

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Page Last Modified: 07/22/2021

Summary & Background

KENMORE-TONAWANDA UFSD

142601030000

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Summary & Background

Page Last Modified: 07/22/2021

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

- not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Submission Instructions

Page Last Modified: 07/22/2021

Submission Instructions

KENMORE-TONAWANDA UFSD

142601030000

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

KENMORE-TONAWANDA UFSD

142601030000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.

The district solicited feedback over a seven day period from June 22, 2021- June 29, 2021. A link to a google form was distributed which allowed stakeholders to provide feedback indicating their support based on the allowable categories in the American Rescue Plan. In addition, stakeholders had the opportunity to submit their own ideas and general feedback regarding the use of the funds. The Survey was closed and the final plan was posted 6/30 on the district wide website including the feedback from the stakeholders.

A total of 246 individual stakeholders including parents/guardians from all nine district schools as well as students and staff members contributed feedback and ideas on how to allocate ESSR funds. These participants identified different components they wished to see addressed in each allowable category including capital improvements, technology, addressing learning loss, instructional programming, social-emotional initiatives, parent/family engagement, and professional development. Participants also contributed their own ideas as to how ESSR funds could be spent. All school district stakeholders were invited to participate in this process and the feedback gathered through this process was used to create the final plan which was posted to the school district website. The district will continue to engage its stakeholders in a variety of ways including social media, electronic communications, weekly video/email updates from the Superintendent, the district website, Parent Cabinet (meets three times per year to discuss district initiatives), Shared Decision Making Teams, Board of Education meetings, question-and-answer sessions, and community forums.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 02/01/2022

2. **In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.ktufsd.org/cms/lib/NY19000262/Centricity/Domain/9/FILE063021ACRPlan.pdf>

The document is conspicuously posted in several locations on our district website: on the Documents & Plans webpage which can be accessed on any webpage under the "District" tab in the main navigation bar; under "Site Shortcuts" on the district homepage at www.ktufsd.org; and under "COVID-19 Links & Resources" on the district homepage at www.ktufsd.org.

Printed copies of the plan will be available upon request through the district office at 1500 Colvin Blvd., Buffalo, NY 14223 phone number 716-874-8400.

ARP-ESSER LEA Base 90% Allocation - Program Information

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

The district will be back to in person learning and doesn't plan to use the funds for this purpose.

4. **In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

The KTUFSD school district will use data reports from state education departments, iReady, AimsWeb Benchmark reports and student teacher surveys to identify student needs and monitor student programs as a result of planned interventions and support.

The KTUFSD will use building-level program leaders and grade-span coordinators to review student performance data to establish criteria for students eligible for both tutoring and summer programming. Summer programs and tutoring programs differ most especially given the timeframe they are offered, but additionally in the ability to address single-skill deficits (tutoring) versus multiple skill-deficits (Summer). Building-level contacts will bring eligible students together at a grade-span meeting to discuss programmatic needs, eligibility criteria and program design that supports those students with the most significant learning loss with the greatest potential for recovery in the summer program.

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

Funds will be used to address the academic lost of instruction time through the following methods:

- *Learning Recovering Tutoring Sessions for K-12 Students*
- *The following interventions will be used: iReady, Lexia, AimsWeb, SuccessMaker*
- *Summer School: Learning for K-12 Students focusing on ELA and Math gaps based on Aimsweb and iRead benchmark assessments.*
- *Aimsweb benchmark assessments- using retired staff to administer assessments to keep the classroom teacher in the classroom without interrupting instruction.*
- *Staff development and materials for teachers on effective Tier 1 intervention strategies for ELA and Math instruction. (Wilson, Orton Gillingham)*
- *Professional Development and materials for small group instruction; guided reading in K-4 classrooms.*

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 02/01/2022

6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.

KTUFSD will address the social and emotional learning needs of our students in the following ways:

- *Mental Health Safety First Training*
- *Culturally Responsive Curriculum*
- *Enrichment Programming: Music department will expand opportunities to our students with the repair and replacement of instruments. Music enhances students' engagement by enhancing language capabilities, improved memory, strengthened hand eye coordination, improved study habits and strengthening mental processing.*

KTUFSD will ensure the safety and security needs of our buildings will be addressed in the following ways:

- *Minor remodeling to address facilities safety (ventilation, traffic management, and communication systems)*
- *Hydration stations to improve student physical and mental wellness.*

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 02/01/2022

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

KTUFSD will ensure that the following interventions address the following needs:

Academic Impact Due to Lost Instruction time

- Tier 1 instruction training for ELA and Math (Scholastic, El Education, Lexia)
- Academic Intervention Supports: Lexia, Vocab.Com, Saavaas, Curriculum and Associates
- Kurzweil? SPED Assistive Tech
- Student Data Dashboard (DataViz)
- After and Before learning recovery tutoring
- Established curriculum committee teams to prioritize NYSED standards for core instruction

Social, emotional and mental health needs of all students, specifically low income, students of color, ELL, children with disabilities, homelessness, foster care and migratory students.

