Fatta Honored for Win over Depew

Cheektowaga coach Matt Fatta was named the Buffalo Bills-National Guard Coach of the Week after his team beat Depew 28-21. The Warriors took over first place in the B Central Division with the win.

"It was a big opportunity for us," Fatta said. "Our last three games of the season are the toughest and that was the first of the three. We still have Alden and then Maryvale."

This was the first time that Cheektowaga has played Depew since losing 14-7 in Class B semifinals in 2011.

"The kids were always looking forward to playing Depew but they weren't in our division," Fatta said. "Our kids wanted to play them because Depew has always had a lot of success over the years."

The Warriors still need to win their final two games to ensure the Central title.

The win over Depew was anything but easy.

"We always talk about playing ourselves," Fatta said, "and making sure to execute and not make mistakes. We should have had a solid lead but we had some penalties and turnovers. A team like Depew will take advantage of that."

With the score tied at 14-14 in the third quarter, Depew took the lead on a 35-yard TD pass but Cheektowaga answered almost immediately.

After Depew's TD, Naeem Shah returned the kickoff to the Depew 20 and Cheektowaga scored in 2 plays later. Marshawn Gibson ran in from 13 yards out to tie the game at 21-21.

After forcing a punt, Cheektowaga took the lead when QB Zak Ciezki threw a 19-yard TD pass to Hakiem Black for a 28-21 lead. After an exchange of punts, Depew began a frantic drive to try and tie the score.

Aided by a Pass Interference penalty on a 4th-and-

10 play, Depew finally reached the Cheektowaga 2-yard line with just :20 left.

A penalty moved the ball back to the 7 and on 4th-and-goal Cheektowaga DB Justin Williams broke up a pass to clinch the win.

"The kids were excited," Fatta said. "We've been working since January for this. This was the first big game in this stretch and they won it. We've got a lot of work to do but everything is right in front of them now."

Fatta started at LB and G for Cheektowaga under coach Dave Wayne, graduating in 1995.

After high school, he went on to play DE at

Canisius College under coach Chuck Williams.

"I learned a lot under Chuck," Fatta said. "He was a big influence in my life."

Fatta graduated in 1998 and then became a graduate assistant coach at Canisius.

He coached the defensive line under Defensive Coordinator Glen Graham, who is now the head coach at Cleve Hill.

After earning his Master's Degree, Fatta got a job teaching

Phys Ed at Cheektowaga Central and is now the assistant principal for the school.

Shortly after he was hired at Cheektowaga, the Canisius football program was cancelled.

"I worked with Ed Argast for a year," Fatta said. "He was turning the program around and doing a great job recruiting. It was terrible when they dropped football."

Fatta was an assistant coach under Scott Zipp for 10 years at Cheektowaga and took over the head job three years ago. Zipp is now the offensive coordinator.

Defensive assistant coach Bob Mucitilli and offensive assistant coach Kyle Lackie round out the staff.

"Those assistant coaches bust their butts," Fatta said. "Anytime you get honored like this, it's really their award too."

Cheektowaga coach Mike Fatta was named the Coach of the Week by the Buffalo Bills and the National Guard. Fatta led his Warriors to a 28-21 win over Depew last week.

Ford Leads Ken West to top of AA North

Kenmore West took over first place in the AA North Division with a 20-15 win over Williamsville North last weekend. The Blue Devils ended North's 10-game winning streak with the win.

"We think we are the best team in our division," Kenmore West coach Rich Harris said, "and we went out and proved it on Thursday night."

The game was played on Thursday night at Depew High School as the Williamsville Schools observed the Yom Kippur Holiday.

Photo by Nick Loverde

Kenmore West junior Terrell Ford.

"It was a short week," Harris said. "You never feel ready when you have to play on a Thursday." Kenmore West led 14-8 at the half and took a 20-8 lead in the fourth quarter. The Spartans scored to pull within 20-15 but that Devils slammed the door after that.

The win proves that Kenmore West belongs in any talk of AA Championship contenders.

"We were in a great game with Williamsville South and lost on a last-second field goal," Harris said. "We played Orchard Park tough and lost in the fourth quarter. This game proves we belong with all those teams." Terrell Ford rushed for 182 yards on 17 carries to lead the offense. Ford scored TDs on runs of 59 and 57 yards.

"He's just dynamic when he gets to the line of scrimmage," Harris said. "He has speed but he's strong enough to straight arm people. He has a great lateral cut. He has everything you want in a running back. He's the total package."

