

# MATHEMATICS GRADING POLICY

## MR. DLUGOSZ-- MATH

- **Final Grade**

Determined by averaging the four 10-week grades.

- **Ten-week Grade**

Determined by using the following process:

**1. Major Test**                      **40% of grade**

\* Two major tests per 10-wk block

**2. Quiz**                                **30% of grade**

\* Numerous mini quizzes

**3. Assignments**                      **15% of grade**

- \* Homework Assessments
- \* Portfolio/Toolkits
- \* Review Sheets

**4. Responsibility**                      **15% of grade**

- \* Daily Homework—graded based on amount completed
  - 2 pts = all problems attempted and work is neatly shown... **NOT just answers!**
  - 1 pt = most work is neatly shown... half is completed.
  - 0 pts = not attempted or very poorly tried.
- \* Participation—Do something in class!!
  1. attending class
  2. being prepared with all class materials
  3. participation in class discussions
