Day 3

Today's Red Ribbon Week theme is Black Out Bullying. What is bullying? Bullying can take many forms. It can be physical, like hitting, kicking, or punching. It can also be social or emotional, like using words to hurt someone, leaving someone out, or gossiping and spreading rumors. Bullying can happen at school, in your neighborhood, or online. Adults may not see when someone is bullied. This happens because bullying often happens outside the view of adults. This is why it is important to report bullying to an adult! Adults want to know about it and stop it from happening.

Tomorrow's theme is Say "BOO" to Drugs! Wear your Halloween costume.

Lunch today is chicken fingers with macaroni and cheese and sliced carrots

Friday October 27

## Day 2

Today's Red Ribbon theme is "Lei" off Drugs! Peer pressure can be tough - it's important to surround yourself with friends that you can trust and who make good choices. You can also be a role model for your peers and lead with good examples. Today is a good reminder of the importance of being unique and not being peer-pressured into doing drugs.

Monday's theme is Black Out Bullying! Dress in black.

**Staff and faculty, if you get a chance, please check out the amazing student work and vote on one of the many Halloween posters displayed in the hallway 6th and 7th graders created using the Drawing Palette in Google Docs. Tickets to vote are with Ms. Pelligra in room 267. Thanks.**
