## 12 Starpoint to face Sparks

Starpoint lost the final regular-season game to Riverside 14-6 last week. If Starpoint is going to be able to run the ball against a stiff South Park defense, they will need a big game from senior OL Richard Duermeyer.

## 14 Sanders leads Burgard 'D'

Burgard started fast and beat Barker 45-14 last weekend. If the Burgard defense is going to slow down Fredonia's offense, they will need a big game from LB Darlell Sanders.

# St. Mary's Glenn Honored for Win

St. Mary's coach Chris Glenn was named the Coach of the Week by the Buffalo Bills and the National Guard after his Lancers beat St. Joe's 51-26. It was the first time St. Mary's had beaten St. Joe's since 2001. It was also the Lancers' first-ever win at St. Joe's.

"We talk about how we have progressed as a team," Glenn said. "As the season went on, we have talked about where we want to be after this season is over."

Glenn says that he would like to someday shed the "small-school image" from the St. Mary's program.

"We want to be able to compete with the bigger

schools in the Msgr. Martin Association," he said. "Beating St. Joe's is a great thing not only for our kids but the entire school."

St. Mary's scored twice in the first quarter to take a 14-0 lead. Marc O'Neill punched in a 2-yard run and Takal Molson tossed a 6-yard TD pass to Anthony Stitt.

The Lancers stretched the lead to 29-7, with the help of a last-second Hail Mary pass at the end of the half.

"That's the second straight week we have scored on a Hail Mary pass at the end of the half," Glenn said. "Against East Pennsylvania, we just threw the ball in the air and got lucky. This time, we called timeout to draw up a play and all four receivers were wide open."

Molson, who tossed 3 TDs on the day, hit Jake Concannon with the 35-yard scoring heave.

Molson finished the day completing 9 of 17 passes for 166 yards. He hit Concannon with a 30-yard TD pass to open the second half. Concannon finished with 4 receptions for 100 yards and the 2 TDs.

Late in the 3rd quarter, St. Joe's had pulled to within 36-26 and was threatening to get back in the game.

"We were preaching to the kids," Glenn said, "that

we can't let them back in the game. There was a lot of time left and we needed someone to step up and make a play."

Molson and Stitt ran for TDs in the fourth quarter as St. Mary's put the game away.

"When something goes wrong, we need guys to step up and be leaders," Glenn said. "Those guys definitely led the way."

The Lancers rolled up 460 yards in the win and punted only once.

"The last two weeks, teams have dared us to run the ball," Glenn said, "and this is the second straight

week we got over 200 yards rushing. A lot of credit goes to our line. They have really bought in to what we are doing with our schemes and are really starting to execute."

Glenn played HS football at Williamsville North, where he was a center and a defensive end. His playing days ended when he suffered two cracked vertebrae in his junior season.

"I missed my entire junior year," Glenn said, "I struggled to come

back and play a little as a senior and I realized that the risk of injury was too much for me. So, I started coaching the day after I graduated. I became a volunteer coach for Mike Mammoliti at Williamsville North. He said he could always use help."

Glenn did the smallest of jobs for Mammoliti.

"Basically, I kept stats and took notes," Glenn said. "I was only 17 years old. Kraig was the head JV coach at North and later on I was his assistant. I learned a great deal in my first 4 years."

Glenn later worked as an assistant coach under Kraig Kurzanski, at St. Mary's and then Williamsville South.

"I was the head coach on the JV level at South," Glenn said. "He's been a great friend and a mentor to me."

# North Tonawanda Ready for Playoffs

North Tonawanda won their annual rivalry game on T-NT Night as they beat Tonawanda 35-14 last week.

"It's special for the guys who have been with me for 3 years now," coach Tony Truilizio said. "A few of the seniors had an opportunity to win all three years that I was here. I'm very happy for them. It's nice to keep the streak going."

The Lumberjacks will now play at West Seneca East at 7 pm Friday in the first round of the Class A playoffs.

"If we're just satisfied with making the playoffs, we'll be in trouble," Truilizio said. "Our first goal was to make the playoffs. The next goal is to make the Stadium. We still have a lot more to accomplish."

the playoffs, they will need some big games from senior lineman, Alex Molik.

"He's a 3-year starter and he has played left tackle all three years," Truilizio said. "He should be an All-WNY candidate. He's ready to step in and play college ball next year."

Molik (6-5, 290) is agile for a player his size.

"He has quick feet, good hands and has very smart football intelligence," Truilizio said. "He plays to the whistle. He doesn't just throw a block. He continues with his block and gets to the second and third level to help out with the play."

Molik, who maintains an academic average of 95, is a 2-year team captain.