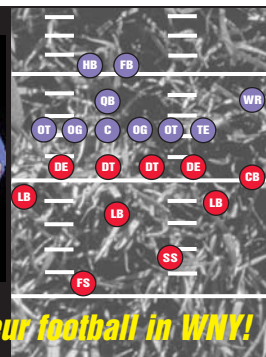

Ford has rushed for 726 yards this season, the 8th-best total in Western New York. "That's pretty good when we played three Top 10 teams," Harris said. "Every big Division I school in the northeast has contacted him. Pittsburgh, Syracuse and Rutgers have all been in contact with him."

Harris says that Ford does not make a ton of noise on the field.

"He's a quiet leader," he said. "Terrell is very polite, a good student and has good character."

Lyle Grant had a huge day as he ran 33 times for 254 yards and 4 TDs to lead Alden to a 32-12 win over Rochester's UPrep. Grant scored on runs of 10, 19, 1 and 30 yards. He also ran for a 2-point PAT and kicked a PAT...

Taylor Leads Eagles to First Place

Cleve Hill beat Silver Creek 28-14 last week to take over first place in the C North Division. The Golden Eagles held a 22-0 lead at the half and had to withstand a Silver Creek rally after the break.

"We were dominating the first half," Cleve Hill coach Glen Graham said. "In the second quarter we kind of exploded on them. We even had a long TD called back."

But, Graham said, he cautioned his players against thinking that game was over.

"It looked like we had them put away," he said. "but I knew they would fight back. When we got a couple of guys nicked up, we were scrambling."

Many area fans did not think that Cleve Hill would be a contender for the C North title this season.

The Eagles lost 24 seniors from last years Class C championship team and many figured this would be a "rebuilding" season for Graham.

"We have a lot of juniors, 2 sophomores and a freshman up on the varsity this year," Graham said, "and even our junior class is less experienced than we have been in a long time."

When the Eagles started 1-2, losing to both Maryvale and Southwestern in the first three weeks, most fans wrote them off.

"Our whole goal from the beginning was to get better as the season progressed," Graham said. "Even though we got beat, the positives we took from the losses made us pretty confident. "We made enough mistakes that we could not expect to win those games. We knew that if we played better, we had chances to win that game."

The Eagles showed signs of improving despite the losses.

"Maryvale and Southwestern are both physical and strong teams," Graham said. "But we liked what were becoming. We were becoming a good football team."

Graham noticed his team getting sharper in practice. "Our competitiveness in practice was the biggest thing," Graham said. "We had our best week of practice before the Silver Creek game. Every kid was dressed and ready to go before I got out there and they put in some quality work."

One reason that the Golden Eagles are back in Class C discussion is the emergence of junior TB Grayson Taylor.

Taylor rushed for 187 yards and a TD in the win over Silver Creek. His 83 yard TD early in the fourth quarter gave Cleve Hill a 28-6 lead and blunted the Knights rally.

Taylor has now rushed 73 times for 765 yards this season, averaging more than 10 yards per carry. He has also scored 8 TDs.

"Our offensive line is confident with him running the ball," Graham said.

Taylor is only 5-9 but he is a solid 190 pounds.

"His size would work against him with certain programs," Graham said, "but he is a pretty strong kid. He squats over 400 pounds. He looks better in a t-shirt and shorts than a football uniform but he is a strong runner. It's hard to bring him down."

Graham actually called Taylor up to the varsity last season, during his sophomore year.

"We brought him up in training camp last year," Graham said. "I thought he should start at linebacker."

Taylor was initially skeptical of playing with the varsity.

"He thought he should play with the JVs," Graham said. "We had the conversation Friday before camp started. I just said, 'Trust me. You're a varsity

football player.' And he started every game at linebacker."

Taylor also played TB when starter Brandon Thomas needed a rest or was injured.

"His first carry as a starter was a 45-yard TD run," Graham said. "We knew we had a pretty good tailback in the making."

Graham says that Taylor played virtually unnoticed last season because of the LB crew he joined.

"We had Josh White and Wayne Jones," Graham said. "Those were two all-state kids and no one noticed how good Grayson was."

Taylor has an academic average near 90 while taking all advanced classes and college courses.

"He's quiet, respectful and responsible," Graham said. "He's an 'A' student. He's just a top-flight young man."

Falls Clinches Playoff Spot

Niagara Falls beat Lockport 27-14 to improve 3-2 over all and 2-2 in the AA North last week. The victory win clinched a playoff spot for the Wolverines.

"We controlled the game," coach Don Bass said, "but we gave up a second-half kickoff return and that got Lockport back in the game."

Trailing 20-14, Lockport drove to the Niagara Falls 20 yard line with less than a minute to play.

