HIGH SCHOOL FOOTBALL
IN WESTERN NEW YORK

Cauley Honored for Comeback

Pat Cauley was named the Coach of the Week by the Buffalo Bills and the National Guard after his team beat Williamsville South 40-34 in overtime.

"I accept the honor on behalf of the team, our kids, our coaches and our community," Cauley said. "A lot more goes into a win like that than just the head coach. Everyone did a great job."

It was Hamburg's first-ever playoff win on the road and the Bulldogs used a most improbable way to earn the win.

Hamburg trailed 21-3 at the half and looked for the all the world like they were going to exit the playoffs.

"Way back in our summer conditioning program," Cauley said, "I made sure that the kids understood that, no matter what happened this season, we would be resilient and relentless."

At the halftime break, Cauley reminded his players of that.

"I just told the kids to take a deep breath," he said. "We were not going to die like this. We were going to get to the 4th quarter with a chance to win.

We had worked too hard and if we were going to go out, we were going out playing our kind of football."

Hamburg scored early in the third quarter to pull within 21-9 but Williamsville South answered with a TD to push the lead to 27-9.

"We still felt we had a chance," Cauley said. "We can score from anywhere on the field but we had to stop them from scoring and we hadn't been able to do that."

However, Hamburg scored and then caused a turnover. When the Bulldogs scored again late in the third quarter, they trailed just 27-24.

Hamburg still had a mountain to climb when Williamsville South scored again to take a 34-24 lead with just 8:41 left in the game.

It took four minutes but Hamburg again pulled to

within three points when Mitch Gomolka pounded in from the 4-yard line to make the score 34-31.

Hamburg needed one more stop.

"We had a guest speaker come in and talk to the kids on the Thursday before the game," Cauley said. "One of the things he told them was that every inch counts. He said that the game would come down to a few inches."

With Williamsville South facing a 4th-and-1 on the Hamburg 19-yard line, the Bulldogs stopped the Billies' just inches short of a game-clinching first down.

The Bulldogs drove frantically down the field and,

on the game's last play, Jason Shuttleworth kicked a 37-yard FG to tie the game.

In the OT session, the Hamburg defense stopped South without a first down. With their own possession, the Bulldogs methodically drove to the 2-yard line and then Gomolka hammered in for the game-winning TD.

Cauley has been a coach at Hamburg for 23 years. He coached at the

modified and JV levels for 15 years. He was also the head basketball coach for 11 years before stepping down to pursue his administration degree.

Cauley was named the Hamburg AD 2 years ago.

"It certainly is a challenge but I will never be an AD that is only interested in the program I coach," he said. "We are trying to create a culture where everyone is a Bulldog. I have excellent assistant coaches who do a great job and pick up any slack that might exist because of my other position."

Cauley says that his team is far from satisfied with winning a playoff game.

"There's no reason to be satisfied," he said. "We have a good team waiting for us but we want the opportunity to go out and compete and we want to win."

Players of the Week

Offense

John Dolac powered the offense as he ran 25 times for 199 yards and 3 TDs to lead West Seneca East to a 25-14 win over North Tonawanda in the first round of the Class A playoffs. Dolac also made 8 tackles, 1 for lost yardage, on defense.

Defense

Brad Zaffram made 16 tackles, 1 for lost yardage, and intercepted 2 passes as Canisius beat Bishop Timon 37-8 last weekend. He returned one INT 80 yards for a TD. Zaffram also carried 7 times for 37 yards, including a 4-yard TD.

Special Teams

Brandon Bojanowski returned the opening kickoff 97 yards for a TD for the game's only TD as Maryvale won a defensive slugfest with East Aurora 7-0 last week. He also ran 7 times for 32 yards as the Flyers advanced to the Class B semifinals.

Size Means Nothing for Senior

Sweet Home jumped out to a 21-0 lead at the half and beat McKinley 44-6 in the first round of the Class A playoffs last week.

"The kids did exactly what we coached them to do all week," Sweet Home coach John Faller said. "For the second week in a row they executed flawlessly. Our kids executed very well."

Sweet Home improved to 6-1 on the season. The Panthers have won 6 straight games since opening the season with a loss to Jamestown.

"You need to win or go home," Faller said, "and our kids know that. They have been striving to get to this point since we lost to Jamestown."

After a sluggish win over Starpoint in Week 5, Sweet Home has dominated its last two games.

"We have played really great football the last two weeks," Faller said. "Everyone has been contributing on offense, defense and special teams."

