Our school is not only a place of learning, but it is also the birthplace of warm friendship and a stepping stone to bright futures.

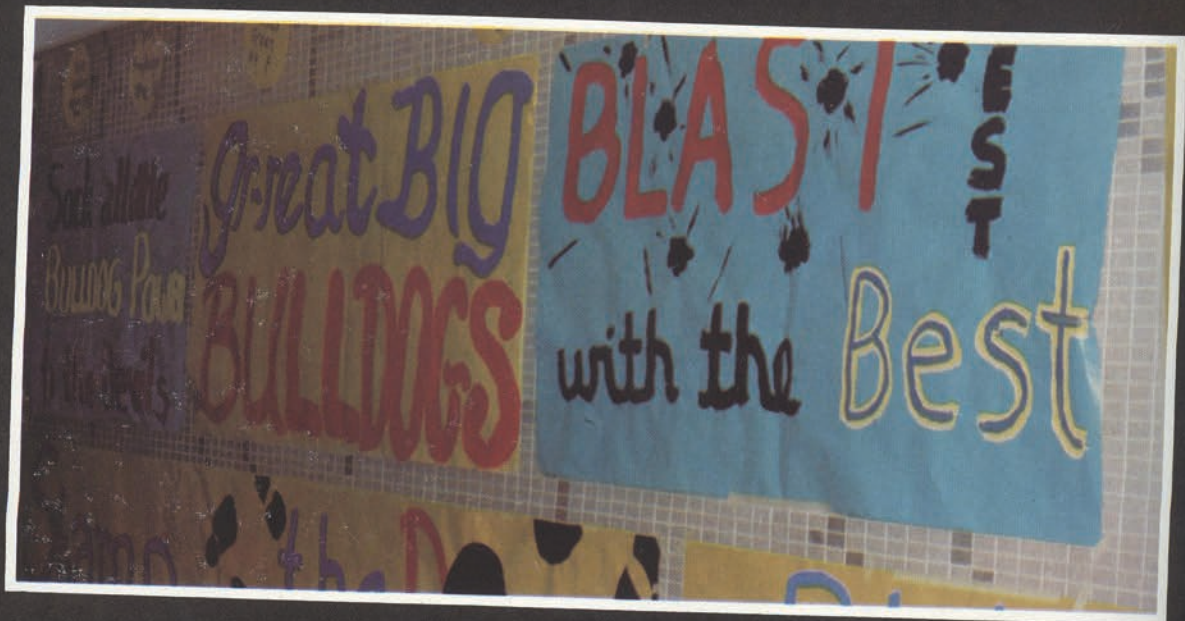

Through our education and experiences here, we can make clearer the path to our goals and ambitions.

# SCHOOL LIFE

# Classroom Learning Liberates The Mind

The essential purpose of school is to prepare a student for what lies ahead. The teachers at Kenmore East have worked hard to make learning a more enjoyable experience. By accomplishing this, they have made the classroom a stepping-stone to the future.

Students aren't limited to the basic academic subjects.

Nearby, there's always a classmate willing to help.

What is learned today will hold importance in tomorrow's endeavors.

You're sure you want to major in chemistry?

With the proper materials any student's interests can be developed.

Everyone benefits in the exchange of thoughts and opinions.

## Extra-Curricular Activities Complement The Individual

The old concept of school as a rigid institution holding its students captive is far from accurate. Besides activities that take place within the school itself, there are also certain functions outside the classroom which reflect the varied interests and abilities of the individuals.

Julie, Kathy and Linda undertake yearbook editor duties early in September.

Tom Herb waits to get back into the game.

Coach Marafino puts a good player up to bat.

## Even Leisure Time Has A Place

Students at Kenmore East have found many ways of passing the time. Seeing friends, exchanging gossip, and dozing are typical. For many, the few brief moments between classes are the highlights of the day. Socializing begins in earnest after school with students gathering in the foyers, on the porch, and throughout the halls. The rules and restrictions of school are gone and students are free to do as they please.

Gerri and Lori share their song with passers-by.

## East Burns West 49-6

1974 saw the Bulldogs burn the West Blue Devils for the fifth consecutive year. Blue-Gold weekend began with a rousing pep rally Friday after school, followed by a scoreless tie in the East-West soccer game. Later that night numerous students attended a series of skits and an impressive bonfire that illuminated the entire area. The evening was concluded with a dance at which entertainment was provided by "Free Spirit". Activities began early Saturday morning with float competition. The students spirits shone high as our team was urged on to a 49-6 victory. The weekend was topped off with a sell out dance featuring the "Road".

# Summer and Smoke

On November 7, 8, and 9, Tennessee Williams' **Summer and Smoke** came to life in the Kenmore East auditorium. Miss Alma, brilliantly portrayed by Geralyn Schiffler, is the sensitive daughter of Rev. and Mrs. Winemiller (Larry Chambers and Marla Simmons). She falls deeply in love with a reckless young doctor, John Buchanan (William Martin) whose life style is in direct opposition with hers. This conflict between body and soul is further developed and resolved with the help of several supporting characters played by Michelle McClure, Michael Richards, Michael Maher, Susan Grajek, Rhonda Barkow, and William Lennon. The drama was staged in a way never before attempted, with a part of the audience seated on the stage itself providing a feeling of intimacy. The set was imaginatively designed by Kathy Kovach. Assisted by student director Susan Grajek, Arthur T. Cranston directed the most professional production East has seen.

Dr. Buchanan (Mike Richards) ponders over Alma's emotional problems.

John tries to calm Alma after having playfully exploded a firecracker behind her.

Marla Simmons portrays Alma's mentally disturbed mother.

## Senior Show

This year's show was presented to a fantastic turn-out on November 27. "That's Entertainment" contained a variety of acts and skits, including the third version of the Class of 75's "Timex". "I Hate Peas" and "To Tell the Truth," starring Dave Skibinski, added plenty of humor to the show. Robin Greene singing and the "Bozos" playing their kazoos rounded out the evening's performance. The cast had as much fun earning funds for their prom as the audience enjoyed their entertainment.

Mary Ellen and Nancy sing about their friends and playmates.

Mary Kay, Sue and Paula reveal their skills in Kung Fu.

# "Mame"

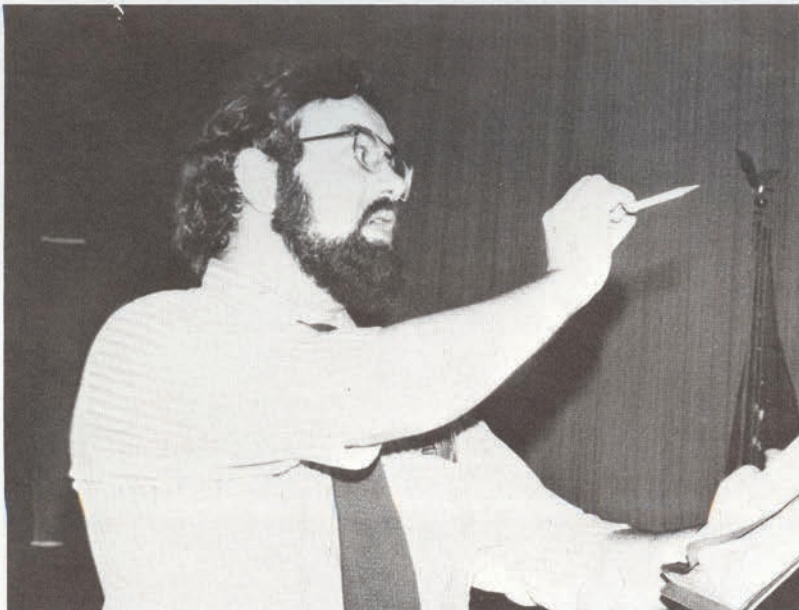

**Mame** — A lighthearted, fastmoving musical, was truly a sensation at Kenmore East. Sell-out performances on March 13, 14 and 15 confirmed it's success. The comical story of a wild, yet lovable, woman with a passion for life captures the age of the 1920's glamour! Susan Grajek, as Mame Dennis, takes her nephew Patrick, played by James Brockman, along with his nanny, Agnes Gooch, portrayed by Michelle McClure, under her wing. Mame is determined to bring Patrick up properly, however; she faces much protest of her method. The story takes Patrick to adulthood, played by Doug Cookfair, and Mame to poverty with friend, Mary Nagle as Vera.

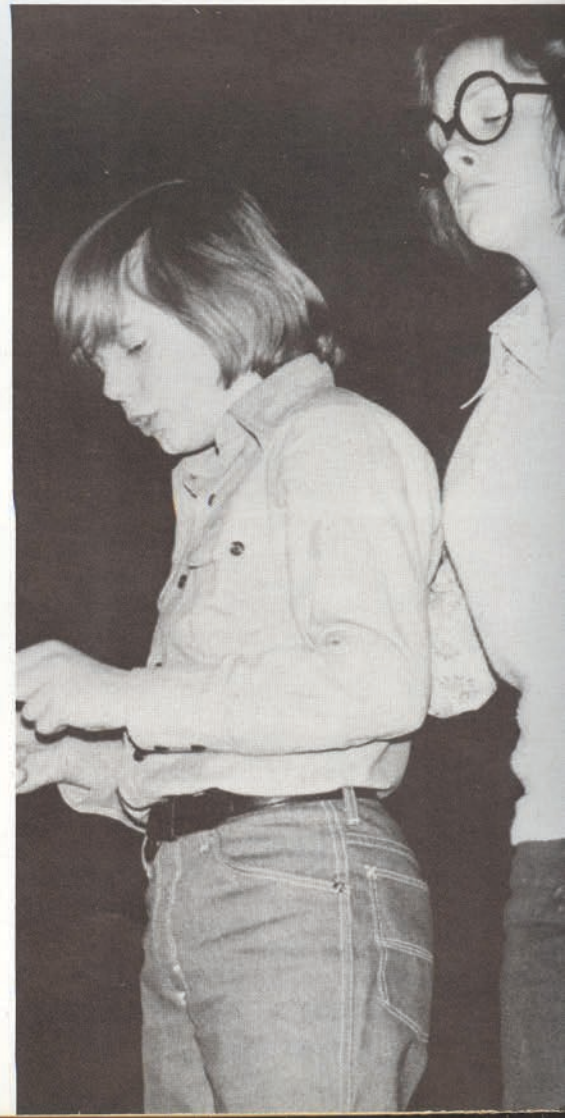

Dancers rehearse the tango scene.