"I felt pretty good that we would be able to keep them out of the end zone," Bass said.

With Lockport making a bid to pull the game out with a last second score, Joe Medley and Richie Williams caused a fumble

that RJ Tantillo scooped up and returned it 76 yards for a game-clinching TD.

"We got back to fundamentals," Bass said. "We're very young this year but we are solid. These kids don't quit."

Bass says that his team should win more than 3 games thus far.

"If we don't make mistakes, we can be a good football team," he said. "We're young and we have to learn from the mistakes."

Senior Anthony Vargas will lead the

Wolverines into the playoffs this fall.

"He's a warrior," Bass said. "He's been our best lineman for two years now. He's been nicked up but he's still out there doing his job."

Vargas, a senior captain, is a 2-way starter at center and defensive tackle.

"He has very quick feet," Bass said, "and he's very mobile. He knows what to do and how to do it."

Vargas (6-1, 210) is also on the wrestling team.

"He's not huge

but he's very strong," Bass said. "He's smart. He's like a coach on the field."

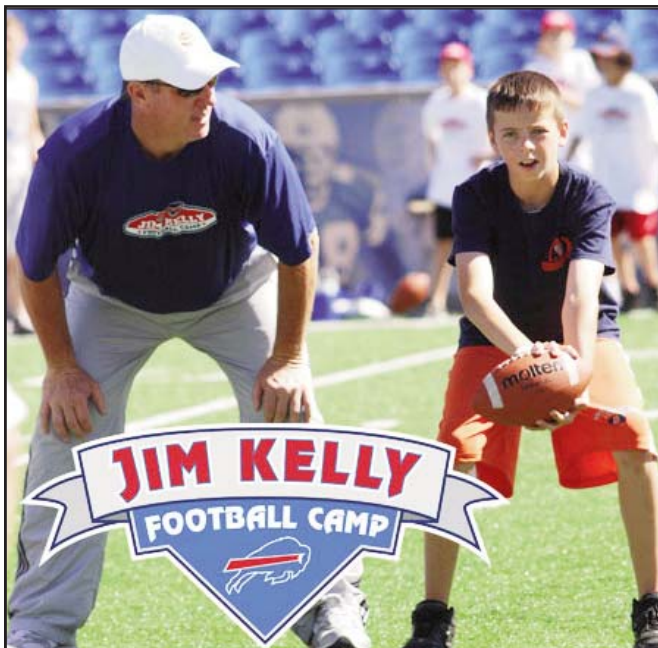

Vargas, who has an academic average in the 90s, is planning on entering the military after high school.

"He was born to be a soldier," Bass said. "He's just an outstanding young man."

Lis Leading Lancaster

Lancaster beat West Seneca West 36-0 last weekend to inch closer to clinching a playoff spot. The Redskins still need one more win (or a Clarence loss) to officially clinch a berth.

"We are doing what we need to do," coach Chris Dixon said, "which is to stay focused on Orchard Park this week. We are playing one game at a time."

The Lancers opened the win over West Seneca West with an emphatic 99-yard drive for a TD.

"After the opening kickoff we got the ball on the 1-yard line," Dickson said. "We took it 99 yards and scored. We took the wind out of their sails."

Dickson says that he is pleased with where his team is right now.

"We are right where we expected to be," he said. "I like how we are playing the last couple of weeks. We've won two straight and we have a great opportunity ahead of us this week."

If the Redskins are going to make the playoffs and advance very far, they will need more big games from senior captain Tyler Lis.

"He's a tough kid," Dickson said. "He doesn't say much. He's not a vocal kid. He's just a tough kid who works really hard in every practice."

Lis (6-1, 195) starts at WR and outside linebacker.

"He's really versatile," Dickson said. "We can split him out wide, put him in the backfield or even have him play at tight end."

Lis is a competitive player, according to Dickson.

"He wants to be perfect," Dickson said. "That's what makes him a great competitor."

Lis, who has an academic average of 96, has caught 9 passes for 108 yards and 2 TDs this fall. He is also one of the Redskins leading tacklers.

NT Needs Mellott to Win

North Tonawanda trailed 6-3 after the first quarter but exploded for 26 points in the second frame and beat Kenmore East 49-25 last weekend.

With the win, North Tonawanda rebounded from losses to Sweet Home and Williamsville South.

"If our kids believe they can win, no one can stop them," NT coach Tony Truilizio said, "We just need to work hard to finish games."

The 'Jacks are in the midst of a dogfight for the last two playoff spots.