This Saturday, the Panthers will host West Seneca East in the semifinals for the second straight season.

"We played West Seneca East in the semis last year," Faller said, "and two years ago we played them at the Stadium. We are not unfamiliar with each other."

West Seneca East will have a significant size advantage when the teams meet.

"That's not a news flash," Faller said. "We are undersized against everyone this year. We don't have any big kids like some of these teams do."

Faller said that he's pleased with the way his team has played despite the lack of size this season.

"Size helps but you go with what you have," he said. "We have pretty good technique and our kids work on it a lot. We do what Sweet Home does. We're really sound and these kids know what they're doing. We're not unbeatable but you better come with your 'A game' to beat us."

And while the Panthers will not be able to rely on size to push opponents around, for the first time this year, they will have a full roster to work with.

"We have everyone back healthy," Faller said. "We had a bunch of injuries, the kind that take time to heal. We've always

had injuries before, everybody does. But you need somebody to go in and perform when they get their chance."

One player that has returned to bolster the Panthers is senior RB Jordan Heine.

Heine, a 2-year starter who is just 5-foot-6 and 145 pounds led the Panthers with 124 rushing yards in the win over McKinley.

Photo by Mark Adair

Sweet Home senior Jordan Heine rushed for 124 yards in the Panthers 44-6 win over McKinley last weekend.

"In high school football, little guys can be very good players," Faller said. "He runs as hard as a guy who is 190 pounds and he is twice as quick."

Heine has been timed at 4.6 in the 40-yard dash.

"It's his change of direction that he's really devastating with," Faller said. "He can stop and go on a dime. You don't know which way he's going to go. Most kids are not going to get a clean shot at him. Once he changes direction, he accelerates really quickly."

Heine suffered a hairline fracture in his shin in the Panthers opening-week loss to Jamestown.

"It took a long time to heal up," Faller said. "He didn't come back until Week 6."

Heine returned for the Panthers win at Starpoint. In that game he ripped off a 60-yard punt return to set up a Sweet Home TD in a 28-9 win.

"He's really dangerous on punt and kickoff returns," Faller said.

The following week, Heine rushed for 99 yards and a TD as Sweet Home won the A North Division with a 48-13 win over Williamsville South.

"Every game he has been back, he was one of our leaders on offense," Faller said. "We've been giving him a little time at defensive back but mostly he just plays offense."

Heine also starts at point guard for the Sweet Home basketball team and is a midfielder for Faller in lacrosse.

"He's a real good lacrosse player," Faller said.

Heine also plays a lot bigger than his size, Faller said.

"He's a real competitor," Faller said. "He gets on the field and he has no fear. He's ready to go from the opening kickoff. Size means nothing to him. He'll lower his shoulder and hit people."

Junior QB is Best for West

Kenmore West beat Lancaster 41-21 in the first round of the Class AA playoffs last week. The Blue Devils rebounded just one week after losing 7-0 to arch-rival Kenmore East.

"That was a rivalry game and Ken East played hard," West coach Rich Harris said. "They earned it. They beat us."

The loss to win-less Ken East shocked everyone in WNY. Especially since the Blue Devils had just won the AA North the previous week.

"It's been a roller coaster ride," Harris said. "We started out 0-2, won the division and then lose to our rival. Our team is very young. We start 4 sophomores.

That's what happens with a young team like this. But we are light years better than we were at the beginning of the year."

In the win over Lancaster, QB DeAngelo Walker-Johnson led the offense as he rushed 25 times for 117 yards and 3 TDs. He also passed for 58 yards and

another TD.

"We've been running the ball very effectively," Harris said, "but he can throw. He as a great arm."

Walker-Johnson has rushed for 308

yards and 5 TDs this season.

"He's very fast," Harris said. "He runs the 40 in 4.5. He was a 100-meter track champion at the NFL meet last year."

Walker-Johnson (6-0, 180) has become a team leader this fall.

"His leadership and charisma are outstanding," Harris said. "He just lights up the room when he walks in. The team really rallies behind him."