"He became one of the leaders as a junior," Truilizio said. "He took the reigns of the offensive line and got the guys together for the weight room and for all the off-season training. He is a very powerful voice in the locker room."

Molik is getting interest from Division I college programs ie Robert Morris and Central Connecticut.

"He has, by far, exceeded anyone's expectations this season," Truilizio said. "He's played very well."

in trouble," Truilizio said. "Our first goal was to make the playoffs. The next goal is to make the Stadium. We still have a lot more to accomplish."

Truilizio said that there is excitement building in NT for the 'Jacks first play-off game since 2011.

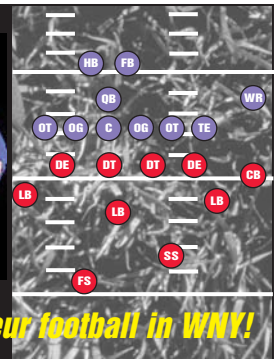

"The community is very happy for the kids in the program," he said. "I think the students at the school are pretty excited, too."

## Players of the Week

### Offense

Matt McCarthy ran 34 times for 280 yards and 5 TDs as Fredonia won a wild 4-possession overtime and hung on to beat arch-rival Dunkirk 50-48.... McCarthy also made 4 tackles on defense. The teams were tied 22-22 at the end of 4 quarters...

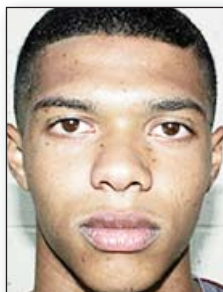

### Defense

James Thomas was a destructive force as he helped Canisius beat Ohio-powerhouse Cardinal Mooney 24-17 last week. Thomas made 9 tackles, 6 for lost yardage and recorded 3 QB sacks as the Crusaders rallied from a 17-7 deficit.

### Special Teams

Isaac Hilyer returned the game's opening kickoff 85 yards for a TD to jump start Portville to a 42-12 win over Westfield. Hilyer also caught 2 passes for 28 yards and made 6 tackles on defense as the Panthers stayed alive in the Class D playoff race...

# Coyote Wraps Up 4 Years

Iroquois ended the regular season with a big 43-12 win over Lake Shore last weekend.

"It was a great night," Iroquois coach Keith Marshall said. "A lot of former players came back for the game. About 30 or 40 kids that I coached came back. There were a lot of guys here that played before I was even at Iroquois."

Matt Kloc led the Chiefs offense as he rushed 22 times for a new, Iroquois' single-game record, 306 yards. He also rushed for 4 TDs in the win.

Kloc broke the school-record held by Brandon Murie, who rushed for 284 yards in a game in 2006. Murie went on to play four seasons at the University at Buffalo. He also happened to be one of the former players in attendance for Homecoming and was witness to his own record being broken.

"They say the 'great ones' always come back and that was the case Friday night," Marshall said. "We played a perfect game and it was a great homecoming. It was easily the largest crowd of the season. I'm very happy for all of our players, both past and present."

Marshall says his only disappointment was not being able to greet every former player that made the game.

"It was kind of hectic," he said, "I'm sure that there were more players that I didn't get a chance to see."

The win was actually a nice consolation prize for the Chiefs, who were eliminated from the playoffs two weeks prior when they lost to McKinley 24-20.

"That was a bitter pill to swallow," Marshall said. "We thought we had kicked the game-winning field goal with about three minutes left but McKinley made a play and scored to beat us. I still think we are a pretty good team. We lost to West Seneca East and thought we had won the game on the last play. It's pretty disappointing to know we were so close to being 6-1 and in the playoffs."

Marshall said that, despite their disappointment, his players never emotionally packed it in for the winter.

"They could have totally bagged those two games at the end," Marshall said, "but they didn't. We played a great second

half to beat Lockport. Then we played a complete game against Lake Shore for Homecoming. This is a group of 40 guys who want to play with pride and tradition. And they have done that the last two weeks."

Iroquois will now host Riverside in the first round of the Chuck Funke Bowl Tournament this weekend.

"Chuck Funke was a friend and a mentor," Marshall said.

"He hired me as a coach. He also meant a great deal to our program here at Iroquois."

Even so, Marshall's players are simply looking to play two more games.

"Even though it's not the playoffs we want to keep playing," Marshall said, "and we want to keep winning. We have one last game on Lattimer Field and we want to make it our best."

One player who will play his final home game this weekend is senior LB Coyote Sokolski, a senior who is a rare 4-year starter on the varsity level.

"He's actually a 2-way starter for four seasons," Marshall said. "I don't know many players at all that have started on both sides of the ball for four years. I can't think of any."