Grand Island, Starpoint and NT are fighting over the final two berths from A North.

"Our goal has been to get to the Stadium," Truilizio said, "but to get there, we have to make the playoffs first."

The Lumberjacks will play a crucial game at Grand Island this week.

"It's a one-game season," Truilizio said. "You can use all the cliches."

If NT is going to qualify for the play-

offs, they will need senior captain Taylor Mellott in the lineup... literally.

"He's been on the varsity for three years," Truilizio said. "Every game he has been in, we have won. Every game he has not played, we've lost."

Mellott missed time as a sophomore with a concussion. He missed time last fall with a knee injury.

Over three seasons NT is 13-0 when Mellott plays. They are 0-10 without him.

"He's a phenomenal linebacker," Truilizio said, "that no one pays attention to. He should be getting more attention."

Mellott (6-0, 200) has an academic average in the 90s.

"He just does his job and takes pride in what he's doing," Truilizio said.

Mellott is one of NT's leading tacklers.

"His first move to fill the hole is amazing," Truilizio said. "He's our leader. Even in games he doesn't play, he's still our leader."

Lake Shore Gets First Win

Lake Shore beat East High 43-0 last weekend as the Eagles earned their first victory of the season.

"It felt like surreal," coach Drew Takacs said. "We had everything going on. It was Senior night, it was Pinktober, and it was Homecoming. But the kids stayed focused and put East on their heels right away."

Lake Shore started the game with a fumbled snap and an off-sides penalty.

"But the guys focused and picked it up after that," Takacs said.

On 2nd-and-20 Parker Addison threw flat pass to Matt Weber for a 25-yard gain.

Lawrence Jenkins scored a TD on a 35-yard run the play after that.

Later in the first quarter, Lake Shore recorded 2 QB sacks and a safety.

"Our kids played tough," Takacs said. "Our offensive line was able to push them around and our defensive line controlled the game."

Lake Shore is now 1-4 on the season and Takacs is hoping that his squad can finish strong.

"Last year we started 0-4 and won our last 3 games," he said. "We advanced to the Championship Bowl Game. We think we have a chance to end 3-3 in the division."

If the Eagles are going to finish strong, they will be relying on senior captain Matt Webber. "He developed a lot this year," Takacs said. "I wish we had him for another year."

Webber, is a 2-year starter at FB and MLB,

"He's a very disciplined player," Takacs said. "Matt has become a real leader this year."

Webber also

plays lacrosse at Lake Shore.

"He's a hard-worker in practice," Takacs said. "He takes the lead role right away. He knows this is his last year on the football field and we want to prove to people we are a good team. We're going to play hard until the end."

Bennett Takes Control

Bennett led 14-0 at the half and turned away a second-half rally to beat Burgard 20-12 last weekend.

"I knew it was going to be a hard-hitting game," coach Steve McDuffie said. "Playing Burgard was a slugfest."

For the first time this season, Bennett was challenged until the end of the game.

"We had to play four quarters against Burgard," McDuffie said. "I know we'll have to play all four quarters the rest of the way."

McDuffie has not wavered in his goal of leading the first City of Buffalo team to play at The Ralph this year.

"We're trying to stay focused and stay together," he said. "We need to continue to practice hard and take one game at a time. At the end of it, we should be there."

With the win, Bennett has taken control of the B North Division. They can clinch the division with a win at Albion. "This will be a tough game,"

McDuffie said. "Albion has good athletes and we have to gear up to stop their passing game."

In the win over Burgard, sophomore Isaiah McDuffie, Steve's son, rushed 13 times for 101 yards and a TD. He also made 8 tackles and recovered a fumble on defense.

"He put in so much work in the off-season," Steve McDuffie said. "I've seen the hard work he put in. He is really getting to see that hard work pays off."

Isaiah McDuffie (6-2, 205) is 2nd on the Tigers in rushing and is the leading tackler.

"He's very grounded," Steve McDuffie said. "He knows he has to continue to get bet-

ter, which means to keep working in the class room and on the field."

Isaiah started for Bennett as a freshman.

"If he wasn't ready, I would not have played him," Steve McDuffie said. "When he was an 8th grader I thought he was ready."

Warriors Upend Depew

Cheektowaga beat Depew 28-21 last weekend and improved to 4-1 on the season, 3-0 in B Central Division games.

The Warriors had to make a last-second stand when Depew reached the 2-yard line with less than a minute to play. A penalty moved the ball back to the 7-yard line and a 4th-down pass fell incomplete.

"We always talk about playing ourselves," coach Mike Fatta said, "and making sure to execute and not make mistakes. We should have had a solid lead but we had some penalties and turnovers. A team like Depew will take advantage of that."