- Two year counselor on special assignment
- Mental Health Training
- Culturally responsive teaching training and materials
- Safe and Love School Safety training

All subgroups (low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students) are monitored using AimsWeb (K-4), iReady (5-8), Common Formative Assessments (9-12) by response to intervention, special education teachers, ENL teachers, school counselors, and general education teachers.

K-12 Learning Recovery Before & Afterschool Program: Implementation of after/before school instruction for all student subgroups K-12.

Students will be identified based on multiple measures - district benchmark assessments, teacher recommendations and course standards based assessments will be used. Students will have access to before and after school tutoring focusing on academic and social skills needs. Examples of tutoring services include: direct reading instruction, direct math instruction, vocabulary skill building in contingent areas, high school science lab make up sessions.

Learning Recovery Student Services: Implementation of after/before school instruction to students with disabilities utilizing Phonics First Reading and Spelling system, an IMSLEC Accredited MSL program developed by RLAC that utilizes a multisensory, systematic, structured, sequential, phonics-based, direct-instruction approach to teaching beginning, at-risk, struggling, learning disabled, dyslexic and ELL readers.

Emotional Learning Recovery Sensory Before School Program - Implementation of a sensory based self-regulation program explicitly teaching interventions and strategies for self-regulation to students with disabilities to be provided by Occupational Therapists (OTAS)

Professional Development: Trauma informed care and Restorative practices for all teachers who work with our diverse population groups.

Zones of Regulations PD (summer) for elementary staff - training staff in the Zones of Regulations Curriculum, which is designed to foster self-regulation and emotional control for students with disabilities.

Therapeutic Crisis Intervention for Schools PD for elementary and secondary staff - training staff in The Therapeutic Crisis Intervention for Schools (TCIS) training program for child and youth care staff which is a crisis prevention and intervention model designed to teach staff how to help children learn constructive ways to handle crises. This training will focus on: preventing crises from occurring, de-escalating potential crises, effectively managing acute crises, reducing potential and actual injury to children and staff, learning constructive ways to handle stressful situations, and developing a learning circle district-wide.

Universal Screener: A universal K-12 Social Emotional Learning (SEL) screener and intervention program that aligns to the CASEL Framework competencies and subskills. The screener and program would support tiered interventions based on screener data. The continuum of support offered in the program moves through the four overarching actions recommended by CASEL in 2021: foundational support and planning (MTSS tiered interventions and surveys), building adult SEL competencies (professional development library and blog), promoting SEL for students (survey tools and intervention library), and reflecting on data (survey tools and data dashboard).

Safe and Civil Schools Foundations Training for all schools: Foundations is a comprehensive approach to behavior management that guides school staff in designing a proactive and positive school wide discipline plan. Foundations help our educators and support staff expand skills in effective supervision, discipline, positive behavior support, and classroom management, thereby increasing student motivation, attendance, and academic engagement.

At each school that delivers the program, a school leadership team of teachers, administrators, and staff, helps to guide and sustain program delivery.

The Foundations program includes training and consultation to guide school staff through a step-by-step process of designing a schoolwide discipline

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

plan and making decisions based on data. The leadership team attends workshops and receives ongoing technical assistance from a Foundations coach. They learn how to support all of their students and colleagues in creating a safe and civil school incorporating evidence-based practices and the team's vision and beliefs.

Structures (SUMMER): This comprehensive and highly intensive multisensory training course qualifies teachers to bring Orton-Gillingham multisensory instruction to their intervention and remedial classrooms. Structures transforms dyslexic and learning disabled students into skilled learners through its effective, interactive, multisensory approach to reading and spelling.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

ARP-ESSER Return to In-Person Instruction

KENMORE-TONAWANDA UFSD

142601030000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

- In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

Most recent reopening plan

Public Employer Health Emergency Plan

Anyone can request the plan at the school buildings of district offices and a staff member will print it for them. Otherwise it is available to access on the website.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

Page Last Modified: 02/01/2022

2. **An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.**

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.

Every six months or as guidance is updated by the Center for Disease Control or State/County Health Department, the district will review the opening plan and ensure it is aligned with the most recent guidance. A tentative final draft will be posted for a period of time for the community. The community will be notified by the District mass communication system and the information will be posted to the District's website. KTUFSD Website

Every 6 months, the district will invite all stakeholders to submit public comment using a Google Form which will be posted on the district website and sent to all staff members, students and parents/guardians via email. All feedback will be reviewed prior to the completion of revisions to the district's plan. Additionally, the district will continue to engage stakeholders on a regular basis including but not limited to question-and-answer sessions, community forums, Board of Education meetings, social media, Parent Cabinet, and Shared Decision Making Teams.