Sue Grajek, starring as Mame, sings "It's Today."

Director, Mr. Arthur Cranston, makes a suggestion.

Jim and Michelle go over their "St. Bridgette" number.

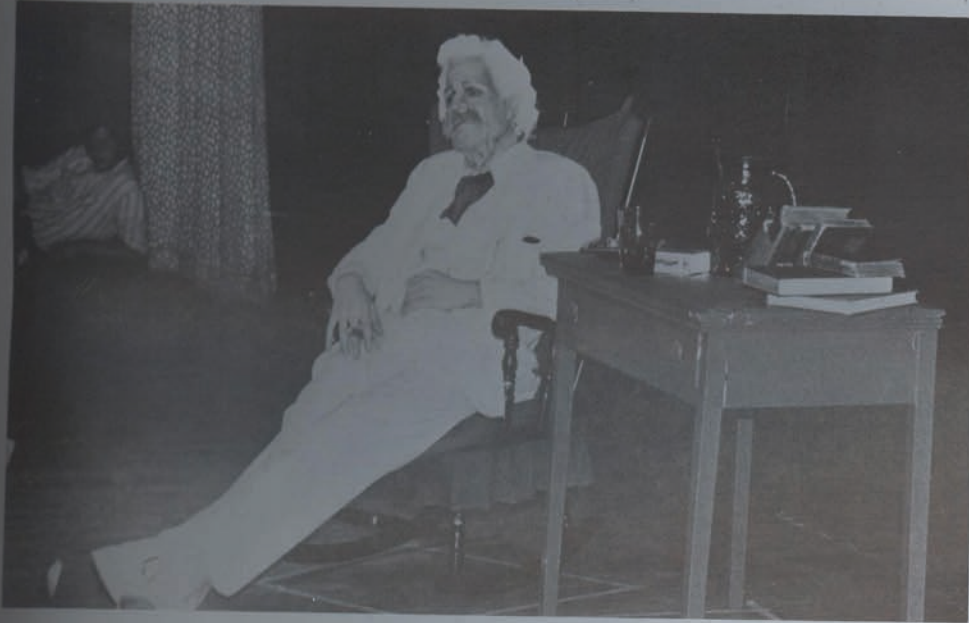

# A Year of Variety in Assemblies

Assemblies are a major part of in-school entertainment at Kenmore East. This past year the student body was presented with a wide variety of assemblies, ranging from the life of Mark Twain to a demonstration on the training of dogs to a slide presentation by a former Kenmore High School graduate, now an astronaut. Two programs, one about the 1930 era with its styles and lingo, the other a history of folk music, appealed to most of the student body. Several sports letter night assemblies complemented the year's programs.

Edward Gibson speaks of his space journey to the moon.

A young actor portrays Mark Twain in an excellent light comedy skit.

Police dogs that will attack on command!

Hard work throughout the season received recognition at the fall sports night program.

# Dances For Fun and Fund Raising

There have been numerous dances at school this year. The "Get Acquainted" dance sparked enthusiasm to begin the new school year. Another highlighted dance was the Victory Dance featuring "The Road" on Blue-Gold Weekend. Other dances with top name bands like "Weekend" appeared. A combination of music, refreshments and friends made those evenings enjoyable.

Everybody does his own thing

"... You do the hokey-pokey and you shake your head about ..."

Mr. and Mrs. Coates enjoy chaperoning the senior prom

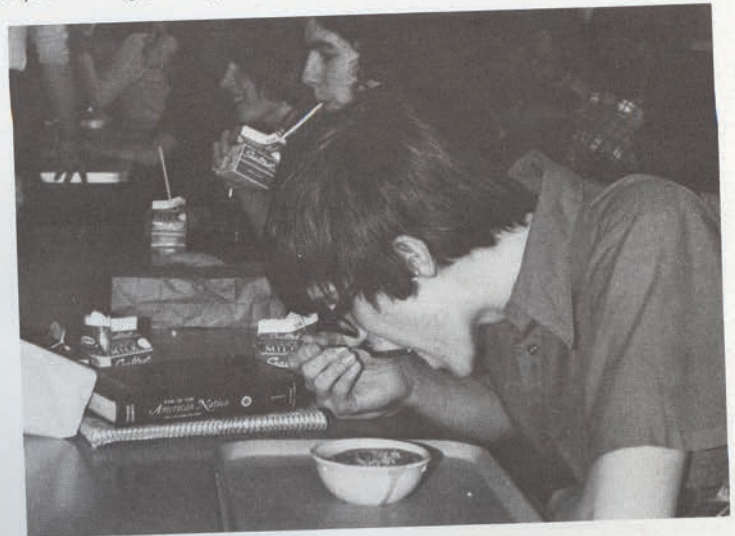

# Lunch Brings a Welcome Break

Lunch is a period students always enjoy. It gives them a chance to get away from their normal routine to relax and best of all to eat. Of course '75 has brought inflation which has even struck our food prices at Kenmore East. This hasn't interfered with the students though. Our cafeteria is always packed with hungry students, laughing, talking and eating their lunches.

If you're hungry enough, it tastes good.

# Student Forum

## Voice of The Students

Officers: T. Cliff, **Tres.**; N. Curran, **Sec.**; M. E. D'Erasmio, **V. Pres.**; P. Winzig

Student Forum has many useful purposes in the school, the most general of these being to provide an institutional voice for the student body before the faculty and administration so that all three institutions can work together in providing the best possible learning atmosphere for the school. It is a distinctive force in school life and is the only organization in school that gives the students an opportunity to participate in school decisions.

Student Forum, being the highest organization in the school, is an effective body that has promoted, organized, and sponsored many activities such as class officers elections, Blue-Gold Weekend, United Fund and Goodwill drives, Sophomore Orientation, the All-School Play, The Spring Musical, assemblies, student exchange, dances, and movie nights.

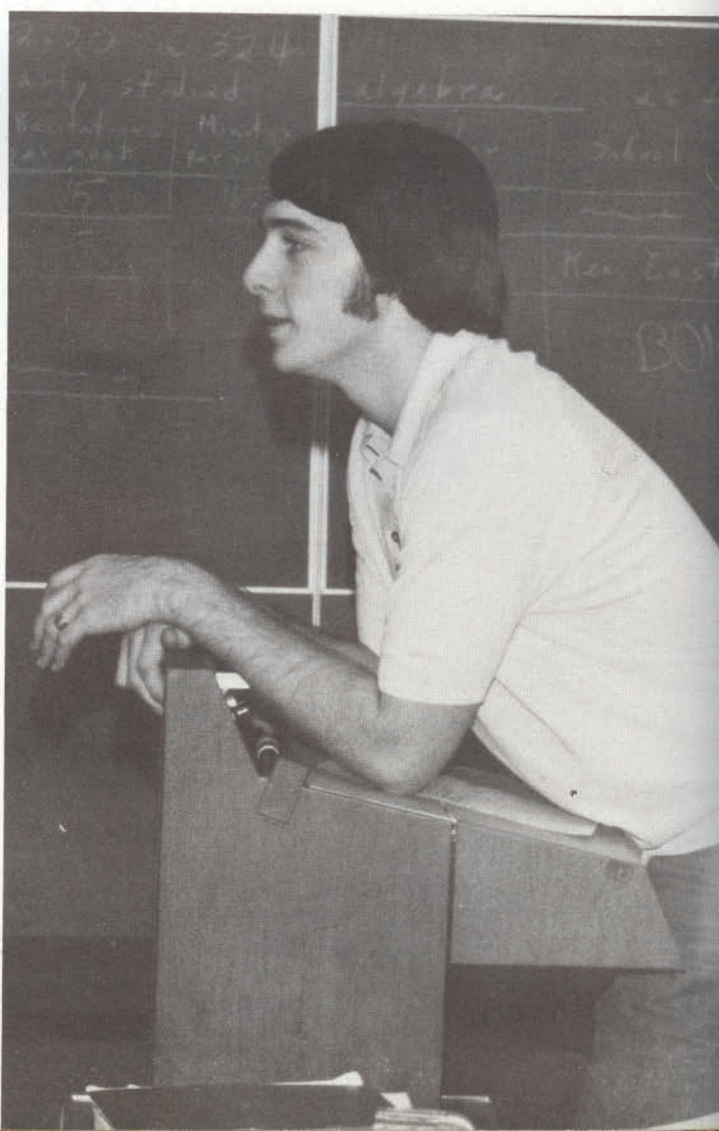

Although not all desired goals are achieved, learning to cope with defeat can be even more beneficial.