The Warriors are in first place in the B Central with 2 league games left.

"Our last three games of the season are the toughest," Fatta said. "We still have Alden and then Maryvale. We'll take it one game at a time."

If Cheektowaga is going to survive their 3-game gauntlet, they will need more

big games from senior QB Zak Ciezki.

"He has a strong arm and he's a big kid," Fatta said. "He's a catalyst for what we do offensively."

Ciezki (6-0, 195) was a part-time

starter last fall as he shared the position with Tim Whelan, who graduated in June.

"Zak started off this year as the full-time starter," Fatta said. "Last year, both kids had strengths that we wanted to take advantage of. There was never an issue between the two of them."

Ciezki has passed for 888 yards and 5 TDs.

"We throw quite a bit," Fatta said.

"We throw about 20 times a game with him back there."

Cheektowaga senior Zak Ciezki.

Ciezki, who has a an academic average in the 90s, also starts on the basketball team at Cheektowaga.

"Basketball is probably his favorite sport," Fatta said. "But he loves football, too. He's a leader but he's on the quiet side. He's just a hard worker."

Allan Leads EA past Olean

East Aurora beat Olean 28-6 to improve to 4-1 on the season, 4-0 in B South games. It was the fourth straight win for East Aurora after they opened the season with a loss at Amherst.

"The loss at Amherst turned out to be the best thing that happened to us," coach Tim Wade said. "From that point on, the kids understood how they had to approach things. Every aspect of our game improved."

East Aurora has now won three straight games against teams that were ranked in the Top 10 in WNY.

"We knew we had a good team but we had a lot of first-year players," Wade said. "We just needed them to stay with it and start believing. We think we can go far."

Each week during the 4-game winning streak, East Aurora has been in a tense battle at halftime. Each week, they have pulled away after the break.

"Our division is tough," Wade said,

"and it takes a half to sort things out."

If East Aurora is going to win their final two games and clinch the division title, they will need more big performances from senior QB Connor Allan.

"His arm is strong enough," Wade said, "and he understands the offense as well as I do at this point."

Allan is a 3-year starter. He was brought up to play CB as a sophomore.

"We had to bring up a lot of sophomores because we didn't have enough players," Wade said. "He was thrown in right from Day 1 out of necessity."

Allan started at QB last fall.

"He runs the read-option better than anyone I have

ever seen," Wade said. "He's fast. His size helps him because he can get lost behind the line and he can run."

Allan (5-8, 170 pounds) ran 8 times for 138 yards in the win over Olean.

"He is such a competitor," Wade said, "and each week he has gotten better."

JFK Stays in Playoff Race

JFK played to a 0-0 tie after three quarters but pushed across a TD in the final frame and beat Lackawanna 6-0 last weekend.

"We made a lot of mistakes," coach Mark Ostempowski said. "Once we stopped making mistakes, we did some good things."

Most area fans thought JFK was finished after losing 35-0 to arch-rival Cleve Hill.

"We knew that Lackawanna was just as talented as Cleve Hill," Ostempowski said, "but our kids stepped up and fought through some adversity."

JFK will play a non-league game against Cass Valley this week. The Bears will close

with a crucial game against Wilson.

"We still have to beat Wilson to clinch a playoff spot," Ostempowski said. "The kids know what's at stake now and they know we have a lot to fix."

If JFK is going to qualify for the playoffs, they will need more big games from

senior captain Nate Pazderski.

"Nate is good to have around to make sure everyone stays in the game and is doing the right thing," Ostempowski said. "It's very easy for high school players to

give up and lose focus when things aren't going well. Nate is able to keep everyone focused."

Pazderski (6-0, 160) starts at CB and WR for the Bears.

"He earned his spot," Ostempowski said. "He put in a lot of work in the off-season. He was lifting and thinking football all year."

Ostempowski says that Pazderski has improved his play in the defensive secondary.

"He's one of the better corners that we have had in the

last couple of years," Ostempowski said.

Pazderski, who also plays basketball at JFK, is a solid student with an academic average in the 90s.

"He's doing real well in school," Ostempowski said. "He's taking AP classes and he's very coachable."

MGCLake led 6-0 after one quarter and exploded for 24 points in the second frame as they beat Cardinal O'Hara 50-0.

It was the third time this season that the Thunder Dragons have scored 50 points.

"We have a great team this year," MGCLake coach Curt Fischer said, "but I truly believe it's because of the merger."

Maple Grove merged with Chautauqua Lake in 2013 to form the new MGCLake team.

