

August 2024

To the Parent/Guardian of

Dear Franklin Elementary Families,

Welcome to the 2024-2025 school year! It is with much sincerity that I wish to welcome you and let you know how much we look forward to working with your child this year. The staff and I are looking forward to a great year filled with opportunities to grow academically, socially and emotionally.

At Franklin, we take pride in being a school family that values the uniqueness of each individual student. Please be certain that your student will be nurtured and loved as they are being encouraged to grow. My personal philosophy is that students must feel cared for in order to learn at high levels, which is what you will see in our school. Teachers have spent countless hours this summer obtaining professional development as it relates to technology, literacy and numeracy which will translate to better academic preparedness for your student. This is an exciting time, and we look forward to partnering with you as we know that parent support is critically important.

SAVE THE DATE!!

Supply drop off and meet the teacher ♦ August 29, 2:00-3:00pm

Open House (*parents only*) ♦ August 29, 5:30-6:30pm

Sincerest regards,

Kia Evans

Mrs. Kia Evans, Principal