The junior has an academic average in the high 80s. "He comes into

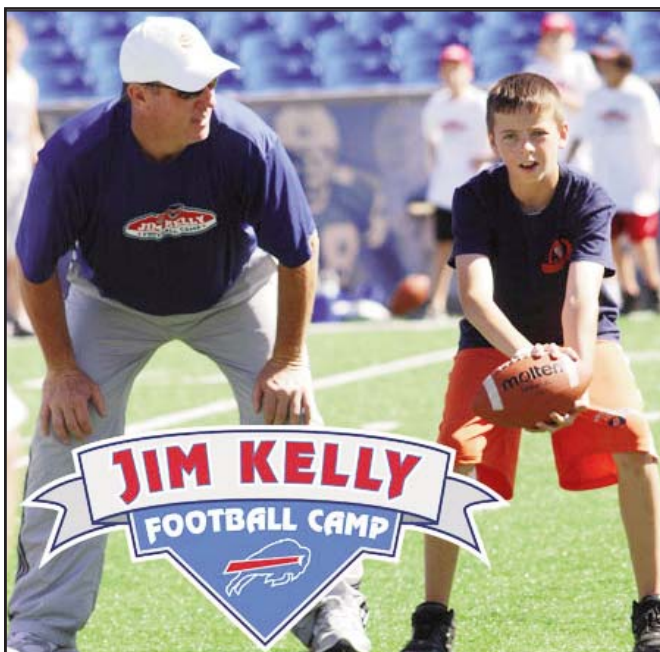

the office every day after practice to shake the coaches hands before he goes home," Harris said. "He's just showing respect."

Walker-Johnson is also a member of the Student Advisory Council, a student group that consults with the Athletic Director about policies and procedures.

Becht Leads North Defense

Williamsville North beat Frontier 33-0 in the first round of the Class AA playoffs. It was the fifth shutout for the Spartans this season and the 10th over the past two seasons.

"Our game was plan was to come in running the ball," coach Mike Mammoliti said, "and we rushed for almost 200 yards."

The Spartans led 14-0 at the half.

"We had moved the ball pretty well," Mammoliti said. "We only threw the ball 9 time."

Williamsville North will now play at Jamestown in the Class AA semifinals on Friday.

"The kids are really excited about the opportunity," Mammoliti said. "A lot of people already making plans for Jamestown to move ahead. That's fine with us. We like being under the radar."

Mammoliti says that his team has played well since losing to Kenmore West in Week 5.

"I think it was a wake-up call that we needed to get better," he said. "The kids have played pretty well since. They have given up 6 points in three games."

One player who has helped the

Spartans defense this season is senior LB John Becht.

"He was one of the sophomores we brought up 3 years ago," Mammoliti said. "We brought up six sophomores and a freshman and they have all been two-way starters for us the last 3 years."

Becht (6-0, 195) also starts at RG on offense.

"He's bigger than he looks," Mammoliti said. "He has great football sense. He understands all the schemes."

Becht is a member of the National Honor Society with an academic average of 93.

"He's a very bright kid," Mammoliti said. "His toughness and his technique are outstanding. His hands are excellent. In another offense he would be a starting tight end. He's that good of an athlete."

Leonard Has Great Career

South Park beat Starpoint 20-12 last week in the first round of the Class A playoffs. The Sparks will make their first-ever appearance in the semifinals this Friday when they host Hamburg.

"We're excited to still be alive," coach Tim Delaney said. "Everybody knows its one more game to get to the Stadium."

The Sparks beat Hamburg in Week 5 this season.

"We need to play better than we did the first game," Delaney said.

"They are playing really well right now. They are a good football team."

The Sparks were expected to beat Starpoint handily but needed a 4th-down stop late in the game to secure the win.

"We need to clean up our mistakes," Delaney said. "We need to be more careful with the football. We turned it over 4 times against Starpoint."

If the Sparks are going to beat Hamburg and become the first Buffalo

City team to play in the Ralph, they will need a big game from senior WR Antonio Leonard.

Leonard is the Sparks career leader in receptions and he has played with three different QBs.

"Each QB was a little different," Delaney said. "We are a much heavier run team this year. This year has been different for Antonio. We are a different offense."

Leonard has 104 receptions in his career and has more than 1,000 yards receiving in his career. He also has 10 career TDs.

"He has been committed to our year-round program since he was a freshman," Delaney said. "We knew he would be on varsity

South Park senior Antonio Leonard.

as a sophomore."

Leonard is also tied for the South Park record of career interceptions with 12.

"Every Division I-AA team that has called likes him," Delaney said. "Every Division 3 school likes him. He won't have a problem finding a home."

Shuttleworth Saves Season

Hamburg rallied from a 21-3 halftime deficit to beat Williamsville South 40-34 in overtime in the first round of the Class A playoffs last week.

“Our game plan wasn't working and we weren't executing,” Hamburg coach Pat Cauley said. “We got some offensive momentum in the second half.”