Student Forum gives the students the opportunity to voice an opinion and the chance to express themselves as individuals.

# Booster Club Promotes School Spirit

Twin scoreboards for the gym, placards of N.F.L. teams, and individual team plaques were some of Booster Club's accomplishments this year. Starting the year with a larger box office helped in the shirt, jacket and ticket selling. A larger pop machine and a new hot cocoa machine, helped extend business at Parker Field. The usual year of setting up indoor, outdoor showcases, selling programs and refreshments at sports events, sponsoring dances featuring Road and Weekend, and sports nights kept the club busy. Special thanks to faculty advisors Mr. King and Mr. Coates for all their help.

# Cheerleader's Style Keeps On Changing

The 1974-75 Cheerleading Squad led by Captain Nancy Turner and Co-Captain Gerri Moody and Tracy Stickels had a very busy and fulfilling year. The style of cheering at East has changed radically during the past few years, and this year was no exception. In addition to new cheers and chants, the girls included many new and difficult mounts which proved their skill.

The season started early with many profitable car washes, bake sales, and candy sales. The money helped send seven girls to "The United States Cheerleading Association" camp in Silver Bay, Lake George, where they won three ribbons in competition.

Later, a clinic was held at Niagara University where the girls received a top score of 219 out of a possible 220 points.

In January the "Annual Alumni Dinner" was held welcoming back cheerleaders from years past. In February, before a basketball game, a reception was held for the girl's parents. The year ended with a banquet at Kosteks and it was back to tryouts once more!

# Diggers Dance On

Beth Hulbert.

This year the Blue Gold Diggers have been very busy learning new dances and acquiring new steps. During the football season their captain and co-captain, Kim Blount and Tammy Tanley, created all the dances. The girls had a new style during the football season thanks to the help of Mr. Mosher.

During the basketball season some of their favorite dances were "Jungle Boogie," "T.S.O.P." and "Round-a-about." Barb Denny was their choreographer for all these dances.

They participated in a number of events, some of which were: a cottage at Bay Beach, breakfast during Blue-Gold Weekend, a reunion type get together with former B.G.D.'s. They also had a Christmas party, and a banquet with their parents at the end of the year.

Miss Judith Hartmann and Miss Barbara Vacanti were the advisors. Maureen Toohey was the manager.

**First Row:** K. White, E. Ryan, J. Scalisi, M. Tritto, L. Racz, B. Dobmeier, K. Blount, **captain**, T. Tanley, **co-captain**, K. Godfrey. **Second Row:** P. Shoemaker, N. Heaney, S. Boeing, K. # The Majorettes Start Practicing Early

The Majorettes began their season in the summer with a "get acquainted" party. Practices commenced in July. The twirlers were drilled in marching and routines to be performed at football and basketball games. They had short meetings and practices each Tuesday night, and also after school before performing at all the games. On Letter Night, the twirlers received letters and pins according to the number of years' service they had given.

It was not all work and no fun, however. The Majorettes had several social functions during the year, including a Christmas and Halloween party.

The Eastettes wait anxiously for halftime to start.

Besides rehearsing three days a week for about one and a quarter hours, the band travels to various schools around the area performing concerts for elementary and junior high school students. Football Season is devoted to marching, which takes a different style of playing. This year the band had many early morning practices and proved to be one of the finest bands in the state.

They combined with another high school orchestra and put on a concert after an over-night stay.

They perform at holiday programs and for the Arts Festival as well as at assembly programs in other schools in the district. This year for the first time they joined with the Girls' Chorus of Kenmore West to perform a major work, Benjamin Britten's, *A Ceremony of Carols*.

The Honor Choir performs approximately twenty concerts a year for schools and organizations ranging from Kenmore East to Alfred University. In this way the Honor Choir brings music, with its expressions of hope, love, despair and joy, to a great many people on the Niagara Frontier.

# It's Academic Loses in Close Competition

Kenmore East's "It's Academic" club practiced with Mr. Baarslag each and every week, preparing for the big night at WBEN, Channel 4. There they compete with teams from other schools in a quick-reaction, sudden death contest of knowledge. The team this year consisted of Terry Cliff, Linda Deck, and Mike Cheung. After a strong opening attack, they fell behind and their comeback bid failed. They lost to Niagara Wheatfield and Attica.

**First Row:** R. Bizem, B. Bennett. **Second Row:** R. Rogers, H. Cheung, T. Cliff, L. Deck, G. Feld. **Third Row:** G. Knapp, B. Taylor, C. Walsh, P. Pylipow, S. Sherman.

## Niagara Frontier League Sportsmanship Council

The purpose of the Sportsmanship Council is to promote good sportsmanship, better understanding, and cooperation among schools included in the Niagara Frontier League.

This year the council sponsored a One-on-One Basketball Tournament. Each school selected a representative to play during half time of each junior varsity basketball game.

In May of 1974, state-wide competition was held to place top musicians into several groups that would represent the best of the state. Last December, the All-State conference was held in the Concord Hotel at Kiamesha Lake, New York. Five people from Kenmore East were selected to participate. With rehearsals up to 11 hours a day with well-known conductors, and being able to take advantage of the many activities at the hotel, the weekend proved a very enjoyable and rewarding experience.

# Chess Club Revives Interest

Chess Club has been very busy this year. They have a new advisor, Mr. Reilly, who is a teacher at Lindburgh Elementary School. He, along with the President, Joel Miceli, have been busy planning chess matches for the club between other schools. The matches started in early February.

## Varsity Club Does More Than Earn Letters

This year's Varsity Club proved to be an active one. It sponsored such functions as a wheelchair football game, with the proceeds going to the fight against Multiple Sclerosis. Also sponsored was a basketball game, featuring members of the faculty against the Varsity Club, and a donkey basketball game, in which members of opposing teams rode on donkeys. This year's officers would like to thank the advisors, Mr. Richard Adams, and Mr. Dennis Cianfrini, and the Varsity Club membership, for making this year a success.

## Weightlifting Provides Planned Program

The 1974 Physical Conditioning and Weight Training clubs consist of boys not involved with in-season athletics. These members use our facilities to maintain body tone through the use of planned exercises—running, weight training and team games. The interest has doubled in the last two years as a result of these types of clubs.

## Stage Craft Club Makes the Scene

Stage Craft Club is an organization that doesn't meet all year round, but when it does, it becomes very demanding. Stage Craft Club members mainly construct scenery for the All School Play and the Musical.

This year for the All School Play "Summer and Smoke" they built many things. The most important was the 8' x 18' "mini stage." Also, to add to the difficulty of constructing the sets, the actual scene changes had to be quick and smooth because it was the first time the audience was ever seated on stage for the play.

The Musical "Mame" proved to be the "biggest" challenge yet, but a most enjoyable one.

Stage Craft Club is growing in numbers each year. You are able to learn about many aspects of the theater, have a lot of fun making the scenery, and most important, it's a great opportunity to make friends.

## Idiam: "Wizards of Id"

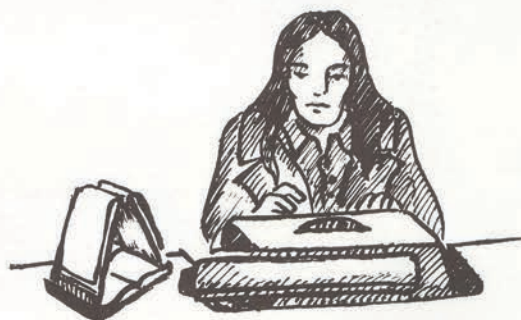

The "Wizards of Id" are the twenty-plus students who staff Ken East's literary magazine, **Idiam**. The group meets weekly to evaluate student and faculty submissions of prose, poetry, and art. After the February deadline, final choices are made, pages are typed and laid out and the magazine is magically offset printed sometime in May. Advisors to the revels are Mr. Robert MacVittie and Mrs. Jayne Mack. The emphasis for 1975 has been on opening **Idiam** activities to more students — providing they're all slightly crazy!

# Eastonian: A Way of Communication

Eastonian, Kenmore East's student newspaper, is a necessary function in such a large school. Those who work on the paper feel that communication between students, teachers, and administrators is vital in creating an atmosphere conducive to learning.

It not only is a source of information about current happenings inside the four walls, but very often provides a "sounding board" for student opinions concerning some topics totally uninvolved with Kenmore East, because the population of East is made up of many different kinds of people — those who spend more time on scholastic activities, and those who spend more time on outside achievements. The Eastonian strives to maintain itself as a publication for everyone.

# Spectrum Incorporates Many New Ideas

After gathering together several veteran editors from last year and recruiting many new ones, the long and painstaking job of creating the yearbook began. This year innovations included descriptive headlines, black backgrounds, and a student index. A highlight of the year was a tour of the Keller Publishing Company which included a luncheon hosted by Mr. Tony Mauro, Keller representative for Kenmore East. A long and hard year was culminated in the annual Yearbook Banquet. Of course, none of this would of been possible without our diligent staff, Editor-in-Chief, Lori Stiles, and advisor, Mr. Kane.

## Floribeth Viquez: Costa Rica

I will always remember my family with whom I spent the best of my stay here sharing a new life, learning new customs, a new language and a loving relationship. I will never forget all the nice people I met at school. I have made many friends which include my teachers. Now that my return is promptly coming and I must leave your town, I will not be able to thank you enough for making me happy. This year was the most wonderful and unforgettable year of my life. I shall always keep you and Kenmore East in my thoughts and in my heart.