ARP-ESSER LEA Base 90% Allocation - Use of Funds

KENMORE-TONAWANDA UFSD

142601030000

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

1. Please complete the chart below by identifying the funds being used to support each allowable activity. Please respond with "0" to indicate that no funds are being assigned to a given activity.
PLEASE NOTE - All proposed expenditures must be reflected within the FS-10 budget form AND budget narrative to clearly align with this item.

	FUNDING Amounts (\$)
1 - Any activity authorized by the ESEA, including the Native Hawaiian Education Act and the Alaska Native Educational Equity, Support, and Assistance Act (20 U.S.C. 6301 et seq.).	0
2 - Any activity authorized by the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 et seq.).	120,000
3 - Any activity authorized by the Adult Education and Family Literacy Act (AEFLA) (29 U.S.C. 3271 et seq.).	0
4 - Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins V) (20 U.S.C. 2301 et seq.).	0
5 - Any activity authorized by subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (McKinney-Vento) (42 U.S.C. 11431 et seq.).	0
6 - Coordinating preparedness and response efforts of LEAs with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.	0
7 - Providing principals and other school leaders with the resources necessary to address the needs of their individual schools.	1,681,764
8 - Activities to address the unique needs of low-income children or students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, including how outreach and service delivery will meet the needs of each population.	140,000
9 - Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs.	164,475
10 - Training and professional development for staff of the LEA on sanitation and minimizing the spread of infectious diseases.	0
11 - Purchasing supplies to sanitize and clean the facilities of the LEA, including buildings operated by such LEA.	0
12 - Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the IDEA and ensuring other education services can continue to be provided consistent with all Federal, State, and local requirements.	0
13 - Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the LEA that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.	249,990
14 - Providing mental health services and supports, including through the implementation of evidence based full-service community schools.	1,319,485
15 - Planning and implementing activities related to summer learning and enrichment and supplemental after-school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children and youth in foster care.	1,298,828
16 - Addressing the academic impact of lost instructional time among an LEA's students (including low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster	1,662,630

PLEASE NOTE:

The Office of Facilities Planning, in collaboration with NYSED's Chief Financial Officer and the Office of ESSA-Funded Programs, is developing guidance regarding capital construction projects based on the United States Department of Education (USDE) recently issued FAQs for this federal program. The Use of Funds FAQ (released May 26, 2021) may be of particular interest, since it discusses construction and combination of funds. Links to the federal program website are below:

<https://oese.ed.gov/offices/american-rescue-plan/american-rescue-plan-elementary-and-secondary-school-emergency-relief/>

ESSER.GEER_FAQs_5.26.21_745AM_FINALb0cd6833f6f46e03ba2d97d30aff953260028045f9ef3b18ea602db4b32b1d99

Local Educational Agencies (LEAs) which intend to do federally funded work using ARP-ESSER funds must first file FS-10s and other documents as required by the Office of ESSA-Funded Programs. If a project would normally require a building permit if supported by state/local funds, it must also have a building permit if supported by federal funds (or a combination of funding streams). Facilities Planning forms are under development at this time.

1. What is the amount of funds that the LEA plans to use for construction related projects?

3,986,792

2. In the space provided below, please described the planned construction activities and costs.

The District is planning three separate renovations. The first is the remodel of the district Family and Consumer Science rooms at each of the District's High Schools. If this work can be completed by District employees it will and the purchase of supplies and materials will be made out of the grant. That will include new cabinets and appliances and student work areas. The second renovation will be the auditorium stage lighting at one of the district high schools was outdated and a safety risk. Because the lighting was removed due to safety and due to the cost, there was not a replacement plan. The replacement of the new lighting will be incorporated into the arts subject area for an international baccalaureate diploma program. Finally there will be a replacement of the PA (Public Announcement System) for the buildings in district that have the oldest. There have not been upgrades to the systems for many years. A newer PA system will allow the district flexibility for school or district wide safety notifications. Finally, the district is replacing the water lines in the buildings. Due to the age of the buildings in the district most have lines that end up testing positive for lead in the water. Replacing the piping will allow the district to be able to use every sink and not fear a student or staff member ingesting water that they shouldn't be.

3. Will the planned construction impact and/or effect any district, site, building, structure, or object that is: Included in the National Register of Historic Places; or Eligible under criteria established by the Secretary of Interior for inclusion in the National Register of Historic Places?

No, the planned construction will not impact and/or effect any district, site, building, structure, or object that is: Included in the National Register of Historic Places; or Eligible under criteria established by the Secretary of Interior for inclusion in the National Register of Historic Places.