Hamburg had pulled to within 34-31 late in the game but had to survive a 4th-down measurement as Will South was trying to run out the clock.

“That could have gone either way,” Cauley said. “It was inches short and we got one last chance.”

Cauley told his team to relax and execute on their final drive.

“We practice this drive every Tuesday and Thursday,” he said. “Alex Suchan kept his composure and moved the chains with no timeouts. None of us stopped believing that we could come back.”

On 4th down, with just :03 left, Cauley

sent in senior Jason Shuttleworth to attempt they game-tying, 37-yard FG.

“It was a tough spot to put a kid in,” Cauley said, “but a couple of weeks ago we had the same situation against West

Seneca East. That time, we elected to go for it.”

Cauley's kicker was angry with the coaches decision.

“He was mad at me,” cauley said. “He told me that he could do it. He said, ‘That's my job, that's what I work on. I want to help the team win.’ So I had confidence in him this time.”

Shuttleworth nailed the FG sending the game into overtime. The Bulldogs completed the come-back when Mitch

Gomolka powered

in for a TD in the overtime session.

“Since we had that conversation he has been coming on,” Cauley said. “He's our kicker and our punter now. All summer, he's been out on the field with a bag of balls and his kicking tee's and he's working. It paid off for him.”

QB Takes Charge at Bennett

Bennett beat Medina 42-6 last week in the first round of the Class B playoffs.

The Tigers will now face Burgard at All-High 2:00 pm Saturday in the semifinals.

Bennett beat Burgard 22-12 in Week 5.

"This is will be one of the biggest City games in Buffalo history," Bennett coach Steve McDuffie said. "No matter who wins, one of us will go to the Ralph. If people thought the atmosphere was electrifying three weeks ago, this will be even more electrifying. Everybody wants to see the re-match."

McDuffie says that everywhere he goes in Buffalo, people are talking about the semifinal game between the Bennett and Burgard.

"The 'barber shop talk' in Buffalo is all about the re-match," he said. "And it has been for weeks. We had a huge crowd last time. Hopefully we get double the crowd on Saturday."

McDuffie says that he expects a game

even more hard-hitting than the first game between the old Harvard Cup rivals.

"It will be another slugfest," he said. "Burgard is a very good team. Our kids really understand that this is the biggest

game they have ever played in their lives. They understand the stage they are about to go on."

If Bennett is going to get past Burgard and advance to play at the Ralph, they will need a big game from junior QB Anthony Mendrysa.

"Our kids call him TJ Brady," McDuffie said. "He's smooth and poised. He's unshakeable."

Mendrysa (6-0, 205) has taken on a leadership role for the Tigers.

"He commands

the huddle," McDuffie said. "He takes charge and our kids love playing with him."

While Bennett is a run-oriented team, Mendrysa can pass when called upon.

"He's accurate," McDuffie said. "He can throw 15 or 20 times a game if we need him to."

Thompson Leading Burgard

Burgard beat Fredonia 32-0 last week to advance to the Class B semifinals. The Bulldogs will play Bennett on Saturday at All-High Stadium.

"We moved the ball for 3 good TDs in the first half," coach Jason Kolb said. "When we got the third TD that gave us a control of the game."

Kolb says that his team has played well the past four weeks.

"The kids are blocking down-field," he said. "They are playing hard and getting extra yards."

This will be the third semifinal game for Burgard in the last four years.

"We lost two of them at Alden," he said. "Hopefully this year will be different."

The game will be played at All-High Stadium at 2pm Saturday.

"Even though it's an away game for us, we are playing at All-High," Kolb said. "That's our home. It's a comfortable place for our kids. I think it there is no

home-field advantage here."

Kolb also says that he expects this game to be as hard hitting as the first game between the teams.

"We plan on seeing power football on both sides," he said. "The winner of this game will probably be sore. The loser will be, too."

If Burgard is going to get past Bennett, the Bulldogs will need a big game from senior QB Kijana Thompson.

"He has control of the offense," Kolb said. "He's a leader on the team and in the school. He plays hard."

Thompson (5-10, 170) was slated to start at QB last fall.

"Another kid won the job," Kolb said. "Kijana stuck

it out and did whatever he could to get on the field. He showed a lot of character."

Thompson has passed for 852 yards and 6 TDs this season.

"He is a leader just by his presence," Kolb said. "He's a smart football player and has a strong arm."