Love Always,  
Floribeth Viquez

## Leslie Kendall: Sweden

Leslie E. Kendall has been East's international exchange student with the A.F.S. winter program. Her senior year was spent in Vasteras, Sweden living with the Matsson family and their daughter, Eva. Highlights of her year have been learning a new language, meeting the King, attending the Nobel Prize Ceremony in Stockholm and learning how to cross country ski.

### Lynn Czerwinski:

### California

Last year, during the spring semester of my junior year, I was an A.F.S. Domestic Exchange Student in Sacramento, California. During my five month stay I saw many places and met very interesting people. I learned more about myself but mostly I learned that wherever you go people are people no matter what color, race or religion.

An A.F.S. exchange is something that I would wish on any student. My thanks to my family here, in Sacramento and to all those who helped to make my experience a rewarding one.

## Rich Doran:

## Paraguay

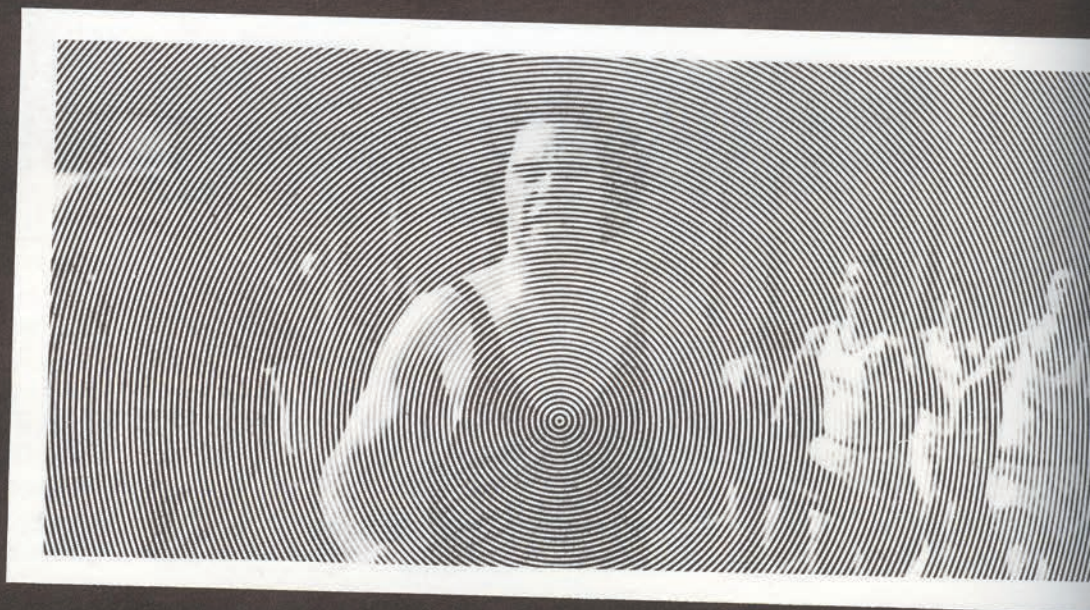

I stayed in Encarnacion, Paraguay from the end of June to the end of August. I lived with the Dr. Gaspar Agüero family. Both my parents were doctors but yet we were only middle class at best. My family contained 10 people including myself.

My family there was fantastic and I became very close to one brother in particular.

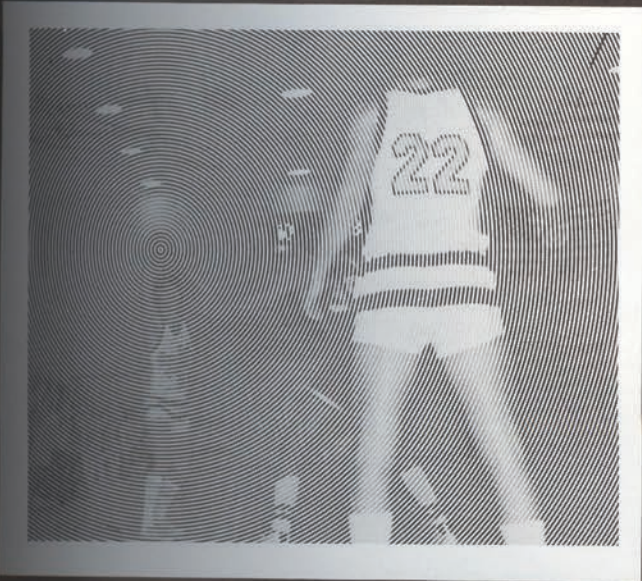

We had school in the morning from 7:00 a.m. to 11:20 a.m. and then went home for lunch, their big meal of the day. The rest of the day was free. There wasn't a lot to do by American standards, but on the other hand, life was far more relaxed and easy going than it is here. Time was not nearly as important a factor as it is here: The pace was slower and everything was more peaceful there.

Rich Doran spent his summer in Paraguay.

# K. E. Establishes Football Supremacy

The 1974 Bulldogs proved to be a dedicated, hard working and extremely successful football team. Co-captains Pat O'Brien and Sandy Stuchell epitomized this team by conducting themselves in typical Bulldog style. Together the team established their supremacy in Western New York football circles.

A hard hitting defensive line, aggressive line-backing and an alert secondary was coupled with a trigger-fast offensive line that sprang loose hard running backs and established territory for a fine passing attack.

There were many great moments of elation this past fall. A featured highlight was the 5th consecutive victory over the Blue Devils thus maintaining our reign as "Kings of Kenmore." The focal point of the late season was the inspirational crushing of previously unbeaten Sweet Home. This continued our 4 year mastery over them as well as taking over top spot in New York State ratings. The final highlight to this season was winning the league championship for the 5th consecutive year.

# Soccer Wins NFL 4th Year in a Row

The Bulldogs enjoyed another highly successful and rewarding season. They added their fourth consecutive Niagara Frontier League Championship to their already impressive record. Ken East has now extended its undefeated league play to 49 games, dating back to five seasons ago.

Along the way, this team established a one season scoring record of 47 goals while giving up just 6 goals, another school record. It also registered 7 shutouts in 12 league games.

Ten of our players earned N.F.L. All-Star honors, led by the league's two top scorers Co-captain Pat McAvinn and David Moran. Our defensive first team standouts were halfbacks James Ruggiero and Mark Gentile, fullback Gerry Peehler, and goalie Bruce Barrett.

The Bulldogs under the fine leadership of Co-captains Mark Klose and Rick Kraus completed the season with a 10-3 record which included a sectional championship. This marked the second consecutive year and third in four years that the Bulldogs captured a sectional crown. Also the Bulldogs remained "Kings of Kenmore" by beating arch-rival Kenmore West three consecutive times.

Besides the fine efforts of Mark Klose and Rick Kraus, the likes of Bill Bundschuh, Steve Calak, Paul Marzec, Mike Schneider, Andy Stasiuk, and Rodney Stevens also paced the Bulldogs.

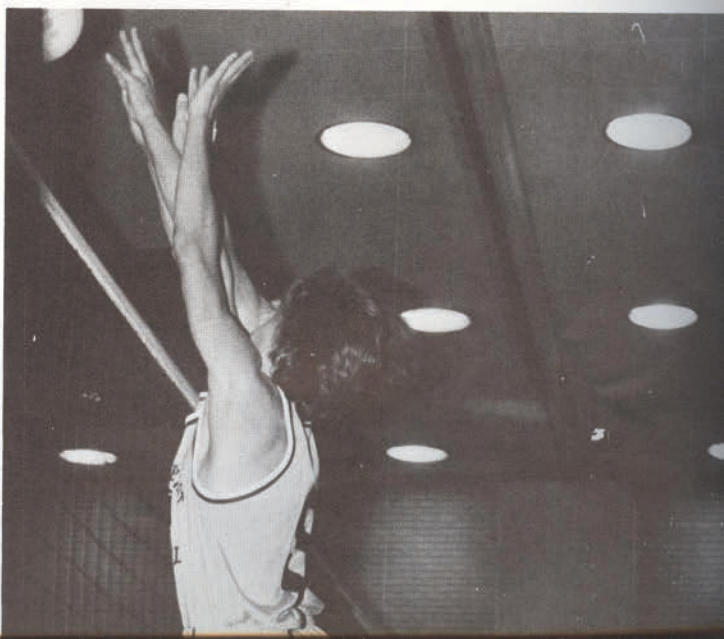

This year's squad, besides exemplifying some fine volleyball talent, was recognized around Western New York as a team of fine character.

The team was led by Junior Mark Mogavero who finished 3rd in the N.F.L. meet. Led by tri-captains Phil DePuy, Frank Fina and Ed Kirbis, the Bulldogs finished third in the N.F.L. meet. The season reached a satisfying climax when the Bulldogs finished third in the Section VI championships.

With the return of such fine Juniors as Mark Mogavero, Pat Mahoney, Jeff Gardner, Tim Hippert and Dan Bouchane, the outlook is fine for next year's Bulldogs.

### Fall Season

Playing for the first time in the Fall the Ken East golfers had their best season in years. A different pace was set, instead of playing in the spring blowing rains, they played in the fall wet snow. Losing their first two matches, they came back with the longest winning streak for the year. The six and two record included upsets over previously undefeated Ken West and Niagara Falls, last years N.F.L. Champs.