While Sokolski has started at WR for 4 seasons he has really made his mark at LB.

Sokolski has recovered 8 fumbles, which is a new school record. He has 7 QB sacks this season, very

close to the school record of 8 in a single season. Sokolski also has 17.5 career QB sacks, which easily breaks the old career record of 11. He is also among the career leaders in tackles.

"He's an All-Time Chief," Marshall said, "without a doubt. He's been around so long he could probably finish my pre-game speech each week. Coyote has given so much time and effort to our program for the last 6 years, 4 on the varsity level. He's done everything I have ever asked of him. It will have a positive impact on a lot of kids yet to play for us."

Marshall says that his team still has some goals to reach.

"I told the kids that if we won on Homecoming, it would not be our last home game," he said. "They wanted to play for each other and get one more home game. That's what they got. Now we want to leave our field with pride."

# Medley Leads the Falls

Niagara Falls split their season-ending, non-league games, beating McKinley 21-6, one week after losing to Clarence 28-20.

Coach Don Bass says that the Wolverines benefitted from playing against

opponents that played two very different styles.

"McKinley is very athletic," Bass said. "Their quarterback was the best athlete we faced all year. We had to get physical with Clarence. They play 'Big Boy' football."

Bass was pleased with his team's reaction to both opponents.

"In order to go anywhere in the playoffs you have to be solid up front," he said, "We've had a good week of practice and the players are excited about the opportunity."

Niagara Falls will play in the first round of the Class AA playoffs at 7pm Friday at Orchard Park. Bass says that the passing game will be a key to the contest.

"Our passing game has become very good," Bass said. "We had 3 TD passes

last week. I like our offensive skills. On defense, our secondary covers pretty well."

One DB who has played a big role for the Wolverines this fall is Joe Medley.

"He's the quarterback of the defensive

secondary," Bass said. "He calls out the coverages and makes sure everyone is going to the right place."

Medley, a senior, is a 2-year starter at free safety.

"He has had a turnover in every single game," Bass said. "All 7 of them."

Medley has 5 interceptions and has recovered 2 fumbles this season. In the season-opening win over Cheektowaga, he returned a fumble 80 yards for the game-winning TD

with :20 left.

Medley (5-9, 170) is one of the faster players in Class AA.

"He's not big but he is very fast," Bass said. "Surprisingly, he's a hard hitter. He's not very big but he packs a punch in every pound in his body."

# Redskins Hope to Advance

Lancaster lost their annual rivalry game to Depew 13-6 last week.

"Losing to your crosstown rival is never fun," coach Chris Dickson said, "but it's a great rivalry and fun to be a part of. I just wish we were on the other end of it."

The Redskins won't have much time to contemplate the loss as they enter the playoffs this week.

"The kids have already recovered from losing to Depew," Dickson said. "We need to move forward now and make a run in the playoffs."

Lancaster will play at 2 pm Saturday at Kenmore West in the first round.

"This team wanted to make it to the Ralph," Dickson said. "It won't be easy but we still have that goal ahead of us. We are looking forward to the opportunity to advance this week."

In 2013, Lancaster lost 27-14 at Kenmore West in the first round of the Class AA playoffs.

"We have a number of seniors on this year's team that played in that game," Dickson said. "We have 21 guys that went over there and lost to them. We'll be watching the film of that game."

Photo by Mark Adair  
Lancaster junior Dan Speyer.

If Lancaster is going to get past Ken West, they will need another big game from QB Dan Speyer.

"Dan has developed nicely since the off-season," Dickson said. "He is now the leader of the team. He's a take-charge kind of kid. He wants to take this team on his back."

Speyer (6-3, 190) has passed for 1,363 yards and 11 TDs this fall.

"He has a strong arm and can make all the throws," Dickson said. "He

has a nice long ball and can see the field."

Speyer is a solid student who has an academic average in the low 90s.

"One of the goals for our coaching staff is to be #1 in the state in academics," Dickson said. "We have a lot of great students on this team and Dan is one of them."

# Starpoint to Face South Park

Starpoint lost the final regular-season game to Riverside 14-6 last week. Spartans QB Eric Yaeger was injured and left the game in the first quarter.

"Losing Eric hurt us," coach Al Cavagnaro said. "We could move the ball but we couldn't do anything in the red zone. Having him in there would have helped."

Cavagnaro says that Riverside didn't play like a team that was not going to the playoffs this fall.

"Give Riverside some credit," he said. "They played us tough and played mistake-free football. We didn't play very well in the first half. We weren't playing with emotion and they took advantage of it."

Starpoint will now play at 4pm Saturday at All-High Stadium against South Park, the top-seeded team from the A South Division.