Peterson Powers Trojans

Southwestern beat JFK 56-6 last week to advance to the semifinals in Class C. The Trojans led 35-0 after the first quarter and 49-0 at the half.

"We took advantage of some turnovers," coach Jay Sirianni sai. "We've been playing very good football the last few weeks."

Southwestern will now play at Cleve Hill in the Class C semifinals on Saturday.

The Trojans defeated Cleve Hill 37-18 in Week 3.

"It was a much closer game than that," Sirianni said. "We jumped out to a 20-6 lead in the first quarter. But after that, it was a very close game."

Sirianni said that his players will not mind the long drive to Cheektowaga for this game.

"It's a playoff game," he said. "We don't care where we play. Both teams are fighting to get to the Ralph. It's great for the kids to be in a game like that."

Sirianni says that has not pulled out

any special motivational tactics to get his team ready.

"We just want to stay focused and stay sharp," he said. "The goal is the same every week. We just want to keep getting better as the week's go on."

If the Trojans are going to get past Cleve Hill, they will need a big game from senior RB Hunter Peterson.

"He has started for us for 3 years," Sirianni said. "He started since he was a sophomore."

Peterson (5-10, 165) has rushed for 660 yards and 6 TDs this fall.

"He's just a good athlete," Sirianni said. "He excels on the baseball diamond, too."

until his family moved to the Southwestern district in 2012.

"He moved here as a sophomore," Sirianni said. "He's been a great addition to our program. He's a team captain and a great team leader. He works hard on the field and in the classroom."

Wesley Leading Cleve Hill

Cleve Hill led just 12-6 at the half but scored twice after the break and beat Salamanca 24-6 last weekend.

"This was the healthiest Salamanca has been all season and it showed," Cleve Hill coach Glen Graham said. "They have a lot of pride in that program and they were ready to play."

The Golden Eagles scored with :02 left in the first half to take the lead.

"That was a big one," Graham said. "We put on a 72-yard drive and we did it in a little over a minute. It was a huge point in the game."

Cleve Hill scored a pair of TDs in the final quarter to put the game away.

"We finally wore them down," Graham said. "Salamanca put up a heck of a fight."

Cleve Hill will now host Southwestern at 2pm Saturday in the Class C semifinals. Southwestern beat the Eagles 37-18 in Week 3 this season.

"We feel like we have a great opportunity," Graham said. "There is no doubt that we are a better football team than we were then. We don't always get a second chance to compete against someone who

beat you before. We just need to be more fundamentally sound than we were in Week 3."

If the Eagles are going to get past Southwestern, they will need a big game from senior WR Aaron Wesley.

"He is a high character kid," Graham said. "He has had two fantastic seasons for us so far. He's been very good for us but he was overshadowed by some of our other players."

Wesley (5-11, 165) also starts at DB for Cleve Hill.

Cleve Hill senior Aaron Wesley.

"He's a very good cover cornerback," Graham said. "they don't challenge him much. He's got good closing speed and he doesn't wear down, ever."

Wesley is also a team leader.

Panama takes on Ranolph

Panama beat Westfield 20-10 last week-end to sew up the fourth seed in the Class D playoffs.

"We had a rough start but played better at the end," Panama coach Chris Payne said. "I know

Westfield hasn't won but they are a good team. They have a lot of good kids and they are very well coached."

Payne says that his team has played hard in their final season as the Panama Panthers. The program will merge with Sherman-Clymer next fall.

"Our kids are battlers," Payne said. "They really come to compete every game. We've been outmanned in every game but you can't measure the

heart of our team. They fight to the bitter end and they play great together."

The Panthers are 5-2 this season.

"We are playing against merged teams and bigger D teams," Payne said. "It's been a great season for our kids and I am very proud of them."

Panama will now play at Randolph in the Class D semifinals Friday.

"We have the biggest challenge of anybody," Payne said. "We are just talking about what we need to do to win the game.

Randolph is a great football team but we still have to play."

If Panama is going to upset Randolph, they will need a big game from senior RB Dylan Bergman.

"He's a three-year starter for us," Payne said. "He started out as a DB and we moved him to LB last year."

Bergman also plays TB and FB.

"He has real good hips," Payne said. "He can make people miss."

Bergman (6-1, 160) also plays hockey for Jamestown.

Panama senior Dylan Bergman.

"He's not big but he is very athletic," Payne said. "He plays football with us and then goes to practice with them."

Bergman has become a team leader.

"He's a team captain and has been a pretty positive leader," Payne said. "The kids follow him."