# Swim Team Has Successful Season

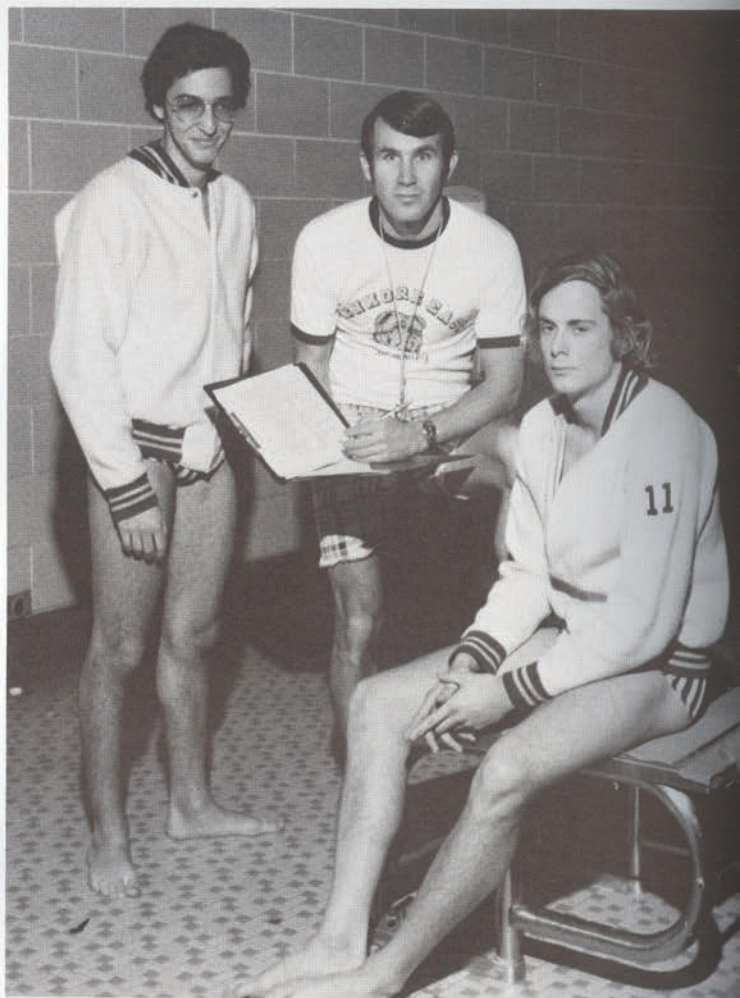

The inexperienced Kenmore East mermen had a very successful season this year, in a league that traditionally boasts the top swimmers in the state. Led by Co-captains Scott Kiener and Charlie Niles, the "Sea-Dogs" finished in fourth place in the Niagara Frontier League, with a 9-7 record.

East was extremely strong in the freestyle events this year. At the Niagara Frontier League Meet, the quartet of Scott Kiener, Charlie Niles, Roy Hryckowian, and Sophomore Roger Levine finished first, establishing meet and school records in the 400 yard freestyle relay.

Outstanding individual performances by Scott Kiener in the freestyle events and Charlie Niles in the individual medley qualified them for the finals of the Section VI meet, along with our freestyle relay team. Seniors Jerry Knight, Tom Burns, and Mike Fedak also deserve recognition for their contributions to the team.

# Basketball Makes Sectionals

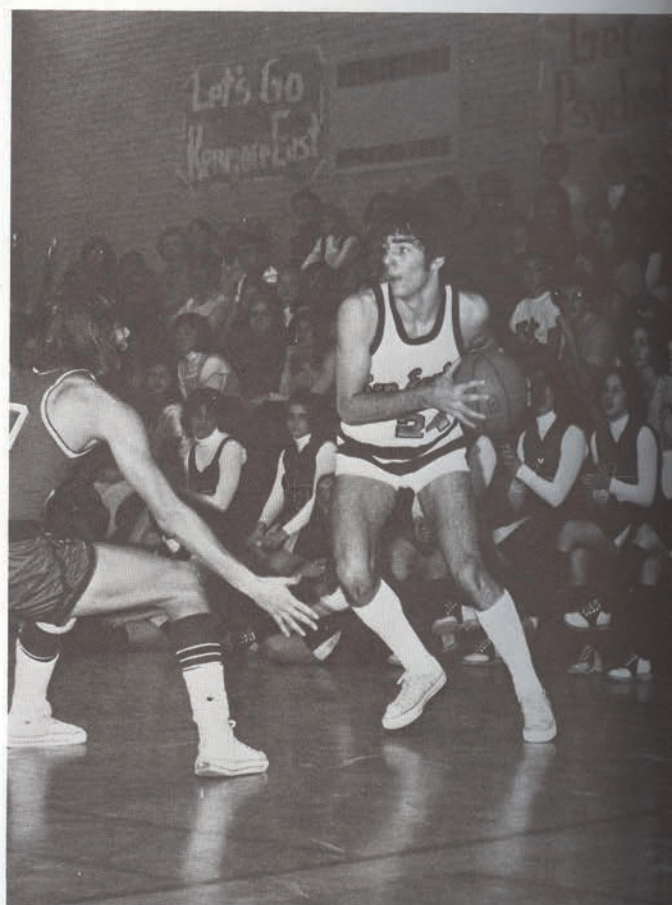

The 1974-75 Varsity Basketball season proved to be another successful one as the Bulldogs rolled into the Sectionals, again, with a record of 13 wins and 5 losses.

Highlights of the season included a spine-tingling 64-60 overtime win over arch-rival Kenmore West and a terrific come-from-behind 75-70 victory over Niagara Falls on the last day of the season to qualify for the Sectionals.

In the Sectionals the Bulldogs defeated West Seneca West 71-65 in a cliff-hanger before succumbing to Lockport 76-53.

Outstanding senior contributors to the Bulldogs were: 1st Team All-NFL Pat O'Brien, 3rd team All-NFL player Rick Adams, and Chris Wentlent. High-leaping Howie Pegg and junior Steve Calak were other vital members of the starting five. Super-subbs Mark Klose, Dave "Wilt" Chamberlain and Bob Jahn were also responsible for many wins.

# Young Wrestling Squad Finishes Third

This year's wrestling team went through what can only be called a rebuilding year. Having only 3 seniors that wrestled in all of the matches, the squad was very young. At the end of the season the starting line-up consisted of one freshman, five sophomores, five juniors and three seniors. Even though the team was young it still was able to finish in third place in Niagara Frontier League Competition.

Individual highlights include the 1st place finishes by Scott Pine and Scott Wilkinson in the Amherst Christmas Tournament and the 1st place finishes by Chris Lawson in the NFL, Section VI — Division 1, and the Section VI — Qualifier Tournament. Chris qualified to go to the State Championships by winning the last tournament.

First doubles were played by Gregg Schley and Alan Brown who made a fantastic showing under pressure. Glenn Stern and Gary Calderon were a fantastic team together and were the only ones to win in the sectionals. # Track Wins 7th League Crown

The 1974 Kenmore East Track Team under the leadership of captains Gary LaRussa, Paul Dugan, Paul O'Donnell, Mark Schurt and John Sweeney completed another fine season.

After losing two meets by a total of four points, the Bulldogs came up with a superb effort in the league meet to force a three-way tie for first place. This marked the seventh consecutive season that Kenmore East has won the N.F.L. crown.

Outstanding performances were turned in by Gary LaRussa who ran the second fastest mile in Kenmore East history and the fastest public high school mile in Western New York. Also Paul O'Donnell set the school record in the triple jump and Sandy Stuchell established a new school record in the shot put. First year man John Botek made his contribution by setting a school record in the discus while John Sweeney made his impressions on Western New York tracks by sprinting the 440 in 50.9. The 880 relay team of Paul Pittner, Wayne Hopfer, Joe Peperone and Bruce Klettke turned in the second fastest time in Ken East history at 1:32.5.

Compiling a 16-2 record in the regular season, the team finished the overall campaign with an 18-3 record and played in the Section 6 playoff championship game for the fourth consecutive year. Outstanding for the Big Gold were Joe Sperlazza, catcher, who led the team in hitting, and Steve Caputi, pitcher, who recorded a 6-0 pitching record. Both were unanimous All-league selections. Dave Szaflarski contributed greatly to the success of the team with his effective pitching, especially in relief roles and Pat O'Brien and Jim Ruggiero provided strong infield defense.

The Girls Athletic Association is composed of all girls interested in bettering female sports, or just wishing to participate in other activities. These activities include an ice skating party, a broomball game against the Ken West GAA, a spring campout, and various others. Funds are raised through candy, jacket and T-shirt sales. At the close of the year is the annual GAA banquet to show its accomplishments and to award well deserving girls. Miss Suzanne Fuller, faculty advisor, is instrumental in running the organization. # Girls' Varsity Field Hockey

The 1974 Kenmore East Girls' Field Hockey Team was confronted with a most challenging season. The season was comprised of nine matches against some fine established teams.

Senior Co-captains Jenny Dillon and Sue Fulton led the offensive attack. Other members of the team led a rugged defense against Kenmore East's opponents.

An outstanding total team effort was not enough, however, to provide the winning edge in any of the team's matches. Congratulations are in order for all team members for a job well done.

**Row 1:** T. McNamara, C. DeMarco, B. Stonish, C. Chapman, C. Turner. **Row 2:** S. Smalter, J. Dillon, **Co-Captain**; K. Kelly, S. Fulton, **Co-Captain**; D. Rishell, J. Baldi. **Row 3:** R. Rebman, J. Short, E. Battel, M. Kurzdofer, C. Twist, L. Herzog, L. Reger, Miss Fuller, Coach.

