. “Watching our kids dominate the way they did, I realized how far we had come as a program. We think we can compete with anybody now.”

The Canisius defense has been suffocating, crushing opponents on a weekly basis. In fact, it’s news when the starters give up a TD, which they have done twice this fall.

Aquinas was shut out. Walsh Jesuit scored one TD. Jamestown scored on an 80-yard pass play and returned a fumble for another TD.

“Our defense has played pretty well,” Robbins said.

And in the middle of the Canisius defense is senior LB Brad Zaffram, a player that Robbins calls the best linebacker in New York State.

“If you watch the film,” he said, “he’s absolutely the best linebacker in the state.”

Zaffram (6-2, 225) is leading the Crusaders in tackles. He has also scored 2 TDs from the fullback position.

“He makes 15 tackles, deflects passes, sacks the quarterback, and then goes and plays offense, too,” Robbins said. “We’ve had some pretty fantastic linebackers over the years and Brad is the best of all of them.”

Zaffram transferred into Canisius after playing his sophomore season at Sweet Home.

“People saw how hard he hit back then,” Robbins said. “Everyone knew he was going to be a great player.”

When Zaffram enrolled at Canisius, the move caused a few hard feelings. Charges of recruiting once again hit one of the area’s private schools.

However, Zaffram’s mother says the move was necessary for her son... and not the football player.

“Our decision had nothing to do with football,” Carol Zaffram said. “Everyone said he was recruited or that we got scholarships. None of that is true. He was going down the wrong path. I needed to do what was best for his future. That was the only thing that entered into it.”

And, while the decision was agonizing at the time, it seems to have worked out well. Brad Zaffram just scored a 1240 on his SAT and will soon receive offers to get a free college education.

And while it took a while to make the transition, Zaffram says he feels at home at Canisius - and in the middle of the Crusaders defense.

“I got fully used to it after last season,” Brad Zaffram said. “This year I feel like I’m at home. I still try to go to as many of the Sweet Home games as I can. Those guys are still my friends and I still hang out with them.”

For right now, however, Zaffram’s thoughts are on one thing... St. Joe’s.

“We’re used to playing big games but this is our rival,” Zaffram said. “At our reunion, no one will ask how we did against Jamestown. They’ll ask if we beat St. Joe’s.”

Starpoint grad Leads Alfred

Alfred University dropped a tough decision to Ithaca 17-6 last weekend. The Saxons led 6-0 at the half but Ithaca rallied for 10 points in the third quarter to take the lead.

Alfred (3-1, 1-1 Empire 8) opened the scoring on its second drive of the opening quarter, driving 89 yards on 13 plays after stopping Ithaca on a fourth-and-one try at the AU 11. Sophomore quarterback Tyler Johnson connected with sophomore wide receiver Brendan Buisch for a six-yard TD pass to cap the 6:51 drive. The extra point missed and AU led 6-0 with 38 seconds left in the first quarter.

"We just didn't make plays in the second half and Ithaca did," Alfred coach Bob Rankl said.

Alfred is now 1-1 in Empire 8 Conference games and will play Hartwick this weekend.

"We have a really good football team," Rankl said. "It will be tough for anybody to make it through the Empire 8 unbeaten. If we win this week at Hartwick, we are right back in it in the Conference."

Rankl says that his players are already focused on the next game.

"It's another work week during the season," Rankl said. "Hartwick is a good football team. We'll go there with the expectation of having a dogfight into the 4th quarter."

Alfred is scoring almost 26 points per game. The Saxons also averages 387 yards of offense per game (237 passing; 150 rushing). Sophomore quarterback Tyler Johnson leads the team in rushing with 396 yards (99 per game) with one touchdown. Johnson has passed for 872 yards, with 10 touchdowns.

One of the reasons that the Saxons offense has been successful is the play of starting right guard Dalton Maska.

"He's a captain of our football team and he is a tremendous leader," Rankl said. "He has a very good work ethic."

Maska, who played high school football at Starpoint for coach Al Cavagnaro, entered Alfred ready to play college football.

Alfred senior Dalton Maska is a Starpoint grad.

"Dalton is a real good model for a lot of the players on our team," Rankl said. "He's always doing the right thing."

Rankl says that one of the most important attributes of a good college football player is self-motivation. Good players simply do not need coaches hounding them to make themselves better.

"It's definitely important at the college level," Rankl said. "It should be important at the high school level, too. If you are going to be a good football player you are going to be self-motivated. If guys come to us and they are not in shape, they don't play for us."

Rankl recruits the Western New York area and put extra effort into landing Maska for the Saxons.

"He looked really good on film," Rankl said, "and he had very good grades in high school. When he came to Alfred as a freshman he had the mentality that he was ready to play right away."

Even so, it's rare for a freshman to make the varsity roster for any team in the Empire 8.

"He showed up for camp and he started competing," Rankl said. "He wasn't shy in camp. We knew we had someone who was going to play ball for us, no doubt. And he did play a little for us that year."

Maska is now a 3-year starter at guard for the Saxons. And he has now grown into a team leader, validated by the fact that his teammates elected him captain during the off-season.

"He's a fiery guy on the field," Rankl said. "He's a vocal leader for us. He does a great job as a captain."

Depew grad coaching at Utica

Utica beat Brockport 42-28 to improve to 4-0 on the season. It is just the second time in school history that the Pioneers have won their first four games.

"We had 3,000 people there on Saturday night," coach Blaise Faggiano said. "I've been on 4 radio shows this week. This town very much supports the college sports and everyone wants to be part of it."

Ryan Wilson

Faggiano said that his players are getting caught up in the excitement, too.

"The kids have worked hard to get to this point," he said. "We have a lot of football left to play. But we feel good where we are at right now. We've never been to the post-season and that's what we want. A shot at the NCAA playoffs."

Utica will now play at Ithaca, where Faggiano was a star when he played college football.

"It's special to go back there but that's personal," he said. "It will be more special if we can win the game."

Faggiano says he has not mentioned once that he played at Ithaca to his players.

"The only way our kids know I went to Ithaca is because they look on the internet," he said. "Because it won't

come from me. Our preparation this week is no different than last week."

Faggiano has been helped this season by yet another assistant coach with Buffalo roots.

Defensive coordinator Will Pluff is a graduate of Kenmore West.

This past summer, Faggiano hired Ryan Wilson as a graduate assistant coach. Wilson played at Depew high school and later played at Edinboro.

"You can tell he is a coach's son," Faggiano said. "He's has a lot of knowledge about the game and he works hard at it."

Wilson played on a state champion team when he was at Sweet Home. He was originally hired to coach the linebackers at Utica.

"All summer he prepared to coach linebackers," Faggiano said. "All of a sudden, we had a staff change and he had to coach running backs. He just made the change and he really is doing a nice job with it."

Faggiano says he will continue to keep strong ties to Western New York with his coaching staff.

"I'm from Rochester and we have 2 guys from Buffalo on staff," Faggiano said. "Western New York is a huge area to recruit for us. There are a lot of good players in Western New York and we want to recruit as many as we can. It can only help when we have guys that can go home to recruit there."