"We have an actual JV team now," Fischer said. "Before, neither school had enough kids to have full JV teams. Those kids kind of hung around with the varsity."

Fischer says having a viable JV program has paid enormous dividends.

"We had actual JV practices where those kids are getting quality reps and specific coaching," Fischer said.

MGCLake will now play Southwestern this weekend with the C South Division championship on the line.

"This is our first chance for a real championship," Fischer said. "Our preparation will win or lose this game."

If MGCLake is going to win the division and advance in the playoffs, they will

need more big games from senior Chandler Baker.

"For 3 years Chandler was a feared linebacker in our league," Fischer said. "I asked him to move to nose guard and he was more than willing."

Baker, a 4-year starter, is responsible for clogging up the line of scrimmage on every play.

"He soaks up 2 and 3 blockers on every play," Fischer said. "A lot of guys are having tremendous stats because of him. His unselfishness to be

willing to move to NG says a lot for him but it has improved our defense so much."

Baker (6-2, 240) is just the type of player Fischer needs in the middle of the defense.

"He totally leads by example," he said. "He likes to drive old trucks, work out and play football. He's a great captain."

Panama Pushing for Playoffs

Panama beat Nichols 41-23 last weekend in a non-league game. The Panthers led 13-3 at the half and pulled away after the break.

"It was our Homecoming week,"

Panama coach Chris Payne said, "so the kids were pretty excited."

In the 1990s, Payne had coached with Nichols coach Colin Brinson at JFK.

"We had been trying to get a game against each other for years but it never worked out," Payne said. "Last year we scrimmaged them and this year we were finally able to get a game scheduled."

After a scoreless first quarter, Nichols kicked a FG to take a 3-0 lead.

But Panama answered immediately when OT Thomas Hoch picked up the short kickoff and ran 75 yards untouched for a TD.

"He's always been a lineman," Payne said. "He's only 185 pounds but he's pret-

ty quick. He always wanted to be a full-back but we always needed linemen. He finally got the ball and made something good happen."

Panama is now 2-1 with two league

games remaining. If the Panthers are going to clinch a Class D playoff spot, they will need some big games from junior RB Nathan Stow.

"Nathan stepped in after we lost Kyle Saxton to a broken collarbone," Payne said. "He made a lot of big plays for us."

Stow (5-11, 160) rushed 22 times for 208 yards in the win.

"He sprained his ankle and had another 75 or 80 yards after that," Payne said. "He's a

pretty tough kid.

Stow has been timed at 4.6 in the 40-yard dash.

"He loves football," Payne said. "He's very competitive but he's a good kid. He doesn't show a lot of outward emotion but he has a lot of fire inside."

Junior QB Leads St. Mary's

St. Mary's rebounded from two tough losses to beat Niagara Wheatfield 41-0.

"We had two tough games in a row," coach Chris Glenn said. "So our kids wanted to come out and play well."

St. Mary's lost to Oil City (Pa.) 35-32 and turned the ball over five times.

"After that, getting the kids motivated was not a problem," Glenn said.

Glenn took over the program in mid-June.

"We started back in mid-June," Glenn said. "For our first practice we had 9 kid show up. We worked out 3 times a week and practiced once a week. Finally we had 42 kids in the program and we were able to field a JV team."

Glenn is pleased with the progress his program has made since June.

"We're right where we should be," he said. "Since our first game, we have had seven kids join us who had never played football at any level."

Any growth the Lancers program realizes the rest of the season will probably involve quarterback Takal Molson.

"He's a special player," Glenn said. "He has a great arm and is super smart."

Photo by Mark Adair

St. Mary's junior Takal Molson.

He knows where the ball is supposed to go whatever coverage he sees."

Molson, a junior, started at CB on the varsity last fall. This fall, he was moved to QB.

"He never gives up on a play," Glenn said. "His athleticism takes over and that's fun to watch."

Molson also starts for the St. Mary's basketball team.

"He's the best basketball player in the school," Glenn said. "He was a little hesitant to come

out for football. He finally came out the first day of double-sessions."

Molson had a lot of ground to make up. "He was way behind everyone else," Glenn said. "It took a while to get caught up but once he did, he took off. He won the job at our scrimmage."

Be Bold.

CROSS TRAINING FOOTBALL

Training the Heart of a Champion from the Inside Out

The **Heart of a Champion Character Playbook** theme is

Be Relentless!

CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.

Week 6 The Question is... What is your ATTITUDE like?