"South Park is very good," Cavagnaro said. "They are very athletic and very well coached. We tend to play better

against the best teams. We will have to run the ball against South Park and we've been pretty stout against the run lately."

If Starpoint is going to be able to run the ball against a stiff South Park defense, they

will need a big game from senior OL Richard Duermeyer.

"He's tough and quick off the ball," Cavagnaro said. "He's really good with his hands. He's been nominated twice for a Trench Trophy award this season."

Duermeyer is a 3-year starter.

"In our offense, he is our trapping and pulling guard," Cavagnaro said.

"On defense we play him at DE and some NT. He takes on double-teams and is fast enough to make plays."

Duermeyer (6-1, 215) is a wrestler and has an academic average in the high 80s.

"He's very well-liked by his teammates," Cavagnaro said. "He's a 2-year captain, which is rare. He leads by example. He's never missed a day and never comes off the field. He's a warrior."

# DeGroot Leads Hamburg in A

Hamburg won their annual rivalry game with Frontier 41-14 last weekend. The Bulldogs were helped by the return of QB Alex Suchan from an injury that caused him to miss the previous game.

"We got our QB back in front of a huge crowd at home," coach Pat Cauley said. "We opened up the offense a little bit and he made some plays. Having him back certainly helped."

Hamburg led 14-0 at the half. "We took control in the second half," Cauley said. "It was a great win for our kids."

Hamburg will now play at 7pm Friday at Williamsville South in the first round of the playoffs.

"We feel pretty good," Cauley said. "We've ridden a roller coaster and faced some adversity the past few weeks. We came through it and got better because of it. Williamsville South is an excellent football team but we are looking forward to the challenge."

If Hamburg is going to beat the Billies, they will need a big game from senior lineman Joe DeGroot.

"He's a 3-year starter and a very intense young man," Cauley said. "He's very conscientious when it comes to athletics and academics."

DeGroot (6-2, 235) maintains an academic average that is close to 4.0 and wants to enter an Engineering program in college.

"He wants to play college football," Cauley said. "I think his best years are ahead of him. We need to find a college that will meet his academic needs first. I know he'll do well academically and I think he can help someone out on the football field as well."

**Hamburg senior Joe DeGroot.**

DeGroot has been a team leader for all three of his seasons at Hamburg.

"He was excellent from Day 1," Cauley said. "He's hard worker and a very intelligent player. He wants to get things right. He's very determined to play well and get the job done."

# Sanders Leads Burgard 'D'

Burgard started fast and beat Barker 45-14 last weekend. Mark Drain returned the opening kickoff 71 yards for a TD. "It was a great way to start a game," coach Jason Kolb said. "You can't ask for a better start."

Later in the first quarter, Keith Hampton returned a fumble 40 yards for a TD and Marcus Hampton scored on a 32-yard run to give the Bulldogs a 27-0 lead in the first quarter.

Burgard will host Fredonia in the first round of the Class B playoffs this week.

"Things definitely get harder now," Kolb said. "The last two games were good for us. We got some kids back from injuries. Everyone is getting ready for the playoffs."

Burgard beat Fredonia 16-12 in Week 2 this season. The teams will kick off at 1pm Saturday at All-High Stadium.

"We will need to execute and be disciplined," Kolb said. "Fredonia had two big kickoff returns last time we played so spe-

cial teams is going to be important."

If the Burgard defense is going to slow down Fredonia's offense, they will need a big game from LB Darlell Sanders.

"Darlell is a perfect physical specimen for linebacker,"

Kolb said. "He loves to hit. He's one of the best LBs in WNY right now. Physically, he could be a Division I linebacker."

Sanders also filled in at OL earlier this season.

"We had some injuries on the offensive line," Kolb said. "We moved Roderick Morrow to center and put Darlell into the O-Line. He played well there."

Sanders has made 70 tackles this season.

"He's big, he's tall, he's fast and he's strong," Kolb said.

"He's a quiet kid and he's never in trouble."

Sanders is a 3-year starter at Burgard. "He just leads by his presence," Kolb said. "He's a hard worker. He works a lot of hours at a pizzeria each week. He wants a chance to play in the Stadium."

# Poblocki Steps Up for Depew

Depew won their annual rivalry game when the Wildcats beat Lancaster 13-6.

"Both teams played with a lot of pride and a lot of effort," coach Brian Wilson said. "We had a great season but now the second season begins."

Depew will play the first round of the Class B playoffs at 7 pm Friday at Cheektowaga. The Wildcats finished 6-1 with the only loss of the season against Cheektowaga.