ARP-ESSER - Construction-Related ASSURANCES**4. The LEA assures it will have or obtain a full title or other interest in the site, including right of access, that is sufficient to insure the grantee's undisturbed use and possession of the facilities for 50 years or the useful life of the facilities, whichever is longer. § 75.603 (Authority: 20 U.S.C. 1221e-3 and 3474)**

YES, the LEA provides the above assurance.

5. The LEA assures it will ensure that sufficient funds are available to meet any non-Federal share of the cost of constructing the facility. § 75.604

YES, the LEA provides the above assurance.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs

Page Last Modified: 02/02/2022

6. **The LEA assures work will begin on construction within a reasonable time after the grant for the construction is made. § 75.605 (Authority: 20 U.S.C. 1221e-3 and 3474)**
 YES, the LEA provides the above assurance.
7. **The LEA assures the construction will be completed within a reasonable time and the LEA shall complete the construction in accordance with the application and approved drawings and specifications. § 75.606**
 YES, the LEA provides the above assurance.
8. **The LEA assures that the construction is functional; economical; and not elaborate in design or extravagant in the use of materials, compared with facilities of a similar type constructed in the State or other applicable geographic area. § 75.607. Further, the LEA assures that it shall, in developing plans for the facilities, consider excellence of architecture and design and inclusion of works of art. The grantee may not spend more than one percent of the cost of the project on inclusion of works of art. § 75.607 Authority: 20 U.S.C. 1221e-3 and 3474)**
 YES, the LEA provides the above assurance.
9. **In planning for and designing facilities, the LEA assures it shall observe the standards under the Occupational Safety and Health Act of 1970 (Pub. L. 91-576) (See 36 CFR part 1910); and State and local codes, to the extent that they are more stringent. § 75.609 Further, the LEA assures it will submit an application for a Building Permit to NYSED Office of Facilities Planning for review and approval prior to construction.**
 YES, the LEA provides the above assurance.
10. **The LEA assures that it shall comply with the Federal regulations on access by the handicapped that apply to construction and alteration of facilities. These regulations are:**
• **For residential facilities - 24 CFR part 40; and**
• **For non-residential facilities - 41 CFR subpart 101-19.6. § 75.610**
 YES, the LEA provides the above assurance.
11. **The LEA assures that, in planning the construction, the LEA shall, in accordance with the provisions of Executive Order 11988 of February 10, 1978 (43 FR 6030) and rules and regulations that may be issued by the Secretary to carry out those provisions: Evaluate flood hazards in connection with the construction; and as far as practicable, avoid uneconomic, hazardous, or unnecessary use of flood plains in connection with the construction. § 75.611**
 YES, the LEA provides the above assurance.
12. **The LEA assures that it shall maintain competent architectural engineering supervision and inspection at the construction site to insure that the work conforms to the approved drawings and specifications. § 75.612**
 YES, the LEA provides the above assurance.
13. **The LEA assures that it will comply with the regulations on relocation assistance and real property acquisition in 34 CFR part 15. § 75.613**
 YES, the LEA provides the above assurance.
14. **The LEA assures that, when construction is completed, sufficient funds will be available for effective operation and maintenance of the facilities. § 75.614**
 YES, the LEA provides the above assurance.
15. **The LEA assures that it shall operate and maintain the facilities in accordance with applicable Federal, State, and local requirements. § 75.615**
 YES, the LEA provides the above assurance.

16. The LEA assures that, to the extent feasible, it shall design and construct facilities to maximize the efficient use of energy. § 75.616 Further, the LEA shall comply with ASHRAE standards in designing and constructing facilities built with project funds. § 75.616 The following standards of the American Society of Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE) are incorporated by reference in this section:

- ASHRAE-90 A-1980 (Sections 1-9).
- ASHRAE-90 B-1975 (Sections 10-11).
- ASHRAE-90 C-1977 (Section 12)

Incorporation by reference of these provisions has been approved by the Director of the Office of the Federal Register pursuant to the Director's authority under 5 U.S.C. 552 (a) and 1 CFR part 51. The incorporated document is on file at the Department of Education, Grants and Contracts Service, rm. 3636 ROB-3, 400 Maryland Avenue, SW., Washington, DC 20202-4700 or at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to:

http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html. These standards may be obtained from the publication sales department at the American Society of Heating, Refrigerating, and Air Conditioning Engineers, Inc., 1791 Tullie Circle, NE., Atlanta, Georgia 30329. § 75.616

YES, the LEA provides the above assurance.

LEA ARP-ESSER Plan - ARP-ESSER Allocation - Budget

Page Last Modified: 02/23/2022

ARP-ESSER LEA Base 90% Allocation - Budget

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

- Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.**
