December 23, 2020

Dear Parents/Guardians,

With winter recess upon us, I'd like to take this opportunity to wish our Ken-Ton School District families the very best this holiday season. I hope you and your children enjoy a wonderful and restful break. You've earned it!

As I reflect back on the last six months, I am so grateful for your partnership and support. This has been an extremely challenging year for all of us, but I know this burden has fallen especially hard on our families. You have done an amazing job guiding and supporting your children through their learning at home. Thank you for all you have done to help them continue to grow and learn.

Over the past couple of weeks, we have been overjoyed to welcome so many of our students back to the classroom and we are looking forward to the return of middle/high school students on January 4. This is just the beginning. I am grateful that you have entrusted us with your most precious possessions. We take this responsibility extremely seriously and will always do whatever it takes to keep everyone healthy and safe.

There is so much to be excited about in the new year. We are hopeful that we will soon see the end of the pandemic and life can finally begin to return to normal. I can't wait to see the day our students are back in the classroom five days a week, without any fear of the virus. In the meantime, we will continue to work together as a community toward this goal.

On behalf of the entire Ken-Ton School District staff, please accept our best wishes this holiday season. 2021 - here we come!

Sincerely,

Sabatino Cimato
Superintendent of Schools

The Ken-Ton school community will provide our students with the supports, tools and diverse opportunities needed to meet the challenges of an ever changing world.