"We will watch that film to see where we need to improve," Wilson said. "They have a great QB who can run and make plays with his feet. They have a lot of weapons so they are a real challenge to prepare for."

Wilson says that Class B is the toughest tournament he has seen in a few years.

"We have a lot of good teams in B," he said. "The whole bracket is tough. This will be a tough playoff run for anyone."

If Depew is going to repeat as Class B champions, they will need a solid game

from junior TB Matt Poblocki.

"Matt is actually our third tailback this season," Wilson said. "He's done well."

Starting TB Nick Perrine severely pulled a hamstring and has been limited in recent weeks.

Adam Bauer tore his ACL and will miss the rest of the season.

"Matt came in and rushed for 353 yards in last two games," Wilson said. "He scored both our TDs against Lancaster."

Poblocki (5-8, 165) is not a huge, powerful back but he has been effective.

"He's just a good little back who is playing at a high level right now," Wilson said.

"He's a tough kid with a lot of energy and great vision."

#### Depew junior Matt Poblocki.

Poblocki also starts at LB for the Wildcats defense.

"It's great to see a guy get an opportunity and make the most of it," Wilson said. "Matt has done that. He has taken advantage of every single carry he's had and he's played really well."

# Devils Still Overlooked

East Aurora finished the regular season with a 22-0 win over Eden last week. The Blue Devils clinched the B South Division title with the win.

"Nobody picked us to win anything this year," coach Tim Wade said. "We came off three tough seasons in a row and no one expected anything from us."

Wade was confident with his players when practice started in August.

"We knew that we had a really decent team," he said. "Most of the seniors had been brought up as sophomores. We had a nice JV crew coming We felt people were overlooking us."

The Devils announced their presence in the playoff race with three straight wins over ranked opponents.

"We played three ranked teams in a row and beat all of them," Wade said. "The kids stayed focused and fired up."

Wade says that his squad is still being overlooked.

"We are the second-seeded team in Class B and we're not even close to being ranked in the polls," he said. "That's OK. That's right where we want to be."

The Blue Devils will host Maryvale at

7:30 pm Friday in the first round.

If East Aurora is going to advance, they will need a big game from senior WR Tom Volpe.

"When we get him the ball he does good things," Wade said. "He runs great routes and he has good hands."

Volpe, a 3-year starter at WR and SS, is a solid blocker for the Devils running game.

"He's the best open-field blocker that I have ever had," Wade said. "We run outside and he does a fabulous job blocking the edge."

Photo by Mark Adair

East Aurora senior Tom Volpe.

Volpe (5-11, 180) has an academic average in the high-80s.

"He's getting a lot of looks from Division III schools," Wade said. "He made football a priority and spent a lot of time in the weight room. It's paying off for him now."

# Gilbert Runs Hard for the Creek

Silver Creek beat Cattaraugus-LV 28-7 in a non-league game and finished the regular season with a 6-1 record.

"We're really happy for the kids," coach Sean Helmer said. "They worked hard all off season. I'm glad to see some wins come from all that work."

The Knights will be the second seed from C North Division and will host Gowanda at 7pm Friday.

"We are playing good football right now," Helmer said, "and we are still trying to get better."

Silver Creek finished 1-7 in 2013. Not much was expected of the Knights when the season began.

"I am so happy for the seniors," Helmer said.

"They had never had a winning season or played in a playoff game. The seniors are pretty focused for this game."

Helmer hopes that his players will not overlook Gowanda. The Knights earned their only win of 2013 over Gowanda.

"They have really turned things

around," Helmer said. "They are playing with a lot of momentum and are playing good football right now."

If Silver Creek is going to advance, they will need another big game from

senior Kraig Gilbert.

"He played one full game last year," Helmer said. "He broke his leg against Gowanda."

Gilbert (5-10, 165) has rushed for 1,127 yards and 15 TDs this fall.

"He has legitimate speed," Helmer said. "You can see the burst on film. He has the potential to score every time he has the football."

While he isn't huge, Gilbert can gain the tough yards.

"He runs just as well inside as out-

side for us," Helmer said. "He has good vision and he runs angry when he gets hit."

Gilbert, a team captain, also plays baseball at Silver Creek.

"He wants to play college football next year," Helmer said, "and I think he can help someone on that level."

# Gowanda Ready for Playoffs

Gowanda beat Akron 30-6 to finish the regular season with a 4-3 record.

"The kids came off a long bus trip and were pumped up," coach Sean Gabel said. "Our offense played well. The first play of the game was a 60-yard TD run."

Gowanda had clinched a playoff spot the week before with a win over Salamanca. The Panthers have now won two straight games.

