

THE KEN-TON SCHOOL DISTRICT
PRESENTS

Virtual Parent Information Nights

By

Kid's Escaping Drugs

TUESDAY NOVEMBER 17TH &
THURSDAY NOVEMBER 19TH AT 7PM

(A ZOOM MEETING LINK WILL BE SHARED ON THE DISTRICT WEBSITE CLOSER TO THE DATES OF THE PROGRAM)

The goals of the program include:

- Educating families and community members of the prevalence and harmful effects of alcohol and drug experimentation, use, and dependence among adolescents.
- Providing resources for substance abuse prevention, treatment, and recovery.
- Encouraging healthy choices among youth regarding the consequences of experimentation and addiction.
- Enhancing community work organizations' Employee Assistance Programs and providing companies an opportunity to encourage work-life balance among their employees.