Attitude is the inward mindset expressed by outward behavior. A great quote from Remember the Titans: Julius says to Gary, "Team... What team? I'm gonna get mine!" Gary says to Julius, "That attitude stinks!" Julius responds to Gary... "Attitude reflects leadership, Captain!"

I love Einstein's quote, "Weakness of attitude is weakness of character."

When times are tough, what is your internal talk? Can you erase that negative thought toward a kid, a call, a superior, a parent, and do all things without murmuring or complaining?

Sometimes we need to erase the white board of our minds and say, "FRESH... START."

What is that internal saying or word you can go to when

things are not like you want them to be.

Maybe it's Bounce Back, Fresh Start; See a little...see a lot, or make the choice to just say NO!

How do you start to transform and renew your mind to the right thinking?

First of all, beware that unless you are taken captive by the philosophy or empty lies of the world, like: "Gonna get mine" or "My Thing", "Have your way" or "I'm loving it."

These are all me-centered, entitlement attitudes. Think on the kinds of things that are true, noble, just, pure, and lovely or a good report. It is a choice.

Unstoppable?

Orchard Park moves to 5-0 with a 35-19 win over Clarence

By Mark Adair

Orchard Park beat Clarence 35-19 last weekend to stay undefeated at 5-0 on the season.

The first time they had the ball, TB Billy Myers ran 80 yards for a TD.

"Billy played the game of his life," Orchard Park coach Gene Tundo said. "He had an unbelievable game."

The Quakers rolled up 408 yards of total offense, rushing for 214 yards in the process.

And they did this while holding the ball for just over 10 minutes in the game... Clarence, using a double-wing attack, had the ball for more than 37 minutes in the contest.

"Clarence played hard," Tundo said. "I give them a lot of credit. They wanted to control the ball and keep it away from us and they did that."

For Tundo, watching another team utilize the double-wing, was a bit of karma.

"We started it," he said. "We were the first team in Western New York to use the double-wing 8 or 10 years ago. So, I guess it's my fault that Clarence was able to do that to us."

Tundo says that 10 years ago, it was the Quakers employing the chinese-water torture that is the Double-Wing Offense.

"I got it from Don Markham, the guy that invented it," Tundo said. "We ran the ball 45 times a game for two or three years. So, watching Clarence do it to us the other night, I realized this is what it was like to be on the other end of it. I had flashbacks of when we were using it."

But, while Clarence held the ball for more than 37 minutes, the Quakers unstoppable - as they have been for most of the season.

Orchard Park Terius Wheatley has rushed for 490 yards on just 39 carries this season. The Quakers beat Clarence 35-19 last week even though Wheatley missed the game with an ankle injury.

The rest of Class AA is now faced with a reality that the Quakers posted 214 rushing yards, 408 yards of offense and scored 35 points... in 10 minutes of possession time.

And the Quakers did this while missing 8 starters for the game.

"We had a bunch of injuries," Tundo said. "We played Erie McDowell the week before and they were big and very physical. We had some guys get banged up."

In fact, the Quakers were missing their best player this season, Terius Wheatley.

"Against McDowell, he got a face mask on his ankle," Tundo said. "I thought he was close to playing last week but he just wasn't ready. We expect him to be okay."

Wheatley's older brother TJ, a highly-recruited TE at Canisius, has been headline news for two years now.

But while Terius has been in the headlines less than his brother, he has been no less important to his team.

"Terius has had an incredible year," Tundo said. "This kid plays free safety, cornerback, wide receiver, running back. He kicks off, he punts and he kicks extra points and field goals. That's asking an awful lot of a player and he has responded to everything we've asked him to do."

Tundo was initially unsure when Wheatley enrolled at Orchard Park after two seasons at Canisius.

"You always want what's best for him as a student," Tundo said. "I thought our school would be a good place for him. As a football player, well, I was pretty happy he was coming here. Our program is pretty good and I

continued from page 24

thought it would be a great opportunity for him to flourish at a good program.”

Terius Wheatley has rushed for 490 yards on just 39 carries... more than 12 yards per carry. He has also rushed for 7 TDs.

“He has great speed,” Tundo said, “and he has a great football IQ. He really knows and understands the game.”

Tundo says that Wheatley’s kicking give the Quakers another weapon - as if they need another weapon at all.

“He has great kicking skills,” Tundo said. “Against Frontier he 7 kickoffs to the end zone for touchbacks. That’s a huge boost for the defense when the other team is always starting on their own 20.”

Wheatley is 6-1 and 180-pounds... not nearly as big as his brother TJ who is 6-6 and 270.

“He has a natural strength though,” Tundo said. “and I think he can still get a lot stronger. He has all the intangibles to be an outstanding college football player. His upside is big-time.”