"We're having fun," Gabel said. "We are competing and we have the right attitude. We are playing as a family. It's 11 guys playing as one."

This is Gabel's first trip to the playoffs in his six seasons at Gowanda.

"I'm thrilled," he said, "but I'm mostly happy for the kids. After all the work these kids put in, it's nice to see them accomplish their goal and see the results of working so hard."

Gowanda will play at 7 pm Friday at Silver Creek in the first round.

If the Panthers are going to advance,

they will need a big game from junior Lucas Brawdy.

"Lucas started at quarterback as a sophomore," Gabel said, "but this year we switched to a Single Wing offense and we moved him to tight end."

Brawdy has become a solid TE for the Panthers.

"He's excited," Gabel said. "He's a good team player and will do whatever it takes to win. He's had a great year at tight end."

Brawdy (6-2, 155) also starts in defensive secondary.

"We use him at safety and cornerback," Gabel said. "We put Lucas on their best receiver because you can trust him."

Brawdy, who has played varsity bas-

ketball for Gowanda since his freshman year, also sees time at QB when the Panthers switch into a more traditional offense.

"He has long strides," Gabel said. "Once he opens up, he can run by people. He's just a good athlete and he's a gamer."

# Junior RB leads Catt-LV

Cattaraugus-LV lost 28-7 to Silver Creek last weekend.

"We moved the ball well but we made too many mistakes," coach Tim Miller said, "and couldn't stop them when it counted."

The T-wolves gave up two big plays in the loss.

"We gave up a punt Return for a TD," Miller said, "and one long pass for another TD. The rest of the game was pretty even."

After falling behind 7-0, Cattaraugus-LV marched for a tying score.

"It looked like it was going to be a track meet but after that we couldn't not sustain a drive," Miller said. "We had a fumbled

snap or an untimely penalty. Just too many mistakes to win a game."

Cattaraugus-LV will play Cardinal O'Hara this week to finish the regular season. The T-wolves will be the 3rd seed when the Class D playoffs start.

"We've suffered a couple of tough

losses in a row," Miller said. "Our confidence is a bit down. We are trying to get it built back up. We have a couple of starters injured and we'll have to get those holes patched."

Photo by Tim Frank

## Cattaraugus-LV junior Anthony Bernardi.

If the T-Wolves are going to advance to the Ralph in two weeks, they will need some big games from Anthony Bernardi.

"He's a tough kid," Miller said, "He's quick and he hits the hole with some velocity. He's fearless, too."

Bernardi starts at TB and also plays LB, S and CB on defense.

"We put him where we think he can help us the most each week," Miller said. "He's our utility man on defense."

Bernardi leads the Timberwolves with 795 yards rushing and 7 TDs this season.

"He just has a knack for finding the crease," Miller said. "He's a battler, he will fight hard for yards. He's averaging 25 carries a game and he seems to thrive on it."

# Nichols QB Leads Big Green

Nichols fell behind early and lost to Franklinville 45-20 last week.

"We could move the ball on them but we just couldn't stop them," coach Colin Brinson said. "There are no flaws on their team and they call a great game."

Nichols will play the final game of the season at Sherman-Clymer this weekend.

Nichols is 3-3-1 and will try to finish the season with a winning record for just the second time since 1995.

"Two years ago we had a winning record," Brinson said. "That broke a streak of 18 losing seasons. This is a big game for us."

Not having a playoff system to enter has not dampened the enthusiasm of the players.

"There can only be one state champion," Brinson said. "Our season is just as meaningful as anyone else's. Each week, everyone is playing to win one more game. I like our situation. We have a 1-game playoff for a winning season."

Brinson says he has been impressed with this group of players.

"These kids practice hard and they play hard," he said, "and we have great senior leadership. It's been a good experience for all of us."

If Nichols is going to end the season with a winning record, they will need a big game from senior QB Steve Glinski.

"He was a half-back as a sophomore," Brinson said. "The last two years we had to develop ways to get him to be a featured back while still throwing the ball."

Glinski plays several positions.

"He does a lot of stuff," Brinson said, "He punts, kicks, plays quarterback and starts at strong

safety. He doesn't come off the field."

Glinski, a 2-year team captain, is on the honor roll with an average of 3.8.

"He's looking at colleges for Engineering," Brinson said. "He visited UR but he's also looking at Carnegie Mellon, RIT and RPI."

# CROSS TRAINING FOOTBALL

*Training the Heart of a Champion from the Inside Out*

The **Heart of a Champion Character Playbook** theme is

## **Be Relentless!**

*CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.*

Week 8 - The most Powerful character trait in the world Love. It is the essential quality that bonds teams and allows the athletes to play in freedom not fear.