## Girls' Softball Finishes Third

The Kenmore East girls softball team compiled another outstanding record against a group of strong N.F.L. opponents. Losing just two games to first place North Tonawanda and second place Kenmore West, the Lady Bulldogs finished a very strong third.

Co-captains Linnea Saunders, team high batting average, and Sandy Conklin, most valuable player, led the team to six victories.

Congratulations to all team members for another fine season.

**Row 1:** E. Schultz, J. Coates, S. Fulton, H. Lang. **Row 2:** S. Smalter, B. Roberts, S. Conklin, **Co-Captain;** L. Saunders, **Co-Captain;** M. Barczak, C. Dillon, P. Bieber, L. Fish, P. ## Girls' Soccer Wins N.F.L.

For the first time in its short existence, the girls' soccer team finished first in the N.F.L. The record for the year was seven wins, one loss, and two ties. Captain Paula Massing and Co-captains Linnea Saunders and Michelle Barczak, both of whom made the All-Star team, led the squad through a very fine season. Our defense performed effectively all season, letting up only seven goals.

**Row 1:** K. Mueller, D. Attridge, F. Vaquez. **Row 2:** Coach Lindeman, P. Massing, L. Saunders. **Row 3:** C. Conwell, K. Stonish, M. Barczak, H. Lang. **Row 4:** P. Cahill, L. Littlefield, J. Bumpus. **Row 5:** N. Tixier, K. Miller, C. Dillon, B. Roberts, E. Schultz.

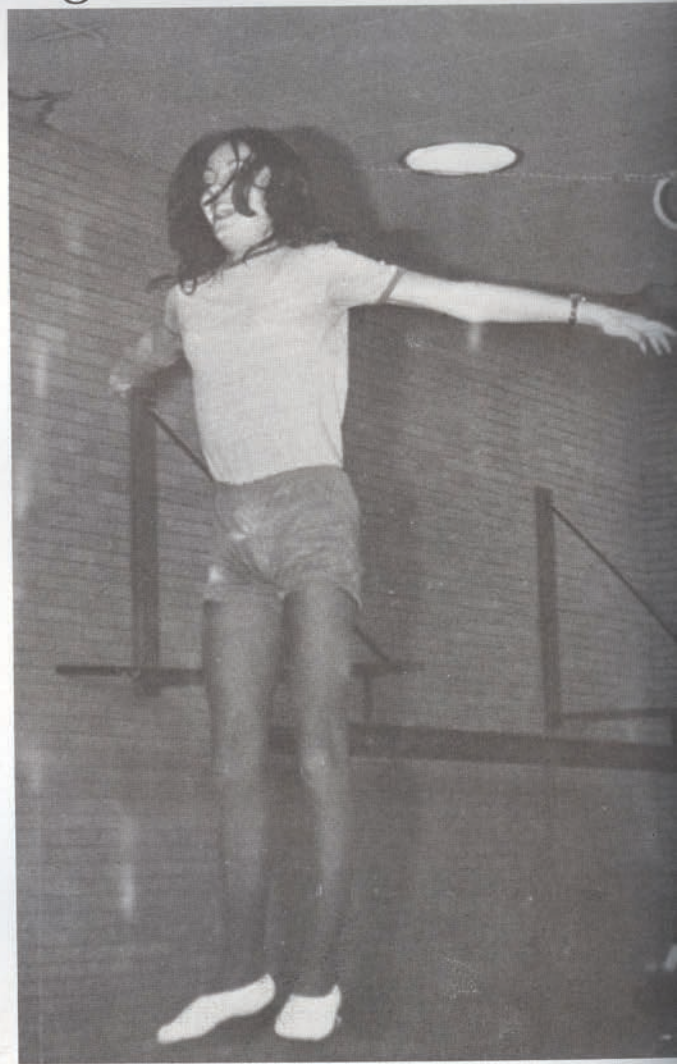

# Girls' Gymnastics Has Winning Year

In October, Kenmore East organized its first girls' gymnastics team, coached by Miss Zoe Manheim. They met on Mondays, along with the girls' gymnastics club. Although they had only one meet, against Kenmore West, the team did very well, winning 31-13, taking first place in all events. First place went to Sue Fetes for vaulting and floor exercise, Rita Muenzel on balance beam, and Debbie Brock on uneven parallel bars. Next year, the team hopes to expand in size and to schedule more meets.

One of the premier events is the uneven parallel bars.

## FACULTY

# Principals

Congratulations to the Class of 1975. The members of this class have now completed their secondary school program. You have been highly successful in developing, organizing and participating in many student activities. Your academic record is comparable or surpasses previous classes. Your athletic success is well known throughout the Niagara Frontier. Your social activities have been enthusiastically supported. You, as leaders of the student body, have contributed to the success and traditions of Kenmore East. Your leadership and your interest have made Kenmore East the school it is. You can be justly proud. Many of you have plans for continuing your formal education. All of you should recognize the need for continuing some phase of education or skill development. Recent technical advancements in industry and commerce require more knowledge and more skills for success in new jobs. If you are to be a part of this progress and share in the benefits, additional education and training will be necessary.

Although you have completed one major phase of your basic education, it is only a beginning, and along the way much more will be required. On behalf of the administration I wish you the best of success and happiness.

Albert J. Witzig, Principal

Mr. Richard Coates, Assistant Principal

Mr. Frank Hyatt, Mr. Frank Twist, Assistant Principals

## Guidance Stresses Careers

The Guidance Department is chiefly involved in three basic areas: educational counseling, career counseling, and personal counseling. This year they are putting increased emphasis on career information and guidance, which they feel is especially important in these days of job uncertainty. Field trips, movies, and guest speakers are part of the "Career of the Month" program which they have initiated to help the student in investigating career fields. They are also giving the Ohio Vocational Interest Inventory to all juniors in Social Studies classes. A large part of their work will continue to be helping students to plan their educational programs and in working with them when they have personal problems.

Mrs. Tina Manalio, Mrs. Eleanor Cain

Mr. Thomas Nigrelli, Mrs. Belle Rowland

Now what can I do for you?

Mr. Martin Goodrich, Mrs. Mary Anne Ellis, Mrs. Mary Secretan, Mr. Gerald Marcussen

# Home Economics Has Individual Student Appeal

The Home Economics Department offers courses in Beginning, Intermediate and Advanced Clothing, two foods courses, Housing and Home Furnishings, and Family Living which includes a semester of study in the area of marriage and a semester of study in Child Development. Seniors also may enroll in a course which is made up of short units in all the areas we cover in Home Economics. We have been delighted this year to have a larger than ever enrollment of boys in the foods classes and hope to see more of them enrolled in the other areas in the future.