Tundo says that Wheatley is just trying to fit in.

“He’s a humble kid and he’s just having fun,” he said. “He’s a great asset to our team and he’s doing fine in school. We’re glad to have him.”

As for the rest of the Quakers, the display they put on against Clarence is enough to make coaches of other Class AA programs shake their heads.

“We have a state-caliber team at this point,” Tundo says honestly. “Last week were banged up and we’ll have to get some guys healthy if we want to go very far in the playoffs. We are doing good things and I’m proud of how the kids reacted to having all those players out.”

Tundo says that Myers, who rushed for 194 yards and 4 TDs, is as good as any tailback in Western New York.

“We have several kids who can start for us,” he said. “But Billy is a very good back. He does a lot of things for us and he could start anywhere else.”

Tundo also points to Brett Morseon, a sophomore who got his first varsity start at center against Clarence.

“Brett had never played center before and he was incredible,” Tundo said. “That’s hard to step in at a new position and do a shotgun snap every time. Guys stepped up everywhere.”

Tundo says that the competition for playing time is making his team better all over the field.

“We’ve had a lot of guys step up at every position this year,” he said. “Linebacker, quarterback, at every position we have three or four guys who are as good as each other. Our defensive line is rotating six players and they have all done a good job.”

Tundo stopped short of predicting that his team would play in the Carrier Dome on Thanksgiving weekend.

“Everything has to go perfect to go 13-0,” he said. “You always have to overcome obstacles and injuries. The two years we won the state championship, we didn’t have much of that. Right now, we are just trying to make the most of our talent. We’ll see if we can get back to the state finals.”

Still Believing in Miracles

The University at Buffalo lost a heart-breaker to Bowling Green last weekend. The Bulls fell 36-35 and dropped a game behind Bowling Green in the MAC East Division.

"It was devastating," Buffalo defensive back Adam Redden said. "We had the game and we couldn't close it out. We did not want to be in the situation where we are now, hoping that someone else knocks them off."

Redden says that a pall hung over the trip home.

"The guys were pretty quiet," Redden said. "It was big deal."

Redden also said that he didn't want to dwell on the loss.

"That lasted until the Sunday meetings," he said. "Once we talked about the last play, then we have to get ready to play Eastern Michigan. Leaving a shadow over the team can keep you from victory in the future."

Redden is now a senior who is entering the last half of his final collegiate season.

Eight years ago, the Football Weekly ran a cover story on Redden, entitled "Miracle Man."

While he was riding in the car as his father, drove the boy home from a game at St. Francis High School.

A drunk driver swerved into their lane and struck the Redden's car so hard that the passenger side was entirely caved in.

Redden was injured so badly that he was given late rites at the scene.

"I was just a kid," he said, "and so, at the time, I wasn't amazed that I survived. But, looking back on it, I feel like I am a Miracle Man. You never know when your last moment will be or when you will get a second chance."

The fact that Redden returned to play two more seasons at St. Francis shocked people. The thought of playing college football was preposterous.

"Not a lot of people thought I would ever play again,"

he said. "They told me I wouldn't walk and I walked. They told me I wouldn't play football and I'm playing football. I'm definitely thankful."

Redden also thinks of former Sweet Home star DeShanaro Morris who was paralyzed in a freak accident four years ago.

UB senior Adam Redden is a St. Francis grad.

"We have the same story but it's two different paths were on," Redden said. "He's walking down another road and becoming a coach and I became a player."

Redden is majoring in Psychology at UB.

"I have a BS in Psychology," he said. "I am also getting in BS in Pharmacology and Toxicology. After football is over, I will head to graduate school to become a pharmacist."

Redden says he is hoping for more than 6 or 7 more games... which would mean getting paid to play football.

"I would definitely love to keep playing after college," he said.

"Who wouldn't want to have an occupation as a football player?"

But, he understands that football will end soon, whether that is with UB or a professional team.

"After football, my real dream is to be a neuroscientist," he said. "If you can fix the brain you can fix learning disabilities, you can fix anything. You never know what you can fix. If I can help people with brain injuries, I can help mankind."

But, for right now, he and his teammates have 6 games left to try and win the MAC championship.

"We go to Eastern Michigan this week," he said. "We want to come back strong. We want to just play one game, practice at a time, one week at a time."

A Bowl Game is still a possibility for the Bulls and Redden is hoping that, once again, a miracle can occur and UB can win the MAC championship.

"I'm still living my dream as a student athlete," Redden said. "So right now, I want to be the best I can."