Why is it so powerful, simple it is the desire of every athlete and person. We all want unconditional love.

On the football field it looks like being willing to play a position that is not your specialty; doing the dirty job that gets no press, or it is the scout team giving your best in practice.

Love perseveres when times are tough and does not think evil or negative of others. It is patient and kind; it protects, trusts, hopes and speaks truth. Simple love is sacrificing oneself for the benefit of the team. Love always plays for others and understands the name on the front of the jersey

comes first, not the name on the back.

When your teammate makes a mistake, love covers that teammate and pulls his teammate out of the hole.

You substitute forgiveness for bitterness, faith for fear, humility for pride, patience for frustration, hope for despair and you are a giver not a taker. Tell your parent's you love them today and make their day.

This week - suit up - strap it on and play for something bigger than yourself, because there is no greater love than this that you lay down your life for your friend or teammate. **BE RELENTLESS!**

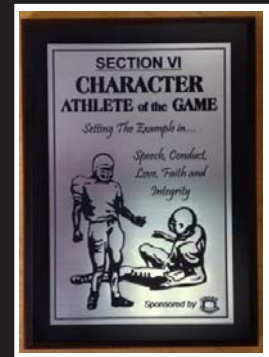

***Love Never Fails!***

# Red Swarm

*Stephen Carlson leads Jamestown to the AA South title with a shutout*

By Mark Adair

Jamestown led 12-0 at the half and shut out Orchard Park 19-0 last weekend. The Red Raiders clinched the AA South Division championship with the victory.

"We celebrated," coach Tom Langworthy said. "We're happy we achieved one of our goals but there is a bigger picture. The new season starts today. We are proud of what we did on Friday night but we have a lot more that we still want to do."

Langworthy said that the Orchard Park game is *the* big one every season... even this season when the Raiders have had a number of big games on the schedule.

"We have this circled on the schedule every year," Langworthy said. "To have it be the last week of the season was extra special for us. Our kids really wanted this game and they wanted the division championship."

Orchard Park has been an offensive juggernaut this season. The Quakers entered this game averaging 51.5 points per game. Twice this fall, OP has scored 70 points in a game ... and they have been "held" to 35 points twice.

"Our defense was incredible," Langworthy said. "Our pass rush was outstanding. We put pressure on the QB and we had a number of big plays on defense. We had sacks, interceptions and we were really able to disrupt their offensive rhythm."

Stephen Carlson had a huge night in the division-clinching victory. Carlson caught 5 passes for 113 yards, including a 43-yard TD that gave the Raiders a 6-0 lead. Carlson also made 13 tackles and intercepted 2 passes on defense. His first interception set up a short scoring

drive that gave Jamestown a 12-0 lead in the second quarter. He returned his second interception 55 yards for a TD in the third quarter.

"He had a big part of all three TDs," Langworthy said. "He had a wonderful night."

Jamestown will host Lockport at 7 pm on Friday in the first round of the Class AA playoffs.

"There are higher stakes but it's the same thing we have been doing all season," Langworthy said. "We play every game like a playoff game because we are competitive. Every week we want to be 1-0. That's the best we can do each week."

Carlson, a senior, has been a huge part of the Red Raiders roster for 3 seasons now.

"Stephen is an excellent future Division I college player," Langworthy said. "He doesn't keep track of his stats. He has no interest in personal accomplishments. He is

all about the team. He does whatever the coaches ask because he just wants to help the team win."

Carlson has caught 30 passes for 562 yards this season, leaving him 5th in WNY in receptions. He has also scored 8 TDs.

"His route running is excellent," Langworthy said. "He can run all the routes; short, deep and intermediate. He has good acceleration and excellent hands. He's also smart enough to play all 4 receiver positions so we can move him around out there depending on what coverages we see."

Carlson (6-4, 210) is also a high academic achiever. He ranks 6th in his class of 308 with an academic aver-

age in the high 90s. He is a member of the National Honor Society.

Carlson has a scholarship offer on the table from both the University at Albany and Alabama-Birmingham (UAB).

"We've got a lot of requests from the Ivy League Schools," Langworthy said. "Cornell, Princeton and Holy Cross are all very interested."

Carlson is also the Senior Class President and was elected as Jamestown's Homecoming King. He is a member of the National Honor Society, the Key Club and plays saxophone in the school's Concert Band.

"It's very clear that he is well-respected and well-liked in school," Langworthy said.

Despite Carlson's popularity in school, he remains humble and grounded.

"He's just one of the guys," Langworthy said. "He's very intense on game day but he stays pretty loose and fun throughout the week. He's involved in the community and his church."