Mrs. Edith Meyers, Mrs. Betty Abg

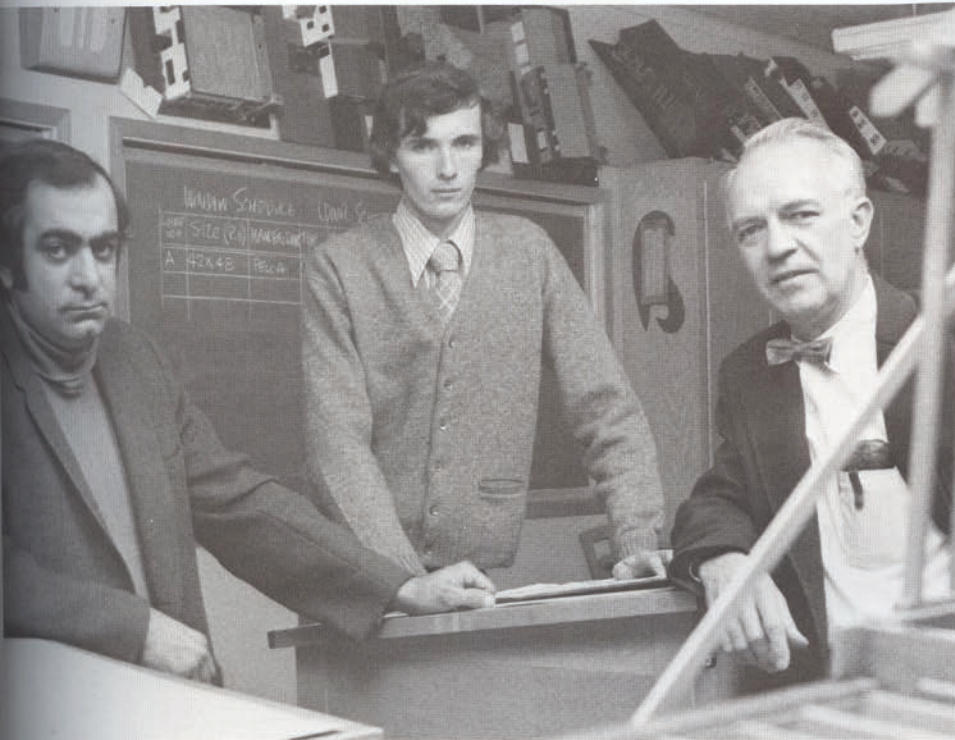

Miss Shirley Ruehl, Mrs. Miriam McCully

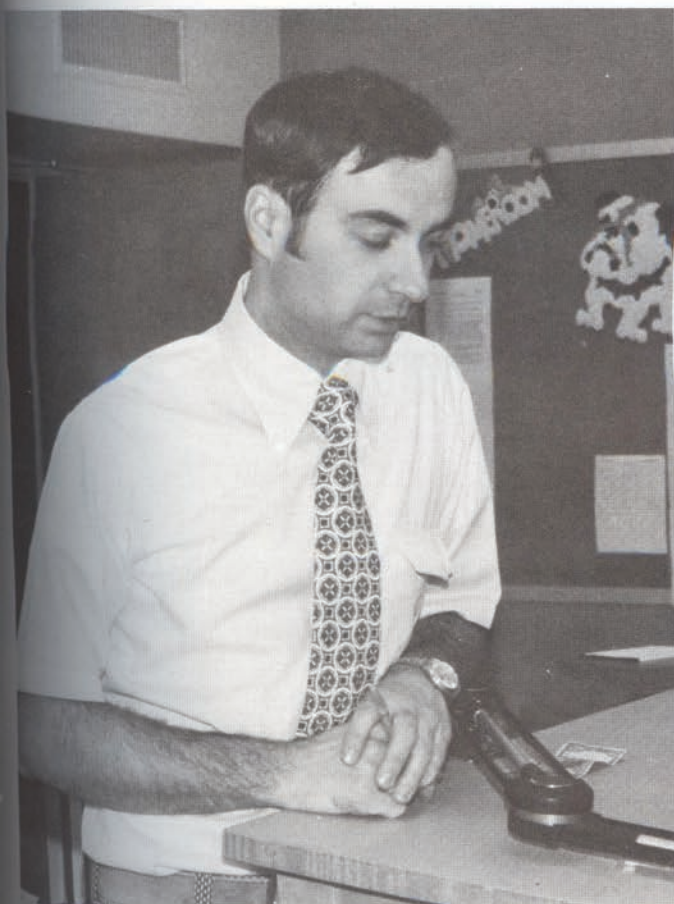

Miss Ida DiMaggio, Department Head

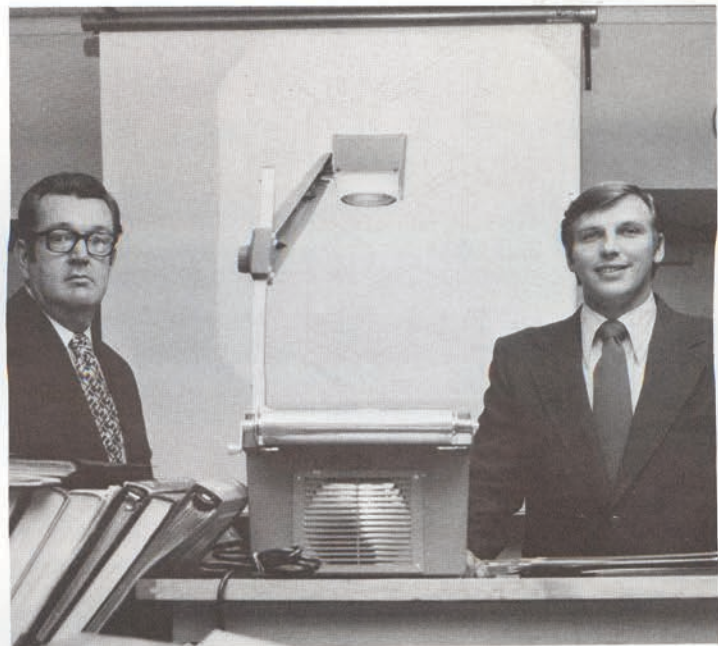

## Industrial Arts Introduces Metric System

Mr. James Doldan, Mr. Gary Deren, Mr. Kenneth Hodge

Mr. Donald Mydzian

Mr. John Flanagan, Mr. Daniel Weselak

The Industrial Arts Department has tried during the past year to make its program more meaningful to the students at Kenmore East. Several new courses were offered and much work was done in updating the existing program. The Department has begun to cope with the possible conversion to the metric system of measuring by gradually introducing its use in all shops and drafting rooms.

The teachers are very aware of the responsibilities involved in teaching during the current national situation which has brought about an increase in the number of East's graduates attending trade and technical schools. The Department has in the past and hopes to continue in the future, giving these students a good background education and better prepare them for their careers.

## Driver Education Makes Safe Driving

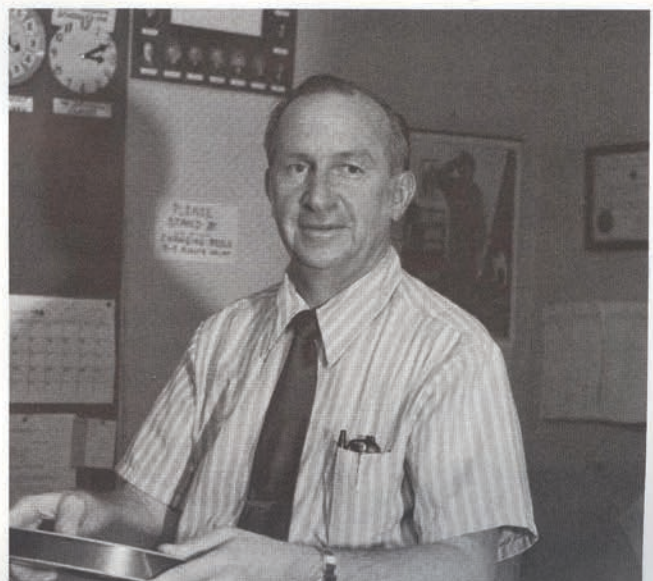

This Driver Education and Traffic Course is designed to help prepare the inexperienced driver to become a responsible part of the highway transportation system.

The classroom phase is designed to help the students obtain knowledge of driving situations that are not experienced in the driving phase. This knowledge is then useful to the student by helping him to be able to make an intelligent driving decision if needed.

It is hoped that the experience gained in the in-car phase and the knowledge gained in the classroom phase of this course, will help motivate the students to become safe, defensive drivers in the highway transportation system.

Mr. Richard Schultz, Mr. Donald Foster.

Mr. Wilfred Walter.

# Science Department Stresses Balance

The Science department is continuing to provide a broad range of course offerings for students at Kenmore East.

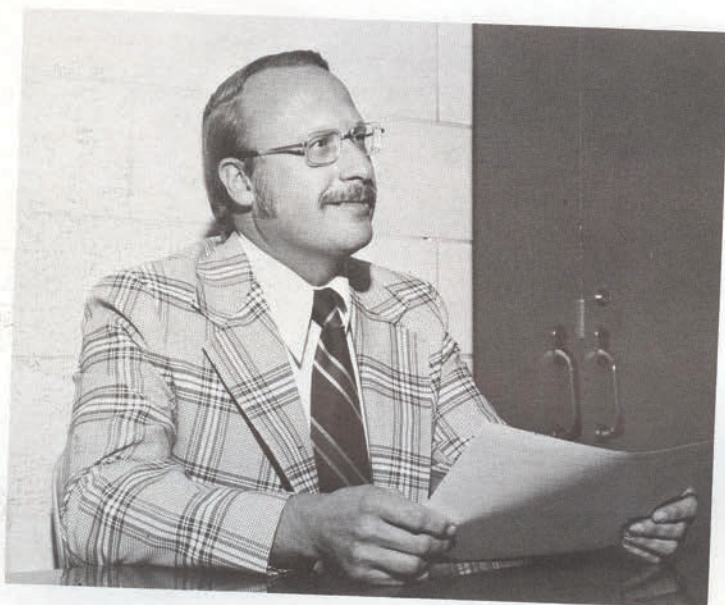

Among the additions to our basic science courses of Biology, Chemistry, Earth Science, and Physics are general courses in Biology, Chemistry, and Physics. These are primarily directed toward non-science majors who desire a less intensive treatment of the basic sciences.

Elective courses are being added each year to join the longest running elective of all, Advanced Biology. This year they include Ecology, Oceanography, Astronomy, Plant Science, and Advanced Chemistry.

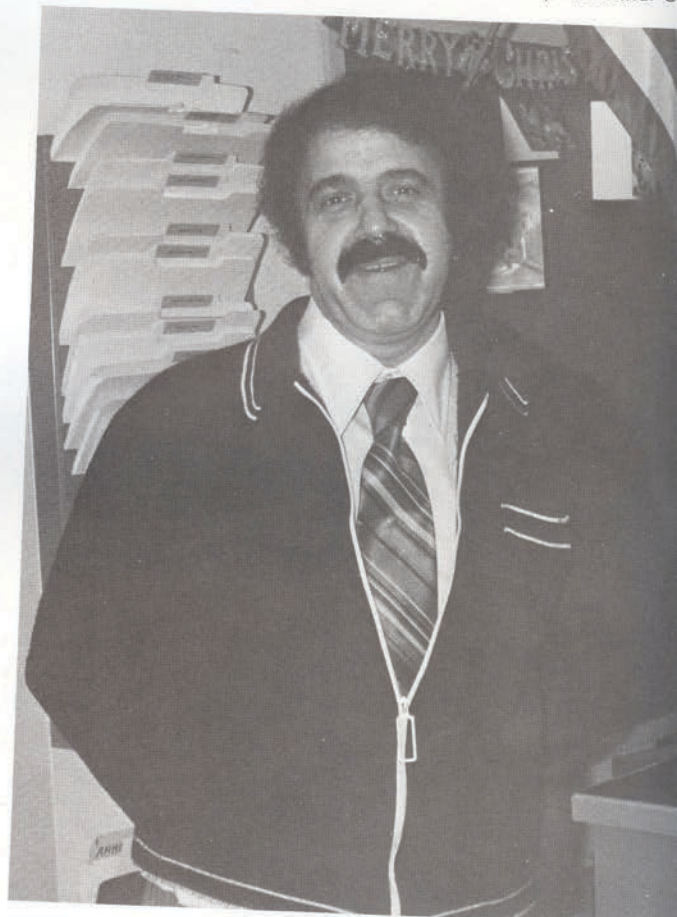

We are looking toward providing the best science background for students at Kenmore East by balancing our technical course offerings with contemporary, informative courses which stress applied science.