Erickson Leads Eagles

Franklinville-Ellicottville beat Portville 48-13 last week to clinch the second seed in the Class D playoffs.

"We jumped out pretty good," coach Chad Bartoszek said. "It was senior night for Franklinville and the kids came ready. They did a good job."

The Eagles will now host Cattaraugus-LV in the Class D semifinals this Friday.

"We feel pretty good," Bartoszek said. "This is the spot we wanted to be in. We got a home playoff game."

The Eagles are now 7-1. Their only loss this season was to Randolph.

"We had one hiccup all year," Bartoszek said.

"The kids have responded every week and we are in a good place.

The Eagles beat Cattaraugus-LV three weeks ago in Week 6.

"We had a lot of success that night which creates some issues," Bartoszek said. "Hopefully the kids understand that

we need to play well. Nothing we did in that game will have anything to do with this week."

If the Eagles are going to advance to the Class D semifinals, they will need a big game from senior TE Ben Erickson.

"He's athletic," Bartoszek said. "He also plays basketball and has great ball skills. He knows how to adjust his body to the ball."

Erickson (6-2, 180) has 9 catches for 241 yards and 4 TDs this fall. He is more than a pass catcher, Bartoszek said.

"We worked a lot on his technique for blocking," he said.

"His size is beneficial. We try to throw a little more than in

the past but we are very good at running the ball and we need a good blocking TE."

Erickson is a team captain.

"He's a top student with an academic average in the 90s," Bartoszek said. "He brings the team up and the kids rally around him."

Canisius Led by Top Lineman

Canisius led 24-8 at the half and beat Timon 37-8 last weekend. The Crusaders (8-0) are ranked #1 in NYS and are also ranked 38th in the nation.

Canisius coach Rich Robbins said he has not mentioned rankings at all this season.

"I'm sure the kids know," he said, "but we don't talk about undefeated seasons or national rankings. We need to focus on having a great practice every day and then winning one game at a time."

Robbins admits that he can't exactly hide the information.

"I'm sure everybody is aware of it," he said, "but it's just not something we acknowledge.

We need to keep winning games and then, at the end of the season, we can look at all that other stuff."

Canisius will play its final regular season game this weekend against St. Francis.

"It's our senior day," Robbins said. "It's the last time that the seniors will get

to play on our field. It's an important day because it's a league game but it's an especially important day for our seniors."

If Canisius is going to finish the season undefeated, they will be relying on senior OL Mike Kenefick to lead the way.

"He starts on both sides of the ball," Robbins said. "He plays every snap on offense and 80 percent on defense."

Kenefick (6-4, 290) can bench press more than 400 pounds.

"He's thick as heck but he's in very good shape," Robbins said. "He's the strongest kid on our football team."

Kenefick is a 3-year varsity player. "His work ethic is second-to-none," Robbins said. "He's

dominant on the football field but might be the nicest kid on the team."

Kenefick is also a team captain. "He's a good student," Robbins said. "No one at Canisius would say a bad word about him. He has made the most of his opportunities."

CROSS TRAINING FOOTBALL

Training the Heart of a Champion from the Inside Out

The **Heart of a Champion Character Playbook** theme is

Be Relentless!

CTF's vision is to develop the hearts of coaches and athletes to be men of character for others.

Week 8 - The most Powerful character trait in the world Love. It is the essential quality that bonds teams and allows the athletes to play in freedom not fear.

Why is it so powerful, simple it is the desire of every athlete and person. We all want unconditional love.

On the football field it looks like being willing to play a position that is not your specialty; doing the dirty job that gets no press, or it is the scout team giving your best in practice.

Love perseveres when times are tough and does not think evil or negative of others. It is patient and kind; it protects, trusts, hopes and speaks truth. Simple love is sacrificing oneself for the benefit of the team. Love always plays for others and understands the name on the front of the jersey

comes first, not the name on the back.

When your teammate makes a mistake, love covers that teammate and pulls his teammate out of the hole.

You substitute forgiveness for bitterness, faith for fear, humility for pride, patience for frustration, hope for despair and you are a giver not a taker. Tell your parent's you love them today and make their day.

This week - suit up - strap it on and play for something bigger than yourself, because there is no greater love than this that you lay down your life for your friend or teammate. **BE RELENTLESS!**

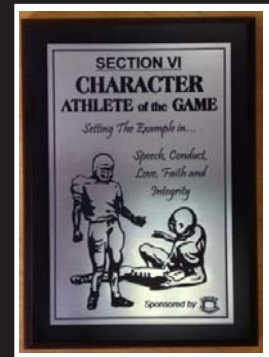

Love Never Fails!