Carlson says he is thrilled that his team was able to post a shutout over Orchard Park.

"That was a huge win," he said. "We knew they had a high-powered offense. We had not gotten a shut out this season and it was the perfect time for one. That game will give us momentum going into the playoffs."

Carlson says he has been driven by the Raiders' 48-34 loss to Aquinas in the Far West Regionals in 2013.

"That loss has been in the back of all of our minds," Carlson said. "We wanted to win the state championship and we came up a little short last year. We wanted to come back stronger this year and make another push to get to the State Championship."

In addition to the offers from Albany and Alabama-Birmingham, Carlson is getting serious interest from a load of Division III schools. Carnegie Mellon, Case Western Reserve, Hamilton College, along with Ivy League teams Cornell and Penn have also expressed interest in Carlson.

He says that the hardest challenge will be matching a college to a football program.

"I'm thinking of majoring in Biomedical Engineering," he said, "so I have to find a program that wants me that also offers that major. I've been talking with UB a little and the University of Rochester, too. Both of those are great schools that I would be very happy to be accepted into."

Carlson scored a 1920 on his SATs and his 95 average is with 4 AP classes on his schedule.

"I'm not sure what I want to do after school," Carlson said. "I would actually be very interested in designing medical equipment for hospitals, maybe medical research."

While all that is in the future, Carlson says he is thinking only about the next six weeks.

"We want to play six more games," he said. "We want to come out each Friday night the rest of the way and get past some higher-level teams. We need to focus on the week in front of us. Someone will end their season every week now and we hope it's not us."

# Peel Comes Home with Utica

Utica lost to St. John Fisher 42-7 last week and fell to 4-3 on the season. Utica head coach Blaise Faggiano was the defensive coordinator at St. John Fisher for nine seasons.

"When I was at Fisher we were 1-8, 1-9 and 3-7 over our first three years," Faggiano said. "By the eighth year we were in Final Four. It was tremendous to be a part of building a program like that."

Faggiano still has good memories of his time with Fisher.

"Being part of that program's turnaround gave me the opportunity to be a head coach," he said. "I will always be grateful for that. I want to take the experiences I had there and bring it here to Utica. When I was at Fisher, it took us 6 years to finally beat Ithaca. It takes a while to get things in place and we are doing that here."

This week, several of Faggiano's players will make a 'homecoming trip' of their own when the Pioneers play at Buffalo State College this weekend.

"Buff State is a pretty tough team," Faggiano said. "In the Empire 8, you have to show up every week."

Two of Faggiano's assistants, Will Pluff and Ryan Wilson, will be back in their home area.

"They love coming back to Buffalo," Faggiano said, "and I love having two coaches from Buffalo on staff. This is a huge recruiting area for us. WNY will always be a priority for us in recruiting, so it's nice to have ties like that to the area."

Faggiano said that his team still has a lot to play for, despite last week's loss.

"Buff State is playing for an Empire 8 championship," Faggiano said. "We are trying to get our program's third winning season. We just want to keep it simple and win a football game."

The Pioneers hope to qualify for a post-season bid.

"We have three games left to try and get a bowl game," Faggiano said. "Utica has never gone to the

post-season and that would be a big accomplishment."

In addition to Utica's two assistant coaches, Utica punter Dakota Peel will also be coming home for the weekend.

"He's having a great season," Faggiano said. "He's very high up the national rankings for punters."

**Utica College senior Dakota Peel.**

Peel, an Alden grad, is averaging close to 43 yards per punt. He has punts of 74, 67, 65 and 63 yards this season.

"He gets fired up when he gets one off like that," Faggiano said. "He's a competitor. When he gets a great punt off he jumps around like he scored a touchdown."

Peel, a senior, actually started at Utica as a RB. He has scored 2 TDs in his career with the Pioneers.

"Coach Pluff actually recruited him," Faggiano said. "When he was a freshman, he started at St. Lawrence and had over 100 yards rushing. He was the Offensive Player of the Game on Time Warner TV that week. It's nice when your punter can be a

good athlete, too."

But, as the roster improved each season since Faggiano's arrival, Peel found fewer and fewer opportunities to carry the ball.

"We started getting too much depth for him to stay at running back," Faggiano said. "We thought he could be an All-American punter. We talked to him and he made the decision to move to punter full time. It was best for our team and the results are showing that it was a good move for everyone."

Peel is now 5th in the nation in punting average.

"We are only giving up 5 yards per punt return," Faggiano said. "A lot of that has to do with Dakota's ability."

Peel is majoring in Business Management and has a GPA over 3.0.

"He's always been a very strong student," Faggiano said. "Now he's having the kind of year he deserves in football, too."