# Social Studies Department Changes Curriculum

This past year the social studies department instituted a change in the curriculum by introducing a program of 10 week "mini" courses to replace the traditional 40 week long courses in the 10th and 11th years. In subsequent years a wide variety of electives in social studies will be offered to students in the junior and senior years. The sophomore year will continue to be a year of skills oriented study based on American History.

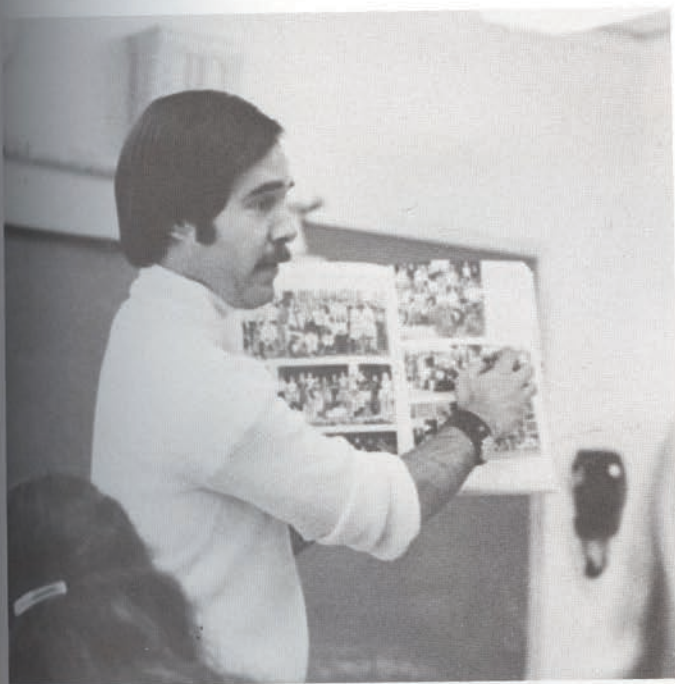

It is anticipated that this selection of electives will offer students the opportunity to study a broader spectrum of topics in the social studies and will fit the needs and desires of the students to a greater degree than was previously possible.

# English Department Continues To Expand Program

The English Department has expanded the English program for students. Special programs have been added to go along with regular class room study. A departmental field trip took place in which interested students went to see **The Merchant of Venice** performance by the National Shakespere Company.

Another experience provided for the students was a writer-in-residence who stayed for four days at Kenmore East. Poet Allan Feldman conducted creative writing sessions and discussed poetry in various classes.

The English 12 Elective Program has continued to expand this year. The elective program is designed to allow students to fulfill 4th year English requirements by choosing four ten-week offering during the year. New course offerings include Musical Comedies and Their Originals, Fantasy in Literature, Cinema, 2 Classic Heroes, and Witchcraft.

## Math Expands Its Curriculum

This year the Math Department has changed its Math 12 curriculum. It is now two different courses. One is Engineering and Science Math and the other is Liberal Arts Math. This gives the students a chance to take a math that will relate to what he plans to do in later life. Calculus has been changed to honors and regular. Trigonometry is now being offered as a separate course for students who wish to concentrate on just one area of mathematics.

## Business Department Hosts Typing Contest

The Business Department offers courses in Typewriting, Shorthand, Bookkeeping, Office Practice and Business Law to help in the outside business world. In addition to these present courses in business a new course in accounting will be offered to academic students due to the large interest shown for the course. Typists from our school won the 1974 Western New York typing contest. As a result of this, our school hosted the 1975 Typing Contest. Additions of new equipment during the year made it possible for the students to have a better chance to learn.

## Music Department Entertains.

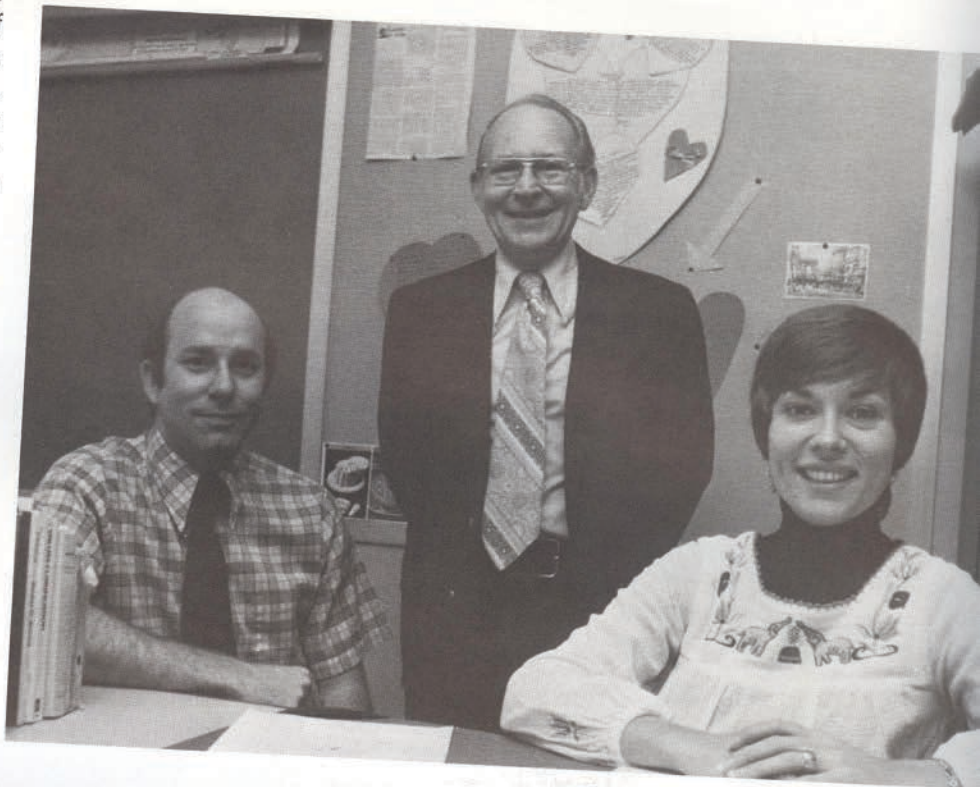

The Music Department presented the school with musical entertainment throughout the year. The band provided entertainment by performing at all the football games. At Christmas time all the choruses of the school and the orchestra got together and presented a Christmas program which included a candlelight procession. The Girls choruses from both East and West together performed a concert, "A Ceremony of Carols," with the East-West Chorale. The school orchestra went to Rochester and performed a concert with an orchestra from that area. The orchestra also accompanied the singers in the school's production of the musical "Mame". At the end of the year all the musical groups joined together to hold a concert which was well received by the audience.

# Language Department Gets Involved

The language department has done much outside of regular academic instruction this year. Besides the German, Spanish, and French classes getting together for an International Dinner, they have also gone to the Administration Building to make a T.V. show which teaches the basics of the languages. The German classes held an Oktoberfest and the French and Spanish classes held many culture oriented parties. Trips to Spain, France, Quebec, Germany and Denmark proved to be extremely enjoyable and educational for those students who went. All in all, it was a very interesting year for all those who participated in the various activities.

## Art Department Adds New Courses

The Art Department has two new courses this year, Graphics and Jewelry, added to an already broad program. These new courses offer each art student an opportunity to produce beautiful objects for their own sakes. The many courses now offered by our staff of four teachers should join to create a special experience for us.

Mr. Philip Smith, Mr. Herbert Rowswell, Mr. Timothy Butler.

## Physical Education Revises Program

Changes in gym programs mark the Physical Education Department. Increased use of the new Universal Gym by both boys and girls during classes is just one of the changes this year. Longer periods of co-ed gym are also new. Floor Hockey was introduced this year for both boys and girls. Gym blocks for the activities have been made longer.

The 1974-1975 Senior Class had a fun and fulfilling year under the leadership of good officers headed by Judy Lucca as president. For the three years the seniors and their advisors, Mrs. Bertsch and Mr. Teson, have worked many hours earning money to put toward a great night at the Sheridan East on June 20th.

Some of the highlights of this year's activities were the Senior Show, Faculty vs. Buffalo Bills basketball game, and the traditional Senior Homecoming Day. Also a new thing this year was the Senior Campout at Seneca State Park in April.

The Class of '75 says good luck to all upcoming seniors and we hope they have as great a year as we did at Kenmore East.

## Overdrive

Stacks of sticks  
Dynamite all around.  
We are in the red danger zone.  
We have passed our limit.  
It's all becoming a blur.  
Red swirling and spinning.  
Slow Down!  
The noise,  
The screaming.  
As we hear the explosion  
We know we are through.  
The stop signs and red  
Lights have won.  
Bob Morey

# In Memory of Mark P. O'Keefe

Nothing seems so tragic to one who is old as the death of one who is young, and this alone proves that life is a good thing.