Miller Time!

MGCLake Follows Senior Running Back into Class C semifinals

By Mark Adair

MGCLake beat Lackawanna 45-0 in the first round of the Class C playoffs last week.

"We jumped out early and got the edge with our ground game," coach Curt Fischer said. "We tried to throw a little more than usual just to work on it but our run game was pretty solid."

The Thunder Dragons, who are now ranked #3 in NYS, rushed for 335 yards in the win.

It was also the 6th time this season that MGCLake as shut out an opponent.

"Our defense was phenomenal," Fischer said. "We had two turnovers inside their 20-yard line in the first quarter. That really set the tone for the game."

In fact, Fischer said, the Thunder Dragons defense has set the tone for the entire season.

"Our defense has given us an opportunity to go for it on 4th-and-short when we should be punting," Fischer said. "The confidence we have in our defense allows us to take chances that we wouldn't normally take. They just shut other teams down."

The Dragons defense does more than just shut down offenses, though.

"They create turnovers, too," Fischer said. "We had 4 more in the win over Lackawanna."

So far, this season, MGCLake really hasn't been challenged yet. The Dragons beat Randolph 28-7 in the season's opening game. They were tied at 8-8 with Southwestern at the half before winning 32-8.

Other than that?

"Every other game we've had has been over by the half," Fischer said.

MGCLake senior Ryan Miller will lead the Thunder Dragons into the Class C semifinals this week. Miller is the leading rusher in WNY with 1,546 yards and 20 TDs.

Ryan Miller, the Dragons leading rusher, gained 156 yards and scored 3 TDs on just 15 carries against Lackawanna.

"We could get Ryan three or four hundred yards a game," Fischer said. "In some of our games, he is getting 9 carries. His yards-per-carry average is amazing. But I don't know how many Connolly Cup nominations he has missed out on because we don't run him 25 or 30 times a game."

Fischer says that his team isn't exactly losing interest in the season.

"The kids aren't bored," he said. "But there is some frustration because they don't get to play a full game. But

The biggest problem facing the Dragons' coaching staff has been how to NOT run up the score.

"You always worry about getting into a situation where other coaches are screaming across the field at you," Fischer said. "One time this year, we gave the ball to 22 different kids after the half. Eleven of them were linemen who had never carried the ball before."

It made no difference as the opposing staff was still angry because MGCLake went for 2 points after each touchdown, instead of kicking a PAT.

"We haven't kicked a PAT all year," Fischer said. "We don't have a kicker."

Fischer is alternately happy and frustrated that his team is so strong. Sometimes, he said, his players are actually harmed by playing less than half a game.

continued from page 24

they are all very team-oriented. Any kind of personal stuff has been put aside. It's a pretty special group."

Miller has been pretty special this season, too.

The senior has rushed for 1,390 yards this fall... more than any other player in WNY. Miller has also rushed for 17 TDs, tied or second in WNY. His production has come with just 120 carries, which means he is averaging more than 11.5 yards per carry.

"He's special," Fischer said. "He is a very patient runner. It's like he floats in the air, and then plants his foot and changes direction. It's amazing to watch."

Miller also runs with power, according to Fischer.

"Ryan can also run over a guy," Fischer said. "He will lower his shoulder to get a couple of extra yards."

Thus far, Miller has been limited to playing only offense.

"He could play defense," Fischer said, "but we have so many kids that can play. We have three extra defensive backs that could go in and play at any time. That keeps him fresh."

Fischer says that Miller worked hard to make sure he was physically ready for the season.

"He busts his butt with his conditioning," Fischer said, "this off-season he and a couple of other players drove to Erie, Pa. to work out with a personal trainer. That's the kind of work he has put in. That's why he's having the season he is having."

Miller (5-11, 192) is being looked at by several college programs.

"Quite a few D-3 schools want him," Fischer said, "We've heard from Alfred, Buff State and Hobart. They would all be great options for him. I feel there are a couple of D-2 schools that he could play at. We have been in touch with Edinboro, Gannon and Mercyhurst but he is keeping all of his options open."

Miller, who has an academic average in the high 80s, was a sophomore on the last Chautauqua Lake team in 2012. He says that he feels more at home this season, one full year after the merger between the Maple Grove and Chautauqua Lake programs.

"When we started out last year, we didn't really bond," he said. "It took some time, but by the end of the season we were definitely one team. This season, we are like brothers now."

He said that he thinks about MGCLake's loss to Randolph at Ralph Wilson Stadium in the Class D title game last season.

"Especially when we found out Randolph was our first game this season," he said. "We needed to prepare as hard as we could or that game. It was nice to get that one."

Miller says that he has his sights set far higher than winning at the Ralph this fall.

"We're taking it one game at a time, one step at a time," he said, "but our goal is to win a state championship. We believe we can get there."

Khari Demos Starting for Fisher

St. John Fisher beat Alfred State 61-0 last week to improve to 6-1, (4-1 in Empire 8 games). The Cardinals were only marginally helped when Utica beat Buffalo State that same day.

"It really didn't do anything for us," Fisher coach Paul Vosburgh said. "Buff State only has 2 losses. It doesn't change our scenario at all. We have to win."

The Cardinals will host Buffalo State at noon Saturday. The winner will be the favorite to win the Empire 8 Conference.

"Buff State is a very good football team," Vosburgh said, "and has been for the last 3 or 4 years. Since Coach (Jerry) Boyes has come back to coach, they are a very good football team."

The winner will also have the inside track into the NCAA playoffs.

"This should be an outstanding football game," Vosburgh said, "it should be a great contest."

The Cardinals will be helped by the probably return of Lockport grad Khari Demos to the lineup. Demos has been nursing a minor knee injury the last two weeks.

"He should be ready to go," Vosburgh said.

"We are expecting him to play."

Demos transferred into the Fisher after spending a year at the University at Buffalo. He was a "gray shirt walk-on" but was never activated for a game.

"Khari is a good football player," Vosburgh said. "He can play at the scholarship level. For whatever reason, his opportunity to play for UB never materialized."

Vosburgh says that is not entirely uncommon.

"There are a lot of kids like that in Division 3," he said. "It doesn't mean that they weren't good enough.

Sometimes the situation just doesn't allow them to get where they would like to be in a Division I program.

Sometimes the program has already given out so many scholarships they can't get them into the lineup. There are a lot of reasons that happens but it does not mean they weren't good enough. UB liked Khari enough to ask him to

be on their team.'

Vosburgh recruited Demos hard when he was at Lockport High School.

"I liked him a lot," Vosburgh said. "He was very athletic and had good feet. He played on the basketball team and

he was a very good student. He was involved in a lot of other things in high school, not just sports."

Vosburgh was disappointed when Demos opted to attend UB instead of SJF.

"He's a great kid," he said. "I understand kids wanting to try and play at the highest level possible. When we lose a kid like that, we wish them the best and tell them the door is always open for them. I've lost kids that way and they have made it. I would not have been surprised had Khari made it."

Vosburgh was elated when Demos called and asked if the opportunity to play at St. John Fisher was still open.

"We were pretty excited about the possibility of getting him back," Vosburgh said. "I knew his grades wouldn't be a problem."

Demos is now 6-4 and 290 pounds.

"He's gotten bigger and stronger," Vosburgh said.

"Being at UB was good for him. He was practicing on the field with older kids and getting good coaching at UB. He was practicing against other Division I kids. We challenged him to come in and play for us."

Demos won a starting OT job right in camp.

"We had an inter-squad scrimmage and with we scrimmaged with UR," Vosburgh said. "He did a great job and we named him the starter."

Just like when he was in high school, Demos is involved in much more than just football.

"He's a very intelligent young man and he has good grades," Vosburgh said. "He's a good football player and a good person. He will be a highly successful person after college."

Redden Honored at UB

University at Buffalo senior safety Adam Redden was named the Mid-American Conference East Division Defensive Player of the Week on Monday after his standout performance against Central Michigan on Saturday.

Redden had 10 tackles, 3.5 tackles for loss, two sacks, a forced fumble and a fumble recovery against the Chippewas. He had two of the Bulls' season-high five sacks in the game. On his first sack, he

was able to force a fumble and recover it. The Bulls capitalized by scoring a touchdown and cutting the CMU lead to 14-7 before the half.

An All-MAC Third Team selection

a year ago, Redden is well on his way to earning All-MAC honors again this year. He leads the conference in tackles for loss with 12 and

It's not the critic who counts.

**Not the man who points out where
the strong man stumbled or where
the doer of deeds could have done
them better.**

marred by the

who errs and comes
short again and
again and again...**

**...who at best knows,
in the end, the triumph

and who, at the worst,
if he fails at least fails
while daring greatly,**
